 liberated and is told that the whole
 transaction has been a part of his
 initiation.

As a final act of his initiation his
 frat brothers and the sorority force
 him to go down town and buy goods
 on the credit of the sorority. After
 invading several stores and attending
 several sales he gathers enough stuff
 to furnish a house. He and Peggy
 then get married, run off with the fur-
 niture, and they live happily ever
 after.

Some of the prominent men who
 took part in the film were Coroner
 Mathews and State Senator McKesson.
 A few of the Wesleyan boys were also
 in the cast. A number of the sorori-
 ties were represented.

This film will be put on at the Mag-
 net next Monday and will continue for
 four days. There will be 2,000 feet of
 film in this picture and a large delega-
 tion of students are expecting to wit-
 ness the performance. Three reels of
 the Odessey will also be given in ad-
 dition to this feature.

A RECEIPT FOR A PICNIC.

"The Times Are Ripe."
 Take a little dash of sunshine,
 And a little bit of shade,
 A girl who's up and coming,
 A complexion that won't fade,
 A lot of fun and spirits,
 And "pep" that's brimming o'er,
 A crowd that's close and chummy,
 Without a single bore;
 A lunch that's cold and stable,
 With pickles to delight,
 And lots of cake and cookies
 To supplement at night;
 A wood that's cool and misty,
 With grape-vine swings and all,
 And lots of scary pathways
 To wander within call;
 A moon that's big and jolly,
 To do its duty, too,
 And convert the most unruly
 Into ways of lovers true.
 Take all of this together,
 Chaperone for all the rest,
 And you'll enjoy it truly,
 For of all reports, 'tis the best.
 Ask the Betas.

The College of Agriculture has an
 application for a teacher in the Tu-
 leta (Texas) High School. Tuleta is
 ninety miles south of San Antonio
 and seventy miles from the Gulf of
 Corpus Christi. It has a mild climate
 and would be a delightful place for a
 young man who wishes to teach in the
 south. Application should be made to
 the dean of the College of Agriculture.

MAGEE'S

ANNOUNCEMENT

During the remaining weeks of the school year
 the Daily Nebraskan will issue several special num-
 bers in supplement form. It has been the custom
 in previous years for various school organizations
 to ask the management of the Daily Nebraskan
 to allow one issue of the paper to a certain organi-
 zation. These special issues have always been suc-
 cessful from the editorial standpoint but nearly
 always a financial burden to the paper. In the
 future special editions will be issued in supplement
 form only as this method allows plenty of time to
 get news and advertising matter into shape and
 will not cause a delay in the issue of the daily
 edition.

During the next five weeks several special
 editions will be issued as follows:

GIRL'S NUMBER early in May.

PHARMACEUTICAL NUMBER second week in
 May.

Other EDITIONS will be arranged for during the
 next few weeks.

Heads of organizations contemplating a special
 edition as in previous years will kindly consult
 with the business manager.
