The DAILY NEBRASKAN purposes to
be the free voice of student sentiment;

as well as offer it; to truthfully picture
college life; to go further than the mere
printing of news by standing for the
highest ideals of the University; in short,
to serve the University of Nebraska.

Pick's Pickings.

Dr. Bessey gave a very interesting
talk on the honor system in his class
Monday morning. We feel that more
of the students should have heard this
educational lecture.

Miss Gittings, director of the Girls'
Physical department, has been afflicted
with the mumps for some days
past. The girls' track meet has been
postponed on this account.

Two professors of the Zoology de-
partment displayed their patriotism
Monday night by attending the Lyric,
where some University pictures are
being shown. See next issue for the
names.

Any students who have any mighty
inspirations along the line of feature
initiation stunts for fraternity fresh-
men kindly turn their dope in at the
Rag office, for such stuff is much in
demand at the present time. A rea-
sonable remuneration will be given
for really phenomenal ideas.

We have it from a faculty member
who is a Gamma Phi from the east
that no charter of this organization
has up to date been granted to any
local group at Nebraska. This state-

ment coming from a member of this
sorority herself should at least be
authoritative. There has been much
rumor about school lately to the ef-
fect that a certain group had put in
an application for a Gamma Phi char-
ter. This was supposed to have been
a local organization composed of six-
teen girls who have given several par-
ties this season. Gamma Phi is gen-
erally conceded to be a member of the
big four national sororities and has
the reputation of being a very con-
servative institution, so any bunch
which lands a charter from them
should consider itself fortunate in
deed.
