## HUSKERS DO WELL

GUNTHER WINS SECOND AND PASCAL THIRD AT CHICAGO.

## GO TO TEXAS WEDNESDAY

Nebraska's Team at Chicago Makes Exceptionally Strong Showing—Meet at Lincoln Next Year—Southwick Shows Class.

Phil Southwick, gymnast; Fred Gunther, Carl Ganz and Pascal, wrestlers, are back from Chicago. Southwick appeared in the gymnastic events and did very creditable work. In the wrestling, Gunther won second in his weight. Gunther threw the Minnesota and Indiana men and lost to Hobbett of Iowa in the finals. Ganz lost to Myers of Indiana by a decision. Pascal threw the Chicago man and lost a twenty-minute draw with Indiana, who threw Minnesota and won first.

The meet next year will be held in Lincoln, and prospects are very good for a successful meet.

Coach Reed is introducing a novelty into spring track work. Every Thursday evening the track squad will take dinner together at the Temple. A nominal fee of 25 cents will be charged. Mr. Reed hopes to promote a more friendly feeling between the members of the team. It is hardly possible, with the men living apart, to know much of one another without once in a while meeting aside from on the cinder path.

The Nebraska wrestling team leaves Wednesday evening for Austin, Texas, where they will tackle the Texas University men Saturday evening. The men will reach Austin about Friday noon. Friday afternoon they will take a spin on the road and end up with a light workout in the Texas gym. They will then rest up until Saturday evening, when the meet will be staged.

Coach Stiehm had about twenty-five football men out last night. It was a mighty peppery meeting and a very satisfactory one. The men are getting help that they would never get in the fall, simply because they now receive individual instruction from the head coach.

## CO-EDS QUARANTINED ON THIRTEENTH STREET

Doctor Declares It to Be Diphtheria—Another Student Attacked With Smallpox.

Emily Weise and Marguerite Birbenhaugh, rooming at 331 North Thirteenth street, were quarantined Saturday morning with diphtheria. The girls have been put in charge of a nurse and confined to the third floor. The remainder of the house was fumigated so as to kill any germs. The girls who were fortunate enough to escape the quarantine objected to the smell of the formaldehyde, and the health officer was compelled to take them out in his car for an airing.

Harry Rokahr, another University student, rooming at 1337 R street, also found it necessary to go into confinement on account of an attack of smallpox. He was taken to the isolation hospital Saturday morning. The other eleven boys rooming at this place were vaccinated by the health authorities.

## SIG ALPHAS VICTORS

WIN SHIELD FOR THE THIRD TIME—NOW THE OWNERS.

## THETAS WIN SORORITY RELAY

Phi Delta Theta Gets Second Place—"Seven" Myers Easily Outclassed All Other Competition With 20 Points Individually.

By winning the inter-frat indoor athletic meet for the third time, the Sigma Alpha Epsilon fraternity became the permanent possessors of the championship shield last Saturday afternoon. This shield was offered a number of years ago by the Inter-Frat Board and will hereafter adorn the walls of the Sig Alpha house. Second place was won by Phi Delta Theta and third by Alpha Theta Chi. Only five teams were entered in the meet and a small crowd attended the exhibition. "Seven" Myers of the Sig Alpha fraternity was clearly the bright and shining light of the entire event, capturing four first places, netting twenty points, and also making a good run in the relay race.

Phi Delta Theta easily took the first three places in the pole vault with their artists, the Reavis brothers and "Stoney" Linstrum. The total number of points for the different fraternities were as follows:

Sig Alpha	39 1/2
Phi Delta	28 1/2
Alpha Theta	23
Phi Gamma	15
Beta	5

## Thetas Have Fastest Man.

One of the most exciting events of the afternoon was the inter-sorority relay race, which was easily won by Kappa Alpha Theta, with Delta Gamma, second. The members of the winning team were: Reed, Israel, Oliver and Howard. The following sororities entered teams: Alpha Delta, Delta Gamma, Kappa Alpha Theta and Tri Delta.

## SENIOR PLAY TRY-OUTS TO BE HELD TODAY

Proceeds to Be Divided—Want Play Early in May—Assessment Changed for Seats.

Senior play tryouts tonight marks the first step in the active preparation of the 1914 class play. While the number trying out is not as large as the committee desires, yet there is plenty of material for a capable cast. A number have hesitated to try out because they thought there were many others trying out. The result has been, especially among the girls, that it has been necessary for the committee to personally urge some of the most capable members of the class to try out.

Miss Howell, who is to coach the play, is to be the sole judge of the tryouts. They will be held in the Dramatic Club rooms and contestants should register for places with Don Ahrens, who will be in U 106 from 11 to 12 o'clock today.

The committee appointed by President Hascall has made arrangements for the disposition of the proceeds of the play. The first two hundred dollars of net receipts is to be devoted to the payment of the class debt and the balance, if there is any, is to go to the chairman and manager of the play. This is a larger amount than any previous class has realized from the senior play, but the committee felt that the manager this year was not entitled to as much as has been customary in the past because the class this year is badly in debt.

There is a strong sentiment among the committee and prospective members of the cast in favor of giving the play early in May this year. May 8th is the date that has been suggested. May 30 was the date originally agreed

## DE LUXE CORNHUSKER OFFERED FOR POEM

Seniors Getting Frantic—Urgent Call for Poets and Near-Poets to Seek the Muse.

Can you write a poem? If you can the senior class needs you and needs you bad. So urgent is the demand for some one to pen a senior poem that Mr. Gill, the chairman of the committee in charge, has offered a de luxe 1914 Cornhusker to the person who writes it. Here is your chance to beat Mr. Swift at his own game. Several lyricists about the campus have signified their intentions of walking home arm-in-arm with the big book, but so far intentions are all that have been offered. If you have ever written a rhyme in your life, make an effort. The competition is not keen. If you make an attempt anywhere near credible you will win the promised reward and have your name written in the halls of fame for all times.

## PROFESSOR HOPT WILL REMAIN AT NEBRASKA

Reconsiders Resignation—"Head Professors" Abolished at Senate Meeting.

Students at the Farm are particularly exuberant over the fact that Professor Hopt, instructor in field crops, has reconsidered his resignation of last week and will remain with the University of Nebraska. The difficulties out of which his resignation arose have been adjusted and it is hoped by all that there will be no further cause for trouble.

At a meeting of the University Senate last Saturday morning complete reformation of the faculty system of the University of Nebraska was discussed in abolishing the title of "head professor."

The title "adjunct professor" was formally abolished, leaving four ranks of professors below the "chairman" and deans, instructor, assistant professor, associate professor and professor.

The "head professors" who will become "chairmen" subject to removal are Professors Alway, Barber, Barbour, Bruner, Caldwell, Chase, Chaburn, Clapp, Condra, Fling, Fossler, Frandsen, Frye, Hoffman, Howard, Kiesselbach, Lees, Loomis, Luckey, Pugsley, Skinner, Wilcox and Wolfe.
