

GIRLS' TRACK MEET

ONLY THREE SCHOOLS IN COUNTRY THAT HAVE GIRLS' MEETS

ON WED., MAY THIRTEENTH

Baseball Games Between Freshmen and Sophomores—Track Events to Include Dashes, Hurdles, Running, Shot Put and Relay.

The third annual girls' track meet will be held on Nebraska Field, Wednesday afternoon, May 13, at 2:00 p. m. All girls will be excused from classes for this event and all young men interested may take in the meet for the sum of one dime.

Nebraska is one of the three schools in the country that have girls' track meets; the other two are Vassar and Berkeley. This fact was learned after a thorough investigation of athletic departments of the various schools throughout the country. After the meet the girls of the department expect to compile, and publish their records along with those of the results of the co-ed meets of the other two schools.

The program will be as follows:

Class 1.

Baseball game between the girls of the Freshman and Sophomore classes.

Class 2.

Track Events.

- 25-yard dash.
- 50-yard dash.
- 40-yard hurdle.
- Running high jump.
- Distance throws with basket and base balls.
- 8-pound shot put.
- Pole vault.

Class 3.

Interclass Relay.

Six girls chosen for each team. Representatives of classes will wear their respective colors.

Officials of Meet.

Miss Gittings will have charge of

IDEAL TYPES OF MEN DISCUSSED BY DR. BROWN

Yale Professor Enjoyed at Convocation—Five Different Types of Ideals.

Dr. Charles R. Brown of Yale, who spoke at convocation Thursday morning, was warmly appreciated by the crowd present. Dr. Brown's magnetic personality and voice, and the theme, "What Is Man," drew the attention of the audience in an unusually powerful way.

Dr. Brown traced the development of the ideas of what a man should be to fulfill the ideals of the people through five different stages.

In very early times man was regarded as a victim of circumstance and heredity. His lot was mapped out for him and was unchangeable. There are still remnants of adherents to this belief, who feel that they can take no power or initiative in their own hands, for their fate is settled. For the most part this view is neglected.

The second stage in the ideal man was the age of the fighter. A man was measured by his strength and

TWENTY-FIVE DOLLARS CLEAR ON CANDY SALE

Y. W. C. A. Girls Make Neat Sum With Which to Send Delegate to Estes Park.

The Y. W. C. A. candy sale held on the campus during the Ivy Day festivities cleared almost twenty-five dollars. The money will go toward sending a delegate to the annual convention at Estes Park.

The candy sold almost as rapidly as it could be put into sacks. A stand gaily decorated in University colors formed the center from which the candy was sent out. A large number of girls from the different classes passed among the large crowd with the baskets of candy.

California.

A water polo game is one of the great features of the California swim meet. The game is a great novelty and a great deal of interest is being taken in it.

Illinois.

The board of trustees of the University of Illinois has made appropriations of \$250,000 for a new addition to the chemistry building. Plans are already in shape and have been sent out to the contractors. Work will commence as soon as the contract has been granted. The remodeled and enlarged building is expected to be ready to be occupied next semester.

PHI DELTA CHI INITIATION.

Chancellor Avery Among the Members Initiated at Lindell Wednesday Night.

Phi Delta Chi, the honorary Pharmacy fraternity, initiated the following members at the Lindell Hotel last night: Chancellor Avery, Dr. Benton G. Dales, and A. V. Pearse, of Fairbury.

TRACK TEAM OFF TO AMES THIS AFTERNOON

Sprinters Stale—Nebraska Expects to Show Most Class in Field Events.

The Cornhuskers will leave this afternoon for Des Moines, Iowa. They will arrive in the Hawkeye capital tonight and will stay there until tomorrow morning, when they will take the motor up to the Aggie camp. Coach Reed will accompany the team, which will be composed of Captain Reavis, Lindstrum, Myers, Ross, Reese, Zumbinkle, Scott, Irwin, McMasters, Goetze, Hugg, Kratz, Kubik, Howard, Spohn, Kruse and Nafzleger. The sprinters complain of being stale and that they expect little winning. Nebraska followers, however, expect to see the sprinters do a pretty fast job of traveling. The 100-yard event will be between Irwin and Reese of Nebraska.

NEBRASKA AGGIES SLIP ONE OVER ON COTNER

Farmers Beat Their Neighbor—Aggies Have Several Games Scheduled for the Future.

Last Tuesday afternoon the Ag College walloped Cotner to the tune of 6 to 3. This game took place at the Cotner ball park. It was a regular intercollegiate ball game. Both teams displayed an excellent article of baseball science. Sides pitched the first five innings for the Aggies and was then replaced by Klepser. Klepser doped out a line of regular big league pitching. The lineup: Catcher, "Fat" Morrissey; pitcher, Klepser; first base, Allen and Danly; second Housick; short, Flory; third, Beck and Gardiner; in the field, Pier, Frank, Beck and Watson. Box score: Cotner, 2 in the first and 1 in the eighth. Ags, 1 in the second, 3 in the third, 1 in the seventh and 1 in the eighth.

Manager Harley of the Aggies announces the following games, to which all students are invited: Seward at Seward, Saturday; Fulk Clothier, the following Tuesday. This last game to be pulled off on Nebraska Field. These games are to be the real article in the line of pill juggling and should be seen by all.

Iota Sigma Pi Pledges.

Iota Sigma Pi, the honorary chemical sorority, announces the following pledges: Harriet Anderson of Genoa, Julia Anheuser of Omaha, and Marguerite Dye of Lincoln.

ADVISORY SYSTEM

REGISTRAR ACTS WITH FACULTY MEMBERS ON COMMITTEE.

FOR BEGINNING STUDENTS

Honor System in Some Form is Being Arranged by Special Committee—Dean Sherman Chairman of Investigation Committee.

An advisory investigation committee composed of seven faculty members, Mary Graham, dean of women, and Registrar Vancell K. Greer, reported to the faculty of the College of Arts and Science the following report with the recommendation that:

1. An amended advisory system be adopted.
2. All instructors of professional rank shall be eligible to serve as advisers to students.
3. All students shall select and arrange their courses of study under the advice of members of this group.

Advice and Advisers.

4. For the freshman and the sophomore years a special group of advisers shall be provided, in order that students may be assisted to complete the required subjects as fully as possible within these years. This group of advisers shall consist of such professors as signify their willingness to serve in this capacity.

5. It shall be the duty of advisers to be present in their respective offices during registration week in order to meet the students and to consult with them in regard to work, registration and future plans. It is expected that each adviser will become acquainted with the group of students assigned to his advice, in order that he may be able to aid them in securing the best results attainable in scholarship and as members of the University.

6. Students shall be permitted to choose their elective studies without reference to majors or minors, but

MISS LOWRY VISITS THE UNIVERSITY OF WISCONSIN

Obtains Valuable and Interesting Information Regarding Student Government.

While on her eastern trip to the National Girls' Club convention, Miss Genevieve Lowry, Nebraska's delegate, returned by the way of the University of Wisconsin and investigated conditions there. What she saw and learned will undoubtedly be of great help to the local Girls' Club in planning future progress for the Nebraska University.

The following article is taken from the Wisconsin Daily Cardinal with regard to Miss Lowry's visit:

"Next to Nebraska, I think that Wisconsin is the finest college in the west," said Miss Genevieve Lowry, S. G. A. Conference officer and Nebraska delegate. "The campus is wonderful with its woods and lake, the buildings are beautiful and efficient, the dean of women is splendid, and you are further advanced in self-government than any of the colleges I have visited during my trip."

"I am most interested, not only in the women's self-government associa-
