THE COAT OF JOSEPH

To see Nebraska's wrestling team
in its full fighting costume reminds
us of the coat of Joseph. Mr. Pascal
is clad in a pair of black trunks,
copiously punctuated with holes. Mr.
Ganz has black tights. Mr. Gunther
has a pair of brilliant red tights.
None of the men are provided with
regular wrestling shoes. So arrayed
go our wrestlers to represent the Uni-
versity of Nebraska in the Western
Conference Gymnastic Tournament in
Chicago, April fourth.

What is the matter here? Every
other team representing the Universi-
ty is furnished with some sort or
other of a suit or uniform. It is a
positive disgrace to send as good a
team as we have—or any old sort of
a team, for that matter—into a large
meet of this sort looking as they do.
Appearances do count. Are you not
proud of the University of Nebraska
to know that her wrestling team when
it appears in Chicago will more closely
resemble the coat of Joseph than a
respectably dressed team?

Scandinavian Club.

The Scandinavian Club will meet
Friday evening, April 3, at 8 o'clock.
The meeting will be held at the home
of Prof. J. E. Alexis, 1420 Elm street.
Miss Caroline C. Johnson, a graduate
student in the German department,
will speak of her impressions of Den-
mark. All students of Scandinavian
descent cordially invited.

In Memoriam.

A special convocation will be held
next Tuesday morning in Memorial
Hall to pay tribute to Chancellor
Benton, W. J. Jewett and Miss Kors-
meyer, who have recently departed
from this world.

Mr. James May Duane, an alumnus
of Brown University, '72, who died last
December, made his Alma Mater the
beneficiary of ten thousand dollars.
Mr. Duane graduated in 1872, receiv-
ing an A. B. degree, and later an A. M.

INSPECTION EARLY

(Continued from page 1)
ments. This will begin at 4 o'clock

and will end up with a competitive
drill between the Pershings and the
Workizers. On the 18th of this month
the farm regiment will have a field
maneuver which will last during the
entire day. In this exercise the cadets
will be instructed in all the depart-
ments which are brought into play
during a field engagement, such as
the hospital corps, etc. The cadets
will not leave the field during the en-
tire maneuver, lunch being served to
them on the field at noon. On the
23d, competitive drill will take place
at the Farm.

The commandant has already asked
for certain dates on which to hold
these maneuvers, but the Chancellor
seemed desirous of changing them
somewhat. It is very necessary that
these exercises be carried out, since
the government inspection is to come
very much earlier than usual. The
cadets have been back to the practical
work but a week. The department is
under a great disadvantage on account
of the limited time and it is feared
that they will not be able to make a
very creditable showing in the inspec-
tion.

PROMINENT MISSIONARIES
TO SPEAK TO UNI GIRLS

Miss Blanchard, National Secretary of
Student Y. W. C. A., and Miss
Taft, Just Back From China.

The Y. W. C. A. is to have two dis-
tinguished visitors next week, on
April 8th and 9th, Miss Taft, who has
just returned from China after a four
years' sojourn, during which she did
a variety of missionary and social
work, and Miss Blanchard, who was
recently appointed to the position of
national secretary of student Y. W.
C. A. Her experience has been wide
and varied. She was recently secre-
tary of the Y. W. C. A. in Leland
Stanford. She worked in conjunction
with John R. Mott and Mr. Eddy in
organizing the students of New York
City so that she has a wide experi-
ence in both local and national work.
All University women should plan
to attend meetings at which these
two workers will speak. Miss Taft
will bring a message from her suc-
cessful and interesting work in China.
Miss Blanchard will be at Nebraska
at various times in the future. The
opportunity ought to be seized to meet
her now. She will be ready with ad-
vice and suggestions for improving
the association and its work.

Collection of Shells.

A collection of shells was received
yesterday from Hon. C. F. Morrill of
Daytonia, Fla. Mr. Morrill has been
greatly interested in the famous shell
mounds of the Indian and Halifax
rivers of Florida. These heaps of
shell are supposed to be the refuse
of the prehistoric Indian clam bakes.

People We Know.

R. W. Ellis of the Geology depart-
ment is examining the iron mines of
the Lake Superior region.

is visiting friends in Lincoln.

has been employed as chemist with a
sugar refining company of Scotts
Bluff.

Professor Barbour leaves tonight
for the coal fields of Sheridan, Wyom-
ing, where he will inspect certain
mines in the Sheridan district in
order to determine the quality and
quantity of the coal that is found
there.

Type specimens of sharks' teeth
which were discovered some time ago
by Miss Barbour have been shipped
to the University of Missouri to be
used in the classifying of their
museum specimens.

W. F. Zumbum of Kansas City is
visiting in Lincoln.

THREE FRAT TEAMS ENTER
THE PRELIMINARIES

Sigma Alpha Epsilon Wins From Phi
Gamma Delta—Rope Climb Post-
poned Until Saturday.

Three frat teams showed up last
night for the preliminaries in the tug-
of-war. These were the Phi Gams,
Alpha Thets and Sig Alphas. Lots
were cast to determine which teams
should pull and it was decided that
the Sig Alphas should go against the
Phi Gams, leaving the Alpha Thets
to pull against the winners on Satur-
day morning. In the match which
followed the Sig Alphas won from their
opponents by a very narrow margin.
When the whistle blew the Sig Alphas
jerked the string about an inch to the
side of the mark and held it there dur-
ing the entire time. It had also been
planned to hold the preliminaries of
the rope climb last night, but no one
showed up for this event and it has
hence been postponed until Saturday
morning.
