

DEDICATE LAW COLLEGE

NEW BUILDING WILL BE FORMALLY OPENED TUESDAY BY ELABORATE CEREMONIES

PROMINENT MEN WILL SPEAK

Alumni, Former Deans of Law School and Architect on List of Speakers.

Tuesday will be a gala day in the Law College, for the new building which has seen service since the first of this semester will be dedicated on that day. Law classes will be dismissed Tuesday and the members of the college, in consequence, have arranged for a big dance Monday night as a starter for the affairs the following day.

The committee in charge have secured an excellent list of speakers for the occasion, all of them men who are interested in the welfare and progress of the College of Law at the University of Nebraska. The principal speakers on the program are Dr. Roscoe Pound, ex-dean of the Law College, now occupying the Storey chair of Law at Harvard; Prof. George B. Costigan, also an ex-dean of the Law College here and at present a member of the faculty of the law department of Northwestern university; Regent C. S. Allen, Chief Justice Reese, Dean Hastings, present dean of the Law College, and Rev. S. Mills Hayes.

Dr. Pound is a graduate of the University of Nebraska, being a member of the class of '88. He has become famous as an authority in the legal world and a number of his books are used in the law colleges over the country. The architect, Mr. Ellery L. Davis, is also a Nebraska alumnus and the university may justly be proud of him for his work on the new building shows his ability and the effects of his early training. Reverend Mr. Hayes, while not an alumnus of Nebraska, is greatly interested in the Law College, as he gave up a legal practice for the ministry. Judge Reese is at present chief justice of the Nebraska supreme court. Hon. C. S. Allen is president of the board of regents and also an ex-Cornhusker, '86.

No definite arrangements have been announced for the reception of the visiting speakers, but they will probably be entertained by both the Chancellor and Dean Hastings. The program which begins at 10 o'clock follows:

WILL DONATE HER SHARE OF MONEY TO STUDENTS

Miss Graham Receives 34 Cents as Her Portion of the Dayton Flood Fund.

Being a Dayton, Ohio flood sufferer Miss Graham, adviser to women, yesterday received the magnificent sum of 34 cents from the California Teachers' association. This is her proportion of the fund for flood sufferers.

At the time of the flood the different teachers' associations throughout the country decided to raise money and grant each teacher who suffered by the flood a portion of the amount secured.

California's donation seems to have been slightly delayed, but proves to be worth waiting for.

Being public spirited Miss Graham has decided not to use the money for personal luxuries, but instead, expend it for the purpose of giving some sort of a party for all university students. Doubtless it will be a formal affair although as yet all plans are not perfected.

Y. W. C. A. WILL SELL JAPANESE ART WORK

The Y. W. C. A. has just received an especially attractive selection of Japanese water colors which are on sale in the association rooms this week. The basque work makes very desirable Christmas gifts. The collection includes, pictures, calendars, place cards, and many novelties. Everything is very reasonable in price.

Kansas Captain May Be Ineligible.

The Jayhawkers are in about the same position as the Cornhuskers in regard to their next year's captain. Stuewe, the man they wish to elect, played in two 1911 non-conference games, but was forced to withdraw on account of illness, and it is up to the board to decide whether he is eligible for another year on the team. In commenting upon the situation the Star makes fun of the obsolete Missouri valley rules, and recommends that he be allowed to take his place with the team.

Loeb's Orchestra, L-9896 or B-1392.

Illinois cadets charge 50 cents admission to their military hops, wear their uniforms, and crowd the hall. Owing to the numbers that insist upon going to these dances it has been found necessary to limit the attendance to 200 couples.
