

"NO BITE" is about as poor a recommendation for tobacco as "no rheumatics" is for a wooden leg. But tobacco that won't bite and yet is chuck full o' taste—that's a different story—that's VELVET.

Velvet Joe

It's not easy to make tobacco absolutely cool, while still retaining its natural taste and fragrance. But its done in VELVET, The Smoothest Smoking Tobacco. 10c tins and 5c metal-lined bags.

Styles that step lively for young men

Young men with social engagements have to have clothes that are "up and coming." If you are one of them you probably know just about what you want. So do we. That's why we suggest

**Styleplus \$17
Clothes**

The same price the world over.

**Society Brand
Clothes \$20 to \$40**

We have a big selection in all the style variations. Each model shows the individualized stylish impression that a master fashion artist only can produce. You are sure to get the style-effect your personality demands. All the season's new fabrics. Glen Urquhart overplaids. New Tartan effects. All colors.

This suit has extra style, extra quality and gives extra wear because one of the largest makers puts their skill and resource behind it—the suit by which they are proud to be known. Don't let the low price prejudice your judgment. Come in.
