Rumor has it that plans for Extension Week are receiving careful consideration by influential powers about the campus. The Nebraskan votes in favor of it.

The Peru Glee Club are coming to entertain us. What has happened to our Nebraska Glee Club? The men practice all year, but seldom make an appearance. What's the reason?

Since there will not be an issue of the Nebraskan on Monday, practically the last word on candidates will be in Friday's paper. Candidates are urged to let us know about themselves today.

Everyone Working Hard on Respective Campaigns—Three Candidates For Sophomore President

R. B. Lebas is finally out for Freshman president. Mr. Lebas could not be found last night to confirm the report. But his frat brothers were quite certain that he was in the race so it is reasonably probable that he has thrown his hat in the ring. So far he is the only candidate for this office but it is rumored that several Freshmen are waiting to surprise their friends by an eleventh hour announcement.

For the other offices the race is about the same. No new candidates have announced themselves nor have those already entered signified any intention of withdrawing. Rumor has it that a dark horse is hard at work among the Seniors and is only waiting for the complete organization before announcing himself for the office. In the meanwhile Sjogren and Zumwinkel are hard at work on their campaigns.

Ruth Sheldon and Perry Spencer are the only ones who have entered the Junior race. Both have been very much occupied with their studies the last few days and have been laying down on their campaigns somewhat but their friends are busy working for them.

The big race comes in the Sophomore class. The fight here is between Swenson, Hayes and Marsh. Swenson is the only candidate who has declared himself in favor of an agreement between the several candidates for the abolition of electioneering on the campus election day.

Clear and Frey still have a clear track for the Junior managing editorship and are running neck and neck for the goal. Schwab is the only candidate for the office of editor-in-chief. It is not likely that he will meet with any opposition as he is the present managing editor and precedent has always given this office to the managing editor.

GIRLS' SWIMMING

CLASS IS DOUBTFUL

Lessons Will Not Be Continued Unless More Signify Intention of Joining

The girls' swimming class may never come to life for the lack of twelve names on the list in the locker room of the gymnasium. Forty girls are required to make the class a reality. Twenty-eight girls have signed. Any girl may join the class by signing her name on the list in the locker room. One dollar is the fee, which entitles the signer to swim five times in the Y. M. C. A. The girls' swimming class is an activity which has been neglected in the past, but one which should be enthusiastically supported. Don't let the class fall through just because of lack of interest.
