To the Subscribers of the Daily Nebraskan:

During the campaign for new subscribers during the past registration week, promissory notes for \$1.00 were taken by the management as equivalent to the cash subscription.

While these notes are payable on the demand of the publishers, it is not the intent of the publishers to demand the payment at a certain date but it understood that payment must be made before the signer of the note leaves school.

Those who are indebted to the Daily Nebraskan for the present semester may visit the office in the basement of University Hall at any time and upon the payment of \$1.00 receive a receipt in full.

Prompt payment will assist the management very materially in making a full financial report before the end of the school year.
