ENTIRE CAST SHOWS UP FINE

Fairly Large Audience Well-Satisfied
With Junior Class Play, "The
Man From Home," at the
Oliver Last Night.

The Junior Play was one grand success. The play was good, the cast was good, and the audience was probably large enough to pay expenses. Nothing happened to mar the smoothness of the production or the enjoyment of the audience. But this doesn't half begin to give credit to the cast and the management.

It is hard to tell just where to begin in presenting the boquets, but since first on the program comes Daniel Voorhees Pike of Kokomo, Indiana, Cloyd Stewart shall head the honor roll. Stewart's work was excellent. His entire interpretation of the "man from home" was characterized by ease and sincerity. The audience quite forgot that it was Cloyd Stewart they were hearing; they thought it was a Yankee lawyer from Indiana trying to persuade a title-hunting heiress against herself. Mr. Stewart is certainly worthy of much credit for his presentation of Mr. Pike.

Ethel Granger-Simpson, the American heiress, was exceptionally well played by Miss Ella Williams. She could sulk, be moody, then be bright and happy; then turn on poor old Pike and rap him soundly. She threw herself entirely into the part. Her earnestness and sincerity rang true to the audience. There was nothing superficial in her interpretation of a girl who was hunting happiness in an empty title, and who found it in a simple man from Indiana.

Rockie Ammerman was the big laugh of the show. He scored an immediate "hit" which lasted till he had made his last bow before the footlights. Rockie took this part of the fortune-hunting Englishman but two days before the play was given, and had but one rehearsal. Yet his voice.

INTER-FRAT TRACK MEET IS POSTPONED

Many Men Go to Kansas City—Sig
Alphas Winner Last Year—
Each Frat Confident.

On account of the large number of athletic men who will attend the intercollegiate meet in Kansas City the latter part of this week, the interfraternity track meet has been postponed. This meet was scheduled for this afternoon, but will probably not occur until after spring vacation. The men have been working out for some time and a very good meet is expected. As yet the outcome is rather doubtful, although each fraternity is certain that their men are sure winners. Last year the Sig Alphas won the meet and they have a good bunch in school again this year—but the same may be said of many other bunches.

NOT ONLY TEACHING FOR UNIVERSITY GIRLS

Misses Pound, Graham and Drake on
Committee for Establishing
Bureau in West.

The Association of Collegiate Alumnae has occupation bureaus now in Boston, New York, Philadelphia, and Chicago, and are now attempting to start one in Kansas City or Omaha. One of the lines of activities of this association is to help girls establish themselves in other lines of work besides teaching. It is felt that the teachers' bureau takes care of that line of work adequately and the field is now too full. Data is being gathered which will state the qualifications necessary for the girls in other lines of work. It has been found that 60 per cent of the positions eligible and acceptable to college women require training in stenography. The attempt now is to publish data which will advise girls what line of work to take at the beginning of their courses which will qualify them for the positions they suggest.

A committee composed of Miss Pound, Miss Drake, and Miss Graham has been appointed here to aid in the work. When this association work is fully organized it will mean a great deal to future business women. The committee is planning to give a reception to senior girls about April 18th, so that they can learn about the organization and boost it.

PRINCETON UNIVERSITY —MAN WINS FIRST PRIZE

Story on Volunteer Convention Held
in Kansas City, Mo.—Many Ne-
braska Students There.

A number of the students from the University of Nebraska attended the Student Volunteer convention held in Kansas City, Mo., last January, and their reports of the convention upon their return were that nothing better had been held for a long time. An account of the convention written by G. C. McKown is given in the following article:

Five thousand delegates from institutions of learning in the United States and Canada gathered at Kansas City for a convention lasting from December 31 to January 4, in the inter-

HUSKERS TO CHICAGO FOR GYM. MEET IN APRIL

Intercollegiate Transferred From Lin-
coln to Chicago Because of
Dr. Clapp's Illness.

Already the gymnasts are beginning to look forward to the intercollegiate meet which is to be held April 6th at Chicago University. The plan had been to hold this meet at Nebraska this year, but owing to the sickness of Dr. Clapp, it was decided to postpone the meeting here until next year and to hold this year's meet in Chicago. The tryouts will probably not be held until a short time before the meet, but the men have been working hard to make a place. All men who make a creditable showing will be taken on the trip. At this meet representatives will be present from all the members of the "Big Nine," as well as several other large universities of the West. This means that the competition will be between very capable men and that very good work must be done in order to make a showing. But some very good men have been showing up in the Armory and it is thought possible to pull down several of the honors. Last year Nebraska was represented by Southwick, Gunther and Ganz. These men did very good work but were unable to pull the larger points. It is expected that Nebraska will raise the standing made last year.

ONE-ACT COMEDY BY GERMAN DRAMATIC CLUB

SENIOR CLASS PROM

CHANCELLOR AVERY AND GOV-
ERNOR MOREHEAD TO ATTEND

TICKETS FOR NINETY COUPLE

Lindell Dining Room to Be Elegantly
Decorated—Programs Only of
the Best Material—Grand
March at Eight.

After seeing the samples offered by a dozen program makers, the committee in charge of the annual prom of the senior class is yet undecided as to what they will provide the dancers at the function in the way of programs. Designs in ivory, leather, mother of pearl, paper and metals have been submitted to the committee, but they are holding off the letting of the contract until several other firms are heard from. The present plans call for a program that can be preserved as a useful favor and one not to be cast aside after the last dance of the evening.

Governor and Mrs. Morehead and Chancellor and Mrs. Avery will be in the receiving line at the prom and will take part in the festivities of the evening. The Governor and Chancellor Avery both expressed themselves as pleased with an opportunity to attend the function. Governor Morehead has an engagement to speak out in the state the evening before, but stated that he would hasten back to Lincoln and don his evening clothes to be present.

The dining hall at the Lindell Hotel will be arranged into a prettily decorated parlor for the evening and a refreshment bower will be erected at one end of the room where those attending will be given the best of refreshments that the city caterers can provide.

A brisk sale of tickets kept up yesterday when it became known that only ninety couples could attend. The plan of the committee in keeping down the attendance seemed to meet with the approval of the student body, as did the announcement that the grand march would begin at eight o'clock, and a demand for the pasteboards began.

TRI DELTS UNDER BAN UNTIL SPRING VACATION

Pan-Hellenic Council Puts on Bold
Front—Others in Line for
Like Offense.

Delta Delta Delta has been forbidden to initiate any of its pledges until after the spring vacation because of the initiation of a sophomore girl who was incomplete in a one hour subject.

This was decided at the meeting of the Girls' Pan-Hellenic Advisory Council held yesterday morning for the review of minor offenses. This one penalty was declared. However, there are other offenses yet to be judged, but each must have a proper hearing.

Several other sororities reported girls initiated without the signature of the Pan-Hellenic chairman, but in all these cases the records were clear. The committee thinks this carelessness and ignorance of rules should be reprimanded.
