## PLAY IS A WINNER

MISS MARION PREECE AND "ROCKIE" AMMERMAN STAR.

### LARGE AUDIENCE IS PLEASSED

Mr. Griswold as Tracy Tanner Comedy Star—Guy Williams Does Excellent Character Work—Strong Cast Ably Support the Leads.

"The Fortune Hunter," which was given by the senior class at the Oliver Theatre last night, was an artistic as well as a financial success. Before a crowded house a very able cast presented Winchell Smith's comedy and put it over big. The play showed the finest kind of coaching from start to finish and was greeted with applause and enthusiasm from the opening act, where the deep laid plans to ensnare an heiress are discussed, to the final scene where all ends happily, even if not according to the system.

The stage settings were unusually good, especially that difficult third act with the rehabilitated drug store. Clarence Clark has been doing some very commendable work as a stage manager of University plays for several years and deserves great credit for his careful execution of this thankless job.

"Rockie" Ammerman, as Nat Duncan, the "fortune hunter," was especially good. The part is no easy one to interpret and "Rockie" did some very finished and artistic work, work, in fact, that almost puts him out of the amateur class. His facial work was probably his strongest asset.

### KOSMET KLUB PLAY BEING SWUNG INTO SHAPE

Tickets to Go on Sale Friday Noon—Play May Be Given Out in the State.

One of the classiest tunes in the Kosmet show is called "Moonbeams." This catchy little song will be augmented with spot lights and a pony ballet and ought to be a hit from the start. People who have been hanging around the rehearsals have so many varying opinions on the question of which song is the hit of the thirteen song numbers in the show that it's hard to predict which one will be the lucky number. One thing is certain, all of the music is good. Whenever Professor Scott came to a song that didn't come out very well in rehearsal, he immediately cut it out of the performance.

A great deal of interest has been manifested as to just when the seats would be put on sale, and the Klub has announced that they would be on sale next Friday noon at the Oliver box office. As Saturday is Fete Day, a number of organizations are planning to reserve large blocks of seats for the purpose of entertaining out-of-town guests.

Owing to the fact that the Kosmet Klub show is a musical comedy, written entirely by students, and produced under the auspices of a student club, much interest is being taken in the production by people in all parts of the state. There is some possibility that performances of "El Presidente" will be given in other towns in the state after the production here.

### 'EL PRESIDENTE'

### SEATS FRIDAY NOON

**Purdue.** townspeople and out-of-town visitors clouded the line of march. It was one of the most brilliant and amusing spectacles ever presented at the university. The march was led by the cadet officers. The floats were the crowning feature and showed much originality. The Mexican war and local conditions were depicted in all their various phases. The whole parade was limited to West Lafayette. On the whole, the parade was a grand success.

## MISS GLADYS BUNT IS QUEEN OF THE MAY-- ELECTED TO RULE THE FESTIVITIES OF IVY DAY

### Popular Senior Girl—Black Masque and Delta Gamma—Elected by Senior Girls—Cars Leave For Epworth Park Every Ten Minutes During Afternoon.

Miss Gladys Bunt is the Queen of the May. She was elected by the senior girls to rule with queenly hand the festivities of Ivy day. Miss Bunt is a Black Masque and a member of Delta Gamma sorority.

Chairman Kavan of the Ivy Day committee announces that cars will commence running to Epworth Lake Park at twelve-thirty today. Both the Epworth Lake and the State Hospital

cars will leave the corner of Tenth and O streets every twenty minutes, thus making ten-minute service. The program will begin promptly on schedule and will be interesting until the closing strains of music from the band at eight o'clock.

About six hundred tickets have been sold. Tickets may today be secured on the campus until eleven o'clock from the young ladies at the tables. Students not having tickets to present

at the entrance gates will be required to pay an admission of twenty-five cents and receive no lunch.

The program this morning starts promptly at ten o'clock with the oration by George Lee Bayse in front of the Law Building. The Ivy will be planted between the Library and Law buildings immediately after the oration. The May Queen crowning will take place north of the Administration Building.

## BASEBALL LEAGUE

TO PLAY FORTY-FIVE GAMES WITHIN THIS MONTH.

### MANAGERS HANDLE TEAMS

Coach to Furnish Two Balls for Each Game—Schedule and Rules to Be Put in Book Form—Committees to Handle Eligibility.

Coach Stiehm met the managers of the ten Inter-department League baseball teams in his office yesterday morning to arrange a schedule and appoint the managers of the teams. R. Haskell was made manager of the Freshman Laws, W. Howard of the Junior and Senior Laws, Oliver of the Civil Engineers, J. E. Brown of the Mechanical Engineers, C. W. Beck of the Electrical Engineers, H. R. Harley of the Agricultures, H. Theisen of the Commerce, C. E. DeBord of the Teachers, J. F. Oberfelder of the Freshman Academic, and S. Greenstone of the Chemistry team.

The eligibility committee chosen by the managers assembled are: R. Haskell, H. Theisen and J. E. Brown. The games committee consists of W. Howard, J. F. Oberfelder and C. W. Beck.

Two baseballs have been assured the managers for each game by "Jumbo" Stiehm. The winning team takes the balls for practice games. Some bats and other athletic goods will be secured from the athletic supply room. Such athletic goods as the department has on hand will be supplied to the league. The following

### LETTER FROM FORMER DEAN OF ENGINEERING COLLEGE

Expresses Regret That He Will Not Be Able to Attend Banquet—To Illinois.

The following is an extract from a letter received from Dean C. R. Richards of the University of Illinois:

"I desire to express my appreciation of this opportunity to greet again my friends at the University. I wish that I might find it possible to be in Lincoln during the annual engineering celebration. It is impossible, however, for me to attend the meeting this year.

"I have kept fairly well in touch with the progress which has been made at the University during the past year, and from what I can learn the College of Engineering has shown substantial growth. I heartily congratulate the faculty and students upon the evidences of progress made.

"With personal regards to each of my friends, I am,

"Very cordially yours,  
"C. R. RICHARDS."

The dean needs no introduction in this University. He was one of the most popular deans which the Engineering College ever had. He went from here to the University of Illinois and has been doing good work at all times.

Des Jarden Pill Artist.

Des Jarden of Chicago pitched a no hit, no run game against Iowa last Friday. Des Jarden, who was Walter Camp's all-American football center, is evidently some pill artist.
