### Poor Sense of Humor

A perverted sense of humor led to the humiliation of a prominent Senior in the Library last Friday. First Scene—A bare neck, and snow on the window sill, proved too much for Donald Barnes. Childlike, he could not resist the temptation to bring the two together. The result of the combination was not an "unknown" for more than an instant. The atmosphere of the Library was shaken by loud shrieks.

Last Scene—Exit Mr. Barnes from the Library for the remainder of the day.

AN ordinary clothing store cannot fully satisfy the COLLEGE MAN in matters of dress.

Most college men are training themselves to be specialists—to do some one thing better than other people can do it.

Being men of specialistic inclinations themselves, they like to be served by specialists.

That's our business. We're specialists in good clothes for good dressers. We're here to serve you (and the other fellows like you) who want only the most authoritative style, the very best quality and the most capable service.

See our Spring Style displays of Suits, Hats, Shirts, Full Dress Accessories, etc.—moderately priced always.

BASKET BALL PLAYERS attending the tournament are assured of a warm welcome here. Complete scores of the last three tournaments are on exhibit for your information. This will be your store when you come to the University—let's get acquainted now.
