FIVE SKETCHES CHOSEN FROM
LARGE NUMBER SUBMITTED

COMMITTEE ANNOUNCEMENT

Charles Hauptman States That Committee Is Working Hard on the Final Plans for University Night—March 20th

The University Night committee have selected the sketches which will compose the entertainment on March 20th. Charles Hauptman, as chairman of the committee, stated last night that the committee were working hard on the final plans for the program.

There were ten sketches submitted by the different organizations, colleges and individuals around school, and out of this number five were chosen. The sketches selected are: Engineers, Law, Fraternity, Sigma Delta Chi, and Pharmacy. The committee announced, however, that this selection was subject to change according to the way in which the sketches were finally worked up. One or two of those submitted have not had a careful reading and so another may yet be added to the above list. There were more sketches submitted this year than at any former time, and it is understood that the quality of the work is of a much higher grade than that of any former year.

Besides these little plays, the committee has arranged to have four curtain stunts. These will be on the order of last year. They have not all been chosen, but the Komensky Club will at least present a little stunt, while an athletic stunt will compose one of the others. Two more are yet to be selected.

Last year the Oliver Theatre was crowded with students who sat in judgment on their fellow students' work along the writers' line. Last year's University Night was said to be the best ever given, but already the different stunts are nearly as good as those of the past year, and with four weeks in which to work them up they should approach the perfect.

A small admission fee of ten cents is charged each student. This fee is charged in order to make University Night perfectly self-sustaining. No extra charge will be made for the reservation of seats.

The committee is composed of Charles Hauptman, chairman, Otto Zumwinkel, Herbert Reese and R. L. Ewing. This committee will have complete charge of all the different sketches as well as their presentation.

This entertainment will be given at the Oliver Theatre on the evening of March 20th. The Oliver will seat half of the student body only, so plan on coming early and hearing your friends in student sketches.

The Mask and Wig Club of the University of Pennsylvania is to present the university with a \$25,000 house to be used as official residence of the provost. About fifteen years ago the club gave to the trustees a few thousand dollars and each year since they have added to the amount.

Colorado Freshmen Have Three Records

New idea of filling out three records for each freshman in the University of Colorado. The Registrar hopes to have a complete record of grades mailed by Saturday, February 27.

The three records of the freshmen inform them, their parents, and their high school of their grades. Scholarship of the various organizations will be compiled as soon as the records are finished.

STATE CONFERENCE HELD IN HASTINGS

Many Students Plan on Attending the State Conference of College Men and Women Held Next Week

A number of students are planning to attend the State Conference of College Men and Women, which is to be held at Hastings, February 26 to 28. The conference includes the Y. M. C. A. and Y. W. C. A. and the Student Volunteers.

Mr. J. Lovell Murray and Miss Maude Kelsey of New York, traveling secretaries of the Student Volunteers, and Miss Adella Dodge of Minneapolis are among the speakers.

Entertainment is furnished by the students of Hastings College, so the only expense will be \$4.38, which includes railroad fare and registration. It is hoped that the University organizations will be well represented.

BOXING PROPOSITION BEFORE GYM CLASSES

Many of Those in Classes Fail to Take Interest in Idea Proposed—Mat-ter is Submitted to Vote

The boxing proposition has not yet been voted down by the gymnasium classes. So far the majority of the morning and afternoon division have voted for it, but as two-thirds of those taking gym must vote for it, there seems to be a doubt as to whether it will be installed or not. The reason for the semi-failure of this proposition so far is due to the ignorance of the class as to what it really is and to the benefits which would be derived from such a course. This is the proposition: Each student will pay 25 cents for the use of a pair of gloves for the semester, unless he has a pair. These gloves will be secured from Spaldings and will be good ones. As for the benefits which are to be secured from this course, any one knows that the opportunity of learning this art at this price cannot be overlooked.

KOSMET REHEARSAL

LAST REAL REHEARSAL OF "THE EASY MARK" YESTERDAY

TOMORROW NIGHT AT OLIVER

Number of Good Seats Still Remain—Play is Full of Snappy Songs, With Lots of University Pep and Ginger

The last real rehearsal of the Kosmet Klub's fourth production, "The Easy Mark," was held in the Temple last night. Tomorrow night the curtain will rise on the best play in the history of the Kosmet Klub. Too much cannot be said as to the merit of the play. The author has succeeded in giving it the life and personal appeal which bring the audience into touch with it, and encourages the natural abilities of the players. Every member of the cast is in perfect touch with his characterization and interprets it with an understanding which is bound to make the play the greatest success that Kosmet has ever had.

Much of the strength of the play is due to the clever dancing and lively songs. There are four scenes, with chorus and dancing specialties, which are unusually strong, the Chinese, Grind, Moonlight and Bungalow scenes.

The plot is centered about Tack Hawthorne, an athlete of great ability, who is persuaded to cast his lot with Neigh College. A clever climax is built upon his career at college, which, like all comedies, ends happily.

The seat sale for the play is round.

GIRL'S SWIMMING MAY YET BE CONTINUED

More Signers to the List Will Make the Swimming Classes Possible

Although the required forty girls did not sign for the extra swimming lessons, they may be continued. The list is now in Miss Parks' office and is still open to signatures. At present there are thirty-four names. Miss Parks hopes to come to an arrangement with Professor Clapp so that the swims may be given. At present there are no definite plans. No swimming was held Wednesday. If there are sufficient names, swimming may continue next Wednesday.

DANCE IN ARMORY AFTER BALL GAME

Nebraska-Drake Game Saturday Afternoon—Five-Piece Orchestra Will Play for Dance

A free dance will be given in the Armory immediately following the basketball game, Nebraska vs. Drake, Saturday afternoon. The dance will probably start at 4 o'clock. A six-piece orchestra will furnish the music. Light refreshments will be served.

Cornhusker Snap Shots

The editor of the Cornhusker announced yesterday afternoon that all fraternity and sorority snap shots would have to be in by Friday evening or the page reserved for them would be turned in blank. The editors of this year's annual are making special efforts to put the book out earlier than usual and if the different organizations about school will cooperate with them, their efforts will bear fruit.

A Clean Game

The Daily Iowan has been waging war on the big universities of the "Big Nine" Conference in an attempt to destroy their policy of slighting, from the Iowa point of view, the smaller schools of the Conference in schedule making. The attitude of Chicago and Wisconsin has been particularly criticised, and the demand made that the Hawkeye institution be given as much consideration as any other.—Exchange.

DRAMATIC CLUB PLAY GIVEN NEXT MONTH

"Monsieur Beaucaire," a French Play, Will Be Given at the Temple—Entire Cast Announced Soon

The Dramatic Club will put on "Monsieur Beaucaire" at the Temple Theatre some time the first of next month. Ella Williams will take the part of Lady Mary and Leon Snyder will play the other lead as Monsieur Beaucaire.

The setting is in the French town of Bath. The action is intense throughout all the scenes. The plot is very interesting and the outcome is quite satisfactory.

The remainder of the cast will not be announced at present because of changes which may be made. The characters are all strong and the people filling the parts are working hard and turning out original interpretations.

MINNESOTA IS TO HAVE SMOKE VOTE

University Council Decides to Hold a special Election in Each Class

It was decided at the last meeting of the All-University Council at the University of Minnesota to hold a special election in each class of the university to decide once and for all the question of smoking in the Men's building. Each representative on the council will hold a special election in his class at which students will answer the following four questions: "Do you favor smoking in one room of the Men's building? In all rooms? In all but the dining-room? Do you favor the prohibiting of all smoking?"

It might be interesting if such a vote was taken here at Nebraska. The law students have been complaining all winter about being forced to stand at the gates between classes during zero weather in order to get a puff of encouragement.

BULLDOGS ARE NEXT

Drake Quintet Will Be Here Friday and Saturday

BOTH GAMES IN AFTERNOON

Friday's Game Played in Afternoon to Accommodate Kosmet Klub Play—Big Matinee Dance After Saturday's Encounter

Coach Griffith and his Drake Bulldogs will spend the week-end with the Cornhuskers. Two entertainments are scheduled on the afternoons of Friday and Saturday. Friday's entertainment will commence at four o'clock—in this way enabling students to see the initial game of the series and not miss the Kosmet Klub play. The game Saturday will be held in the afternoon out of deference to the Bulldogs, who have a week of hard games facing them after their visit with the Cornhuskers. After this game a matinee dance will be held in honor of Coach Griffith and his men.

The coming of the Bulldogs means two fast, clean, exciting contests, contests which will without doubt be the best played on the home floor so far this season. Drake brings with her the reputation of being a fast, clean, consistent team, one which never quits playing basketball until the final whistle blows, and which is as likely to win a game during the last few minutes of play as during the earlier and more abundant moments. When Nebraska met Drake at Des Moines last week the Huskers were at their best, playing the most brilliant basketball of the season in the second game with Drake. The Huskers are just beginning to adjust themselves to new conditions and the men who are filling the spacious shoes of the absent regulars are developing into form which rivals that of their predecessors. Nebraska's early season games were somewhat of a disappointment, but the Huskers are playing excellent basketball at the present time. In spite of the fact that there are only two old regulars, Rutherford and Hugg, on the team at this time, teamwork has been developed to a higher point than in the earlier games when the other regulars were in.

Practice this week consisted mostly in developing teamwork and new offensive plays. Campbell, the little forward, who proved so troublesome to Drake and Ames, showed up to good advantage, as did his running mates, Gardner and Theisen. At guards, Rutherford, Sheldon and Hugg handled the spheroid deftly and covered the floor in good style. Keifer, playing in the place of the crippled Shields, did consistent work at center.

Elsewhere in today's Nebraskan is given a table of the standing of the first five men up to the present time, and the names of the five leading men at the end of the seasons of 1914 and 1913. It offers some interesting sidelights upon this year's squad. Only one man who appears on the 1914 list is to be found in this year's lineup, and none of the men appearing on the 1913 list.
