Buy It Now!

Say,
Do you remember when you were a kid,
How they used to tell you
About throwing a pebble into a pond
And how it made a ripple
That went on, and on, and on, and on
Until it reached the distant shore,
Or something like that?
And when you got big enough
You went to the minstrel show
And saw the end man
And the middle man
Show how a quarter of a dollar
Paid off ten dollars worth of debts
In about five minutes,
By passing from Tambo to Bones,
And from Bones to Rastus,
And from Rastus to Ephraim
And from Ephraim to Lijah,
And so on around the half circle?
And then, when you were sent up
To college,
The high-brow Professor
Tried to explain the same thing?
You remember?
Well,
This is no talk on Political Economy
Or anything like that;
It's just a gentle hint
To the effect that Right Now
Is a good time for you
To start a little ripple of your own.
A good time
To start your dollars
Moving around the circle.
Pay off your debts.
Buy what you need,
And buy it now.
Get things started.
Put money in circulation.
That's good sense,
And patriotism,
And good business.
Every ripple in the pond,
No matter how small,
Helps break the stagnation.
Get busy
And make a splash.
"Buy it now"
And get your money back.

CHURCH PEACE UNION OFFERS MANY PRIZES

Sum of Five Thousand Dollars Will Be Given for Best Essays on International Peace

The Church Peace Union offers to the churches five thousand dollars (\$5,000) in prizes for the best essays on international peace. The sum is apportioned as follows:

1. A prize of one thousand dollars (\$1,000) for the best monograph of between 15,000 and 25,000 words on any phase of international peace by any pastor of any church in the United States.
2. Three prizes, one of five hundred dollars (\$500), one of three hundred dollars (\$300), and one of two hundred dollars (\$200), for the three best essays on international peace by students of the theological seminaries in the United States.
3. One thousand dollars (\$1,000) in ten prizes of one hundred dollars (\$100) each to church members between twenty (20) and thirty (30) years of age.
4. Twenty (20) prizes of fifty dollars (\$50) each to Sunday school pupils between fifteen (15) and twenty (20) years of age.
5. Fifty (50) prizes of twenty dollars (\$20) each to Sunday school pupils between ten (10) and fifteen (15) years of age.

In the accomplishing of the desired results among the church members and the Sunday school pupils, and in the awarding of the prizes, the Church Peace Union will have to depend largely upon the assistance which the pastors can render. It is earnestly hoped that the pastors will make the announcement of these prizes in all of the churches and Sunday schools of the United States. In competing for the prizes only one essay should be sent from each church and from each Sunday school, the essays of the local church and Sunday school being read by a local committee and the one winning essay forwarded.

It is hoped that from the thousand dollars (\$1,000) prize offered to clergymen one or more essays may be found which will be worthy of publication and distribution by the Foundation. All essays must be in by January 1, 1916.

NEBRASKA GIRL IS HURDLE CHAMPION

Record of Seven and One-Fifth Seconds in Forty Yard Hurdles Made by Florence Simmons

Nebraska holds the world's record in the girls' forty-yard hurdles—time, 7.15 seconds—which was made by Miss Florence Simmons, '15, McCook, last year in the Girls' Annual Track Meet, according to Dr. Harry E. Stewart of Wykeham Rise School at Washington, Conn.

Dr. Stewart has been compiling statistics from all the colleges and schools in America where girls' track meets are held and records kept in an effort to standardize the various track events for girls. His full report will be published some time this summer.

This is quite an honor for Nebraska, as some of the leading girls' colleges in the country are represented, Wykeham Rise School itself being a fashionable private institution which lays special emphasis on athletics for girls and track work in particular.

Miss Simmons not only holds the record for the hurdles, but has also won first in the fifty-yard dash for the three years that track has been here at Nebraska.

SILVER LYNX TRIM ALPHA THETA CHI

Baseball Contests Ends With Score 12 to 3.

The first blood of the fraternity baseball season was spilled last Saturday, when Silver Lynx romped away with the long end of a twelve to three score. The Alpha Thets made things more interesting than the result would indicate, letting down in the last innings, after keeping the score close in the early stages of the game. A strong breeze made pitching and fielding difficult and accounts partially for the size of the score.
