**COLONEL SHEPHERD'S
TRIBUTE TO MOUTH**

Claims That Mouth is Most Important
Organ of Human Body—Outlines
Some of its Manifold Duties

The mouth is one of the most important organs of the human body. It is located in the upper part of the face for the purpose of talking, laughing, singing, eating, drinking, kissing, and is a place where whiskers meet and part.

It smokes, drinks, swears, lies, prays and tells the truth—sometimes.

Some mouths look like Cupid's bow, and remind one of heaven. Others look like a frankfurter sandwich, and remind one of the other place.

Some have an odor of roses and others smell like limburger cheese.

It's a corn sheller, meat chopper, potato masher, nut cracker, bone polisher, and hash machine.

It's a receptacle for peanuts, popcorn, chestnuts, and a tango hall for chewing gum.

It's a cavern for ice cream, candy, soda, and a garbage can for chocolate.

It's a palace for lobsters, oysters, clams, salads, and a pantry for pies.

It's a cuspidor for chewing tobacco, snuff, pipes, cigars, and a woodshed for tooth picks.

It's the old maid's reservoir for tea and cocoa, and the coffee fiend's foretaste of heaven.

It's the grocer's friend, the butcher's vault for the dead, the rumseller's sewer, and the dentist's safe deposit for gold.

It's the druggist's medicine chest for pills, castor oil and other delicacies, and the undertaker's funeral director.

It's the rich man's buffet for wines, cocktails and champagne, and the poor man's rumshop for whiskey, rum and beer.

It's the widow's lamenter, and the

bachelor's rejoicer, the lover's persuader, and the stenographer's charmer.

It's the father's commander, the mother's advisor, the husband's grumbler, the wife's scolder, the boy's teaser, the girl's chatterbox, and the suffragette's hell-raiser.

It's the tattler's telephone, the bragger's trumpet, the slanderer's phonograph and the agitator's megaphone.

It's the philosopher's educator, the statesman's magnetizer, the doctor's helper and the preacher's consoler, the gambler's bluffer, and the drummer's joker.

It's the judge's condemner, the lawyer's prevaricator, the prisoner's appealer, and the jailer's silencer.

It's the politician's promiser, the pessimist's knocker, the optimist's booster, the bunko-steerer's deceiver, and the policeman's starter.

It's the millionaire's booster, the beggar's pleader, the deacon's exhorter, the coward's bragger, the hero's calmer, and the barber's nuisance.

It's the book agent's inducer, the salesman's persuader, the actor's irritator, the singer's music-box, and the jeweler's hypnotizer.

It's the stump-speaker's alarmer, the afterdinner speaker's spellbinder, and toastmaster's roaster.

It speaks for fear, superstition, cowardice, tyranny, indecency, intolerance, ignorance and persecution.

It's the oracle of bravery, manhood and intelligence.

It makes war, peace, trouble, pleasure, friends and enemies.

It's a hell-hole for the lies of the faker, swindler and perjurer.

It's a palace for the proclamation of truth, honor and virtue.

It indicates the wise man, indicates the fool, proclaims the blackguard, announces the gentleman and tells mankind of your personality.

It's the world's greatest liar.
