REST.

Sleepe after toyle, port after stormie
seas,
Ease after warre, death after life doth
greatly please. —Spencer.

For the fifth time beat Kansas.

We note with pleasure that Potter
is scheduled to play tomorrow.

The Senior Hop paid out. D. D.
Mapes deserves credit for good man-
agement.

Keep your eye on Halligan and
Howard. This is the last game in
their football career before the home
folks.

Even though we are not registered
in the law college, we can make just
as much noise if we try.

LAW "PEP."

You have got to give it to the
"laws." With all their faults, they
have as much "pep" as the rest of the
school put together. Watch them to-
morrow. With Kansas rooters to the
right and to the left of them, some-
thing is sure to happen. With the
Blackstone rooters, under the leader-
ship of Ferris, Swarr, Prince, Chatt,
and May, that "Jay-hawk chalk" stuff
will sound feeble in comparison.

NOTICE!

Scarlet and Cream hats will be
necessary for both boys' and
girls' rooting sections Saturday.
Official Rooters' Hats on sale at
Magee's at cost, 25c. Get yours

than these, refreshments, which will
be served to all. Songs to be learned
and sung at Kansas-Nebraska game
will be passed out during the evening.
Toward the close of the party sev-
eral old-fashioned dances will be an-
nounced and these are sure to at-
tract attention in no less degree than
the grand march.

In speaking of the party, Dean Eng-
berg said: "It seems to me that the
idea is a good one. It will bring about
a more unified spirit and for this
reason alone would be beneficial. I
shall try to be there to enjoy at least
part of the evening. All students who
possibly can should take advantage of
this opportunity to get together."

Miss Parks believes that if these
first "All University Nights" are a suc-
cess the new gymnasium and buildings
for the "All University Night" or
"mixer" will be put up.

Every student of the University is
urged to attend. On the student body
rests the success of the affair and they
should assure it permanence in the
social activities of the school. As the
"mixer" is self-supporting an admis-
sion of a quarter will be charged.

Remember the time—8 o'clock—and
the place—the Armory. "The Girl"
will be there.

ALL-UNIVERSITY PARTY.

The indications are that the all-
University party in the Armory to-
night will be a great success. Liter-
ally hundreds have signified their in-
tention of going. For those who dance
there will be dancing, and for those
who don't want to dance or get tired
of dancing, clever games have been
prepared by Miss Park.

Students, alumni, and members of
the faculty will meet together for a
good time. This social function meets
a long-felt need. It is the beginning
of better, happier and more demo-
cratic social life at Nebraska. Unless
unavoidably detained, good form de-
mands the attendance of all of us.

Jones' Orchestra, phone L-9666.
