**"EVERYBODY'S DOING IT NOW"—SLYNXIE LATEST**

Canine "Lynx" Joins the Other Missing Hounds—Where, O Where Is He Gone?

"Has anybody here seen Rover?" is the Silver Lynx cry these days. Only "Rover" in this case is a big lemon-colored bulldog called "Slynxie." He is the original "missing link."

The Lynx boys thought they would be in style along with the Sigma Nus and the Betas, so they forked over the necessary "mazuma" and bought the big yellow boy. But he graced the halls of the northern bearcat less than a week. Sunday he went out for a stroll—and has since refused to allow himself to be seen. Some say the big Canadian silver lynx the boys have scratched "Lynxie's" turned-up black nose. Anyway, he hasn't come back. If you see one of the boys walking about with a woebegone look you will know what is the matter. He has lost his dog.

**ANNOUNCEMENT**

During the remaining weeks of the school year the Daily Nebraskan will issue several special numbers in supplement form. It has been the custom in previous years for various school organizations to ask the management of the Daily Nebraskan to allow one issue of the paper to a certain organization. These special issues have always been successful from the editorial standpoint but nearly always a financial burden to the paper. In the future special editions will be issued in supplement form only as this method allows plenty of time to get news and advertising matter into shape and will not cause a delay in the issue of the daily edition.

During the next five weeks several special editions will be issued as follows:

**GIRL'S NUMBER** early in May.

**PHARMACEUTICAL NUMBER** second week in May.

Other EDITIONS will be arranged for during the next few weeks.

Heads of organizations contemplating a special edition as in previous years will kindly consult with the business manager.
