and finished the goose by putting a highball into the hands of Schaufelberger, who was herding out in the center lot.

A Gustaf wind arose from the bleachers and the game was called on account of dampness. Old 'Sol' was just setting behind Bix Bay (Bixby) when we arrived in the city. We now gave No. 1 and disbanded, all deciding to go "Dort" again the following year.

N. B. The score will be announced at the next meeting of the Pharmaceutical Society. This being "Alles" for this time. B. P. J.

SENIOR LAWS ROUTED IN DISGRACE YESTERDAY

Business Men Trample on the Mechanics—Teachers Forfeit to the Electricians.

Two games were scheduled in the Inter-department Baseball League for Tuesday. Of these but one was played, that between the business men and the mechanical engineers. This game resulted in a victory for the commercial boys, the score being 16 to 9. The batteries were: Commercial, Ross and Theison; M. E.'s, Newton and Leschinsky. The Teachers failed to appear and hence forfeited to the Electricians. This places three teams tied for second place, with the same two in the lead. The C. E.'s badly defeated the Senior Laws yesterday. Standing of the teams:
