BESSEY ON A TRIP

ADDRESSED STUDENTS OF WASHINGTON UNI LAST WEEK

BACK TO NEBRASKA MONDAY

Scheduled For Several Talks—Dr. Pool to Speak Before Botanists of the Central States.

Dr. Bessey will be in St. Louis the latter part of this week as an invited guest to the twenty-fifth anniversary of the founding of the Missouri Botanical Garden. He will also deliver an address before the assemblage which will consist of the leading botanists of the world.

The garden was founded by Mr. Shaw of St. Louis, who endowed it with the greater part of his fortune, and now contains some of the best specimens in the west.

Dr. Bessey was also prevailed upon by the chancellor of the institution to deliver the convocation address to the students of Washington University Wednesday morning. He will take as his subject, "From Moscow to Arratt: A Professor's Journey Through Russia."

The Botanists of the Central States will also be in session in St. Louis Saturday and Dr. Bessey will probably drop in on them to help represent Nebraska. Dr. Pool is to read a paper at this meeting, entitled, "Plants that Have Come Into the Roger's Woods."

As a windup to his stay in St. Louis, Dr. Bessey will be the guest of honor at a banquet and reunion at the Marquette hotel Saturday night, held by the U. of N. Club of Missouri. He will have charge of his classes as usual Monday morning.

REGISTRATION FOR KOSMET TRYOUTS

Tryouts May Be in Song or Acting Parts—Register Either Today or Tomorrow in Temple.

Those desiring to try out for the Kosmet Klub show should register either today or tomorrow at the information desk in the Temple. The tryouts will be held Wednesday evening in the Temple Theatre.

Tryouts may be made either with a song or with a light comedy acting part. There will be a pianist present to play music for any applicants not having their own accompanist. The play this year has lots of college atmosphere and presents a great variety of parts—everything from a football coach down to the humble grind. So all the local thespians ought to find suitable roles in which to display their talents.

The strong probability that the play will be taken to Omaha and Beatrice this year has started the registration for tryouts off with a rush. Professor Scott predicts that with the keen interest shown in the tryouts, and exceptional possibilities offered by the play, that the show will be the biggest success ever scored by the Klub.

FOREST CLUB MEETING

The Forest Club is very fortunate in having Mr. Frank Harrison to deliver an illustrated lecture on "The Forests of Central America." Mr. Harrison has made several trips to Central America and a very interesting as well as educational program is assured. The lecture will begin at 7:30 p. m., Tuesday, October 13, in Nebraska Hall, room 110. There is no admission and non-members are cordially invited.

H. R. RIGDON,
Acting Secretary Forest Club.

NEW UNI DIRECTORY IS ON SALE TODAY

Bigger, Better and Handier Than Ever Before—Price This Year Will Be Fifteen Cents.

The new University Directory will be put on sale today. Copies may be secured at the Law College, Armory, Library, University Hall, and the Temple. The business manager stated that 2,000 copies had been ordered, which is an increase of 600 over last year. The copies last year only lasted a day and a half and there were many demands which could not be supplied.

The directory this year is much better arranged than ever before. The management have arranged it so that all the telephone numbers come at the end of the lines and directly under each other, so that one may find any number easily and quickly. The book seems to be much more accurate this year also, due to the fact that it was checked over twice with the Registrar's lists and address books. A directory of the students attending Temple High is included in the back of the book.

A few books have been bound in leather for office use, and these should be secured early as there are but a few copies of them to be had.

The management wish to express their appreciation to Mr. C. E. Benz, who secured the campus and fraternity telephone numbers, and also to Mr. Glen Everts, who secured a list of all fraternity members and the particular fraternity to which they belonged.

PHI DELTA THETA PROPERTY INJURED

Fire Destroys Lower Floor—Caused by Jealous Freshman Starting Furnace.

Yesterday afternoon the fire department answered a "hurry up" call to the Phi Delta Theta home, where they found the lower floor in flames. The fire was caused by a freshman who started the furnace fire but who failed to remove an old broken bunch of shingles from near the furnace. These shingles contrary to instructions deliaered to the freshman, so he says, caught on fire and a general conflagration was the result.

The fire burned up through the floor and badly damaged the lower floor. A shower bath, delivered by the energetic firemen, helped increase the damage. Lucky for the Phi Deltas they had their house insured and so can remodel to suit themselves. They doubtless will install a new spanking machine for freshmen who in the future start things "which they cannot finish."

He had gone to the game with some of his friends and it was shortly after the game had started that he had an attack of uraemic poisoning. He was at once rushed to the hospital, but did not regain consciousness.

Mr. Yates, the son of Mr. and Mrs. E. G. Yates, 2145 A street, was a member of the 1913 law class. He received his A. B. in Chemistry at the University in 1910. He was a member of the Acacia fraternity and a very prominent man in school affairs. He composed one of the college songs and was also an officer in one of the cadet battalions.

Since his graduation he has been in the employment of C. Petrus Peterson law firm and had a very brilliant future before him.

Miss Katherine Yates, a sister of Mr. Yates, was killed in an automobile accident over a year ago while on her way to attend a play.

LINCOLN TO PLAY OMAHA SATURDAY

Will Play on Nebraska Field—Kansas Results Announced by Plays at This Game.

Next Saturday Lincoln High will play the high school from Omaha on Nebraska field while the Nebraska University boys are running over the Kansas farmers. The game Saturday will start at 3:30 and there will be a curtain raiser between the second teams representing the Omaha and Lincoln schools. This second contest will start promptly at 2:00 p. m.

During the past years of football activity Lincoln has played Omaha sixteen games and Lincoln has won seven while Omaha has the honor of winning just the same number. Two of the sixteen games resulted in a tie. So according to the dope on the situation the game Saturday should be a go-getter from the first kick-off. Students of the University of Nebraska may purchase season tickets to the High School game for one dollar. There are four games on the home ground and the teams representing the schools of Omaha, Aurora, York, and Topeka, will be the four victims. Tickets for the game Saturday will be fifty cents unless purchased before Thursday at the High School where they will be only thirty-five cents.

WORK OF STUDENTS

DICKINSON AND DEBEL WRITE EXCELLENT PAMPHLETS.

DECLARED TO BE ABLE WORK

"Bank Deposit Guaranty in Nebraska," and "History of the Primary in Nebraska," the Two Subjects.

Mr. Sheldon of the Legislative Reference Library has two very interesting pamphlets now ready for the printer. One of these is a work on, "Bank Deposit Guaranty in Nebraska," written by Z. Clark Dickinson, a student in the Political Economy Department last year, and now a student at Harvard Law School. The other is an article on "History of the Primary in Nebraska." This article was prepared by Mr. N. H. Debel while a Fellow in the Political Science Department last year. Mr. Debel is now at the University of Illinois.

Mr. Sheldon says that these are two very able pieces of work, both containing material never before printed. Much research work and a great deal of time was spent in gathering the material preparing the pamphlets. Those who are interested in the very latest material on these subjects will soon be able to satisfy their desires.

Interfrat Secretary.

A good man, with experience in buying, is needed to act as interfraternity secretary. About four hours' work daily. A good salary will be paid to the right man. Send letter of application with references to P. M. Buck, Jr., U. 107. Call on or before Thursday noon, October 15.
