WHITTEN ADDRESSED COMMERCIAL CLUB

"The Why of a Commercial Club" Was Discussed by the Secretary of the City Club

Mr. W. A. Whitten, secretary of the Lincoln Commercial Club, spoke yesterday afternoon before the members of the University Commercial Club on "The Why of a Commercial Club." Mr. Whitten emphasized the fact that the secretaryship of commercial clubs has become a profession and that there are many growing cities in Nebraska and elsewhere calling for capable young men to take up the reins and push the club to the front.

Mr. Whitten is greatly interested in railroad rate cases and answered many questions in regard to that ques-

tion, as well as those of a purely commercial club nature. Before leaving, Mr. Whitten invited the members of the University Commercial Club to come to the headquarters of the Lincoln Club and become acquainted with the workings of the organizations as they are in reality.

PHI KAPPA PSI'S TO BUILD NEW HOUSE

New Home to be Erected Next Year on the Corner of Sixteenth and S Streets

The Phi Kappa Psi fraternity have completed plans for the erection of their new home which will be built sometime during the next year. The house will be built on the lot owned by the fraternity at the corner of 16th and S streets. It is designed to meet the needs of a fraternity with study rooms on the second floor and sleeping quarters on the third floor. The Phi Psi's have owned this lot for some time but have delayed definite action pending the settlement of the University removal question.

profession. In a few weeks 100,000 pounds of dynamite will be exploded about three miles out of Guernsey in order to plow a path for the railroad along the side of a mountain. The company engineers decided that it would be easier to blow out a part of the cliff than bore a tunnel. The dynamite will move about a hundred thousand yards of soil. Leonard Purdy of Beatrice, former Nebraska football star, is also employed on the same job.

WORK IN TRACK ! COMING TO FRONT

Coach Reed Says Chances for Good Team—Tryouts for Drake Games to Be Held Monday Afternoon

Track is coming to the fore with the call of Coach Reed for "more men." Monday at four o'clock tryouts for the half mile and mile relay teams to represent Nebraska at Des Moines will be held. A big meeting for everyone interested in track is called for Tuesday, April 13, in Law 101.

Never before in the history of track athletics at Nebraska has there been the chance for men of ability to make good and win a coveted "N" that is afforded this spring. There is the greatest scarcity of men in the weight events, in the hurdles and the jumps. Coach Reed now has a squad of about thirty men eligible for varsity, and some twenty freshmen. A great many more have signified their intention of registering, and it is expected that the number of varsity eligibles will be doubled within the next few days.

Following the relay games at Des Moines the 17th, comes a meet with Wesleyan at University Place, April 24. In this meet both teams will enter a great many men in each event for the purpose of a general tryout.

Ames comes to Lincoln on the 1st of May, and Kansas on May 8. The Huskers journey to Minneapolis to meet the Gophers on May 15. In addition to the dual schedule and the Drake relay games, Nebraska will participate in two other meets—the Missouri Valley at Columbia, Mo., May 28-29, and the Western Intercollegiate at Chicago, June 4-5.

Following is a list of the men registered for the different events:

Sprints and Middle Distance—J. L. Deering, Everett Scott, George Irwin, Otto Zumwinkle, Guy Chamberlain, C. Bates, Stuart Clark, S. A. Henry, Theodore Kukik, E. L. Gutbelle, F. H. Runkel, G. K. Petring, W. L. Garrison.
Distance—Ralph Anderson, Kukik, Ricker, W. R. Raecke, J. L. McMasters, Don Spohn, H. E. Gribble, S. Claar.
Hurdles—H. H. Goetze, W. J. Nickel.
Weights—H. M. Otoupalik, E. T. Peterson, E. Basye.

Scott's Orchestra. Call B-1482 or B-4521.

Social and Personal

Prof. J. H. Frandsen went to Omaha Thursday to attend the meeting of the Creamery Improvers' Association.

Victor Dacken, a junior in the College of Medicine, is seriously ill with scarlet fever at the Orthopedic Hospital. His mother is here with him now from his home in Harlan, Iowa.

George L. Cooper, who attended school here last year, sailed yesterday from New York City for South America, where he will serve as a vice-consul in Peru. He will stop at several points before going to Peru.

L. E. Martin, former student, who has been principal of the Schuyler High School for the past four years, has accepted a position as principal of the Newman Grove schools for next year. Mr. and Mrs. Martin ex-

pect to spend the summer in Lincoln and Mr. Martin will attend the summer session at the University.

Registrar Greer has received a letter recently from former Registrar E. M. Rutledge, who is now living on a ranch near Clayton, New Mexico. Mr. Rutledge is well pleased with the country and says that they have had ideal weather during the winter.

W. H. Bixby, former student in the Engineering department of the State University, left last week for Guernsey, Wyo., to resume work on a bridge under construction by the Burlington. An attack of illness forced him to stop work for three weeks. Mr. Bixby says that the engineering work on the new railroad which will eventually end up in Salt Lake City involves some of the highest skill known to the
