GIRLS' CLUB PARTY

COMBINATION PAGEANT AND PARTY IN TEMPLE SATURDAY.

MISS GRAHAM IN FULL CHARGE

Parts Written by Dr. Alexander, Ruth Sheldon and Miss Paddock—
Dainties Served on the Second Floor.

Saturday afternoon at 2:30 the University Girls' Club gave a combination pageant and party in the Temple. The pageant was divided into three episodes: the first one being the "Primitive Nebraska Maiden," written up by Dr. Alexander and led by Miss Elma Reader, the second being "The Nebraska Girl of the Present," written by Miss Ruth Sheldon, which gave a representation of the campus activities of University girls. The last episode, sketched by Miss Paddock, was "The Nebraska Woman in the World," and was taken from a character in real life, Miss Rustin in the part of National Secretary of the Girls' Club did exceptionally well. During the pageant the girls rose and sang the Cornhusker with a pep that would have done justice to any gridiron battle. After the pageant the young ladies adjourned to the upstairs where they were to be served with pink tea and other kindred dainties. The house was full almost to capacity on second as well as first floor. The Misses Essie Jones and Ella Williams directed the working up of the entertainment while the credit for business management and general supervision goes to Miss Mary Graham. Taking everything into consideration the affair was a remarkable success, and we wish that the men of the school might make as good a showing along some similar line.

NAMES FOR NEW DIRECTORY NOW IN

The Books This Year Will Be Bound in Both Paper and Cloth—
Regular Prices.

The books, which were placed upon the campus by the editors of the student directory, were well filled with names when they were collected Friday evening. Each of the books must have contained nearly three hundred signatures, which will render much aid in getting out the directory. This year a limited number of cloth and leather bound books will be for sale by the management. The price of the book has not been set, but it is thought that they will sell for about 15 cents, the better bound books selling at a little higher price. At a later date the Daily Nebraskan will announce the sale of the directories and the place of sale.

Scandinavian Club.

The Scandinavian Club held its first meeting of the year in Faculty Hall, the other evening. The following officers were elected: President, August Dahlstrom; Vice-President, A. R. Swenson; Secretary-Treasurer, Mrs. S. E. Sim.

First Mass Meeting Friday.

The first mass meeting of the year will be held at 7:30 o'clock Friday night in the University Auditorium. The yell leader for 1914-15 will be elected. All the yells will be practiced and freshmen and others who do not know them will have a chance to learn them.

The speakers will include President Hill and Prof. C. L. Brewer. The band will furnish music for the meeting.—Missourian.

Chorus Registration Still Open.

Registration for University Chorus, M., W., F., 5 p. m., is still open. One hour credit each semester is given for the work. All men who find the 5 o'clock hour inconvenient or impossible may substitute M., 7-8 p. m., for Monday and Wednesday at 5, or they may substitute M., 7-8 p. m., throughout the year in lieu of M., W., F., for one semester.

CLASS POLITICS STILL IN THE AIR

Shoemaker Will Not File—Bob Talbot the Likely Candidate of the Junior Class.

The condition in Senior politics remained the same Saturday night. "Vic" Halligan is the only man who has definitely announced himself. "Bob" Harley who was picked by the gossips last week for Halligan's opponent has not as yet made any formal announcement. With election only a week off it is a pitiable condition of affairs for the Senior class to be in. How will C. L. Rein and the other powers about the campus keep their name and reputation intact with only one candidate?

In the Junior class things seem to have reserved themselves and with Shoemaker refusing to announce himself the most probable candidate at this time seems to be Bob Talbot. Talbot is a Beta and of course will have a strong backing among fraternity men as well as among the non-fraternity men.

The Y. M. C. A. are generally understood to be planning on entering someone for Freshman President but no one has been finally decided upon. The lack of sufficient interest in Bible study and mission work, and the prevalence of smoking among the University students has prompted the Y. M. C. A. to put a candidate in the field. They expect the united support of all contributors to the Y. M. C. A. salary fund, whether Sunday school boys or not, in this, their effort to redeem the University from sin.

Personality.

There is no known rule of heredity for personality, for intrinsic quality. There is a divine right of leadership but it does not descend from father to son; it is conferred in utter disregard of wealth, creed, name, condition or caste,—and it is non-transferable. The personality which creates leadership pushes instinctively above the dead level of mediocrity; and the fight up through the mass is what gives the leader the strength to supplement personality.—Herman Schneider.

ATHLETIC TICKETS

SALE HAS NOT BEEN UP TO THE MARK OF OTHER YEARS.

MORE THAN EVER FOR MONEY

Six Games Besides All of the Basketball Games Open to Students Having the Ticket—Track Meets Also.

By actual count but 100 students here at Nebraska have so far shown their willingness to back student enterprises at this University by purchasing the "Student Ticket." According to the committee in charge, a total of from 1,200 to 1,500 tickets will be necessary to make the blanket plan a financial success for the various interests involved. This means that a thousand tickets yet remain to be sold. The fact that the first game is still to be played has militated against a very heavy advance sale.

The big reason which lay back of the agitation for the blanket fee the past few years was the desire to get all the students to attend all the college functions in which the students are participants. With a great percent of the students on the side lines, or in the Armory college spirit will become a vital force.

The blanket fee is divided among the football, basket ball, track meets and any wrestling match. The fee will also send the University Band to the big game at Iowa, Thanksgiving. The Student Ticket is better than a "closing out sale" at a cheap clothing store; it does provide admission to college activities at less than one-third the price of the single admission charges. The fee has been put low so that it may not be prohibitive to any one.

Four dollars a year is the price of tickets to the big student events and it is also the price of college loyalty.

This in substance was used by the editor of the Iowa State Student which is pushing a similar campaign for student tickets. Only at Iowa they are asking six dollars, and offering only one big game to their students, the Nebraska game on Thanksgiving. Here at Nebraska Guy Reed is offering six games, with Nebraska featuring each time and for only four dollars. Together with this is free admission to eight basketball games, two track meets and a wrestling meet. Students are urged to get behind the student ticket.

FORMER NEBRASKA STUDENT PASSES AWAY

Hoagland Was Prominent in Railroad Work—Dean Stout Pays the Engineer Tribute.

In the death of Albert Leroy Hoagland recently at his home in Lincoln the Burlington railroad's engineering department lost one of its most valued men. Those who worked with him praised him for his kindness of heart and the friendly interest he took in their welfare.

Mr. Hoagland was a Nebraska product, having been born on a farm in (Continued on page 2)

A Queer Letter.

Registrar Greer receives many queer letters. Here is a typical one: "Courtland, Kansas, Sept. 14, 1914.

Dear Sir: Do you teach baseball pitching at the university if not would you please tell me and how much does it cost.

Yours very truly,

Explain Price of Course."

Palladian Reception.

About one hundred students and alumni attended the opening reception of the Palladian Literary Society last Friday evening. A short program was rendered. Miss McClain read a selection; Miss Gillespie sang "The Cuckoo." President Robert Simmons explained the aims and purposes of Palladian. The party was then divided into seventeen groups, each of which presented various stunts. Refreshments were served.

CADETS START REAL WORK ON MONDAY

Seven Recruit and Eleven Regular Companies Out for Work—Lieutenant Parker Enthusiastic.

In the Military department real work will begin Monday. Seven recruit companies have been organized, each company containing sixty-eight men. The eleven old companies are at work at their regular places, but they are very small, ranging from fourteen to twenty men. Company M has the smallest number, while Company A has the largest. Company A is a very remarkable company in many ways. It is the oldest company in the University; has one of the best records; some of the most prominent men have been its captain; it is now the largest company in the University, and to make the climax, it now has the smallest captain in captivity, Captain Graham, whose shrill keen voice is to chastise the men for nine long months.

Commandant Parker will not change the policies of Lieutenant Bowman until the need for a change becomes evident, and in the meantime details will be attended to and worked always with the aim of helping the students. Commandant Parker entered West Point Military School from the state of Texas, graduating in 1903. He has seen eleven years of service and comes to us from Fort William H. Seward, Alaska. Commandant Parker expressed his like for the work and his satisfaction at the way things have started. In many ways this year promises to be the best year for the Military department, for while we do not believe in war, we do like "the soldier man."

Union Reception.

The Union Society held their annual reception Friday evening in their rooms on the third floor of the Temple. About eighty attended. A short program was rendered, consisting of the following numbers: Instrumental Solo.....Edith Athen Reading.....Hallie Workman Vocal Solo.....Myrna Jones The remainder of the evening was pleasantly spent in games designed to acquaint the new people and members. Light refreshments were served.

VARSITY IS WINNER

FRESHMEN GIVE REGULAR SQUAD A HARD PRACTICE GAME.

THE TEAM SHOWS UP WELL

A Thousand Rooters View the First Game of Season—Large Number of Stars in the Freshmen Line-up.

By H. I. Kyle.

Before a crowd of one thousand enthusiastic rooters the Varsity squad trimmed the freshmen to the tune of 39-7, Saturday afternoon. The game was far from a walkaway for the old boys, the struggle being bitter and fierce throughout the hour's play.

When the first whistle blew the opposing line ups were as follows: Cameron.....C..... Moser Abbott.....R.G..... Hughey Shields.....L.G..... Shaw Corey.....R.T..... Kositzky Halligan.....L.T..... Stowell Balis.....R.E..... Kositzky Caley.....L.E..... Riddell Howard.....Q.B..... Cook Wilson.....R.H..... Otopalik Rutherford.....L.H..... Gardner Chamberlain.....F.B..... King

A great many substitutes, however, were used by each side during the game, it being merely for practice and to enable the coaches to get a line on the various candidates.

Halbersleben took the center position during the second half, Fouts and Norris guards, VanMeter and Tippit tackles, Schmrda and Norris ends, DeLamatre, Doyle and Caley halves, Porter quarterback, and Amack full-back were all given a chance to demonstrate their ability.

Rutherford was perhaps the brightest star of the older aggregation, his (Continued on page three)
