YESTERDAY'S RALLY

STUDENTS START TEAM TO THEIR FINAL VICTORY.

BAND GIVES "PEP" WITH MUSIC

Not as Many at Train as Was Hoped For But They Made up For Lack of Numbers by Their Enthusiasm.

Yesterday afternoon at 4:10 the students gathered at the Rock Island station to bid farewell to the football heroes. The band accompanied the rooters to the depot and helped cheer the departing victors over the Iowa school. There were not as many cheerers as was expected, due probably to the lateness in making the plans for the rally, but those who did gather made up for their lack of numbers by an exceeding amount of enthusiasm. The team, which tomorrow will ramble through our sister school's line seemed to feel their importance and showed in their every movement that they expected to do or die.

Captain Halligan was the last player to board the train. His tardiness was caused by the fact that a little electric was drawn closely up to the station platform and contained four young ladies who persisted in giving the leader of the Cornhuskers his final instructions. When finally he did tear himself away and swung onto the steps of the departing train a smile of confidence extended from ear to ear. It will be a hard matter for the Iowa boys to erase this smile which has played such an important part in the football games this season.

It was a queer "bunch" which slowly returned to the University campus. Everyone was talking in the football slogan and explaining just when he intended to start across the Missouri. From the different lines of talk given out there will be a good delegation of Nebraska rooters on the bleachers tomorrow.

The University cheer leaders accompanied the team. Oberfelder and Taylor were chosen by the Innocents to lead the Nebraska cheers.

LINCOLN HIGH PLAYS YORK HIGH TOMORROW

Will Settle Championship of State—Results of Cornhusker Game to be Given Every Fifteen Minutes.

Those who are not fortunate enough to be able to go to Iowa City Saturday, will have a chance to see what is perhaps the fastest High School team ever developed in Nebraska.

On Saturday Lincoln, state champions, play York. Although Lincoln will undoubtedly win, York has a good team, having tied Beatrice and lost to Omaha by a very small score, and will give Lincoln a hard fight. The game will be well worth seeing.

At the end of each quarter the returns from the Cornhusker-Iowa game will be announced.

SENIOR CAPS WILL BE WORN NEXT WEEK

Old Custom of Wearing Caps Last Convocation Before Thanksgiving Will be Revived.

The Senior caps are out earlier than usual this year. Miss Norma Kidd states that the reason for this is that the Senior girls are going to revive the custom of wearing their caps to the last convocation before Thanksgiving. This custom has been neglected unfortunately for the last five years but it will be used from now on.

EVERYTHING IS READY FOR SOPHOMORE HOP

Limited to One Hundred and Ten Couples—Held at Rosewilde Hall—Hagensick's Orchestra.

The opinion of the Committee, and every other indication, is that the Sophomore Hop which is to be given in the Rosewilde Hall tonight will be a big success both financially and socially. The Committee has limited the sale of tickets to one hundred and ten couples to avoid too great a crowd, and has engaged the services of Hagensick's five-piece orchestra, so that those who are there will not only find room to dance, but will have the right kind of music also.

It is expected that all of the tickets will be disposed of before tonight, some of the boys having arranged for dates but have not as yet secured tickets.

Refreshments will be served in the form of punch, ices, wafers and candy. Dean and Mrs. Engberg, and Lieutenant and Mrs. Parker will be chaperones.

GIRLS' LEAVE FOR ANNUAL CONFERENCE

National Secretary and Two Delegates Depart For Evanston—Will Return First of Next Week.

Genevieve Lowry, national secretary of Girls' Clubs, started Wednesday with the two delegates, Edna Froyd and Geneva Seeger to the annual conference of Women's Self-Government Association at the Northwestern University, Evanston, Illinois. All the schools of the middle west belong to this conference and will be represented at the convention. Cornell University of Ithaca, New York, has recently requested membership since she feels that conditions in the schools of the middle west correspond more nearly to hers than those of any of the eastern colleges.

Many vital university problems will be discussed, such as the success of student union, student self-government and the honor system, dormitory life, and the point system was considered here last year but not formally adopted. They will also talk about co-operative houses for girls, methods for financial aids, as loan funds and an employment bureau, and how much vocational training should be emphasized in the college curriculum.

It is hoped that the conference will be held here next year. Invitations have been sent by both Chancellor Avery and the Girls' Club and the three girls are expecting to return the first of next week with the promise that the next meeting will be held in Nebraska.

A BIG ART EXHIBIT

DISPLAY IN ART GALLERY FIRST THREE WEEKS OF DECEMBER.

FROM CARNIGIE INSTITUTE

First Time Paintings Have Been Shown—Exhibit Consists of Fifty Fine Paintings—Ten by American Artists.

Absolutely the biggest and finest exhibit of its kind ever held in the state of Nebraska will be shown in the Art Gallery the first three weeks in December. It is only very seldom that a person is given an opportunity to see such an exhibition as this will be and no student should neglect the privilege of making himself acquainted with the greatest artists of the present day.

This exhibit comes from the Carnegie Art Institute, and it is the very first time that these paintings have been shown at any other place. This year the exhibit will be shown only at Chicago, Worcester, Toledo, Indianapolis, Minneapolis, Buffalo, Rochester, and here. The fact that Nebraska is ranked with these large schools shows how the school of fine arts is regarded by the other art schools of the country.

The exhibit consists of fifty paintings so it will crowd the art gallery to the limit. Forty of these paintings are by foreign artists, while the remaining ten are by American artists.

Besides these paintings about half a dozen of Dr. Lawton Parker's paintings will be shown. Dr. Wharton was given an honorary Doctor's degree last commencement. Last year he received the highest award at the Paris salon.

The following is a list of the pieces that will be shown:

- W. Dacres Adams—The Monument.
- Edmond Aman-Jean—Portrait of the family of Aman-Jean.
- S. J. Lamorna Birch—October: The River Course near Montreuil Sur-Mer.
- Allan Barr—Isabel (lent by Hackley Art Gallery).
- Jacques Emile Blanche—Anniversary.
- Stephen Bosznay—By the River.
- Henry Caro-Delvaile—The Young Maid.
- Max Clarenbach—Garden.
- Charles Cottet—Port of Douarnenez, Brittany 2.
- John Crealock—The Red Sofa.
- Ludwig Dill—Evening: Junipers in Winter.

Nebraska kidded us about our excellent prophecies about the Gopher game. In a couple of days we will be prepared to make an equally correct one about Saturday's game.—Daily Iowan.

But in whose favor will the score be?

VACATION TO BEGIN NEXT WEDNESDAY

Authorities Request Notice to be Given to That Effect—Some Grinds May Not Know of It.

The Daily Nebraskan has been requested to announce, for the benefit of those who have been so unfortunate as to be in ignorance of the fact, that the annual Thanksgiving vacation commences at 12 m. sharp on Wednesday, November 25. It might also be well to state that the instructors are as one in asking the Nebraskan to inform innocent Freshmen and forgetful upperclassmen that the alluring habit of missing classes the day before and the day after the vacation will be met with a very determined action on the part of the instructors to show the students just how very much their presence was desired at these particular classes. Just why instructors are so severe as to attendance on these particular days is hard for many students to understand. The only reason that comes to mind is the desire of the different instructors to keep the routine of their work as complete as possible, which the Turkey Day recess breaks into. To keep the work as intact as possible it is desirable that every student be present. It is suggested in good faith that loyal Cornhuskers who left and are leaving Lincoln by the hundreds for Iowa City these last three or four days, catch the Rock Island through freight back to Lincoln Sunday morning, that they may be home in time for Monday's classes.

TEAM LEFT FOR IOWA

TWENTY-ONE MEN MAKE THE TRIP TO HAWKEYE CAMP

HALLIGAN IS VERY CONFIDENT

Regulars Are All in Good Condition and Expect to Put Up the Hardest Fight of the Season.

By H. I. Kyle.

The last practice of the 1914 football season was held yesterday afternoon at one-thirty o'clock on the Nebraska field. There was no scrimmage, the time being devoted entirely to signal running. Immediately after the practice the squad was hauled to the Rock Island depot, where they took the train for Omaha. They were feasted by the business men of Omaha last night, after which they began their journey to Cedar Rapids, Iowa, where they will remain today, using the Coe College athletic field for practice this afternoon. They will make their way to Iowa City tomorrow morning.

The players who made the trip are Captain Halligan, Potter, Howard, Rutherford, Chamberlain, Delamatre, Cameron, Abbott, Shields, Corey, Balis, Doyle, Porter, Gross, Caley, Selzer, Fouts, Hawkins, Norris, Halberslaben and Dale. The regulars are all in very good condition, and confident of victory, although anticipating an exceptionally hard struggle. "Oh, we'll beat them all right," said Captain Halligan, as he stepped on the train. "Not by a big score, perhaps, but enough to win the game, anyway." Coach Stiehm smiled broadly, but declined to make any predictions.

With the hope of a post-season game gone, tomorrow's struggle will mark the close of Nebraska's 1914 gridiron season. After a poor start the Cornhuskers struck their championship stride in the Kansas Aggie game and maintained it throughout the remainder of the schedule. Should they win tomorrow's game, their claim to the national championship will rest upon as firm ground as that of any team in the country, east or west.

GOOD ATTENDANCE AT CHURCH DINNER

Presbyterians Give Dinner For Young People—Everyone Reports a "Rousing" Good Time.

The ladies of the Presbyterian church gave a 6:30 dinner for the young people last evening. A large number were out and a very active interest was shown by everyone. The purpose of the meeting was for a general good time and to give the people a chance to get acquainted with each other. This was the third social meeting of the year, the former two meetings including a Hallowe'en party and a reception in the early part of the year. Plans are being made for a Christmas party and a Valentine party. Everyone who was present reports a rousing good time, and the success of the future parties is assured.
