between Professor Engberg and Professor Maxey. This will be on the square and a good sized purse may be bet on the side. The honorary girls' sororities will then have a boat race. Representatives of the Masques, Silver Serpents, Xi Deltas and Mystic Fish will compete. The Fish are at present the favorites in this aquatic race. A tug-of-war will follow between the Laws and Age. The Iron Sphinx-Spike game will follow. At four-thirty sharp the Masques will be selected, and presented by Miss Pound. The Innocents will then be tapped. Following this, Prof. H. H. Wilson of the Law College will give a speech.

After the Innocents have been tapped, the lunches will be distributed. Each person must have a ticket in order to secure a lunch. The committee especially urges that all who desire lunches should not fail to buy their tickets before Tuesday noon. Positively no lunches can be bought after Tuesday. In order to provide these lunches they must be ordered by the committee the day before, and the committee does not feel that it can take any risk of not selling ordered. The lunch will be guaranteed to be satisfactory at the price and quite sufficient to satisfy the most particular. Those who do not buy tickets before Tuesday night will have to pay twenty-five cents for admission without lunch.

From 6 to 8 p. m. the Band will give a special program.

**HISTORY TEACHERS OF NEBRASKA MET HERE**

University Professors on Program—Ancient Maps Exhibited by Jones.

The third annual meeting of the Nebraska History Teachers' Association was held in this city last Friday and Saturday. The program Friday consisted of a six-thirty banquet at the Temple Theatre. A lantern talk on "Little Lessons From the Life of Lincoln" was given by Professor C. E. Persinger. Professor Guernsey Jones spoke on "Recent Phases of English Radicalism."

The Saturday program commenced at nine in the morning when Professor H. W. Caldwell spoke on "One Hundred Years of Peace, and Dangers That Have Threatened It." Mr. T. V. Goodrich of Lincoln gave a report on "Demand for Material on the First Hundred Years of Peace"; Professor J. G. W. Lewis of the Wayne Normal gave a talk on "The Use of Library Reading in the Teaching of History"; "Some Miscellaneous Aids in History Teaching" were given by Misses Autumn Davies of Omaha and Julia M. Wort of Lincoln. An exhibition of English and American maps, some of which were unearthed by Professor Jones while in England, was made by Professors Jones, Caldwell and Persinger of the University. Some of these maps represented Lower California as an island. It is said that one of these maps dates back to 1521.

A luncheon was held at the Commercial Club from noon until one-thirty. At two o'clock the business meeting was held and the following officers were elected for the ensuing year: President, Professor H. W. Caldwell; vice-president, Miss Autumn Davies, and secretary and treasurer, Miss Julia M. Wort.

**SENIOR CLASS PLAY**  
 AT THE OLIVER TONIGHT

Matinee is Canceled to Give the Evening Program Better Showing—Good Ticket Sale.

Tonight the much advertised, long looked for senior play comes off. The matinee has been cancelled and only one night performance will be given. There are several reasons for the cancellation of the matinee. The elaborate scenery and staging necessary to properly present "The Fortune Hunter" has taken more time to prepare than was planned on, and the management preferred to give one big, smooth, successful performance than to attempt to put on the matinee with the paint still wet on the scenery and the "props" not all in place.

The dress rehearsal will be held this afternoon and this last additional polishing will insure a machine-like smoothness tonight. Busy B. Clark has had two drays busy the last three days conveying a thousand and one articles to the Oliver necessary to thoroughly equip an up-to-date drug store. Last Saturday he corked up a lot of rain and has it ready to bring on at the fateful moment.

Holders of class notes will have their last chance today to realize on them. They may turn them in on play seats by paying their senior class assessment in the basement of the Administration Building, while if they hold them present indications are that there will be nothing in the class treasury with which to take them up at the end of the year. Pay your class assessment with class notes and get your money's worth.

Those who have purchased seats for the matinee performance may ex-
