the Sophomore high office. Swenson is in the scrap for certain; the others are rumored. Swenson is a barb who was on the Freshman debating team last year that won the interclass championship, and this year is a member of the Sophomore team.

For Senior president Mr. O. W. Sjogren is the only man who has so far announced himself. Mr. Zumwinkel, who was quoted as intending to enter the race has since denied the statement. Sjogren is a member of the Innocents, Alpha Zeta, the honorary agricultural society, Sigma Tau, honorary engineering society and a Senior in the Engineering College.

Next Monday night, following the annual midwinter commencement exercises a reception will be given in Faculty Hall in honor of the graduates. The Black Masques have charge of the affair and will serve refreshments during the evening.

UNIVERSITY MIXER CHARTER DAY FEATURE

Black Masques to Have Charge of Entertainment to be Given After Commencement Exercises

The University will formally celebrate its birthday Monday. The usual events held on this day will be given again this year. That is the athletic meet in the afternoon in Memorial Hall and the annual midwinter commencement at the Temple Theatre in the evening. But this year there will be an all-University mixer besides.

The athletic events will be:

1. 25-yard dash.
2. Pole vault.
3. 12-pound shot put.
4. Fence vault.
5. Running high jump.
6. Running high kick.
7. Rope climb.
8. Interclass relay, Senior, Junior, Sophomore and Freshmen.

Last year this contest was hotly

contested from start to finish. The record for the 25-yard dash is held by E. W. Brannon, who covered that distance in three seconds. Eleven feet 2 inches is the record for the pole vault, won by A. C. Lindstrum in 1913. In that same year Herbert Reese made the shot-put record, throwing the shot 44 feet 7 inches. A. B. Chain, '09, still holds the fence vault record, having made 6 feet 7½ inches. Another old record is that of the running high jump—5 feet 9 inches—which was made in 1907 by Paul Athes, and tied in that same year by J. C. Knode. Another 1913 record is the running high kick, which will probably not be beaten for a long time. The record is 9 feet 9 inches,

made by C. B. ("Seven") Myers. The oldest record is the 18-foot rope climb, made in 6 seconds, and held by L. Peck, '06.

The mixer will be held in the afternoon this time. Besides the track meet, there will be a good program, all the features of which will be new and novel. There will be dancing and other entertainments for those who do not dance.

Doctor Bessey Unimproved

At a late hour last evening Doctor Bessey's condition was very critical. He remained much the same throughout yesterday, but became restless last evening and seemed somewhat weaker.
