## HIGH SCHOOL MEET

MAY 15 WILL BE HIGH SCHOOL FETE DAY

### OFFICIAL ENTRIES FOR MEET

Physical Education Department is in Charge of the Affair—Individual and Team Medals Are to Be Awarded

The State High School Athletic Association Meet, which occupies the most prominent place among the festivities of Fete Day, May 15, will be the largest in the annals of high school days if early indications count for anything. The Physical Education Department, in charge of the affair, have reported a good list of entries already filed. Most of the schools entered up to the present time are new, making their first appearance at the State Meet this year, which is a good indication that, with the average number of regular participants, the entries in this year's meet will outnumber those of any previous year.

There are fourteen events—the hundred, two-hundred, four-hundred, half-mile, mile, low and high hurdles, pole-vault, broad and high jumps, 12-pound shot-put, 12-pound hammer, discus, and half-mile relay. Each school is allowed to enter ten men, but only two contestants from each school will be allowed to start in any event.

Gold, sterling silver, and bronze medals will be awarded to winners of first, second, and third places, and silk badges to the winners of fourth places. A banner will be presented to the team winning the highest number of points, and a banner will be given to the winning relay team. No individual medals will be granted to the members of the relay teams, however. Places score 5, 3, 2, and 1 points for first, second, third and fourth, respectively.

Following is the list of N. H. S. A. records:

- 100-yard dash—10%. R. H. Burrus, Lincoln, ('04); B. C. Wildman, York, ('04); R. Wood, Omaha, ('10); R. Wood, Omaha, ('11).

### Announcement

To the University Students and Organizations:

You have probably read Dean Engberg's statement as to the faculty's attitude toward Ivy Day, and realize that the continuance of this tradition depends on the support given it by the students this year.

Tuesday evening is open for private parties and stunts. Epworth Park will be open at 11:30 o'clock, Wednesday. All University students are invited to use the park for private picnics at that time.

The Ivy Day program has been announced. You are urged to give it your support. Make this an all-University event. The committee is doing its part. Will you do yours?

ROBERT SIMMONS,  
Ivy Day Committee.

## AXEL RASMUSSEN DIED YESTERDAY

Freshman Pre-Medic Succumbs to Attack of Acute Appendicitis at St. Elizabeth's Hospital

Axel Rasmussen, a Freshman in the University, died at St. Elizabeth's Hospital yesterday afternoon at one o'clock, following an operation for acute appendicitis. He was taken sick Sunday evening, but his condition did not become serious until Wednesday morning, when he was hurried to the hospital and the operation performed. Mr. Rasmussen roomed at 321 North Seventeenth street, but his parents reside in Denmark. His only relative in this country is an uncle living at Mason City.

Mr. Rasmussen was twenty years of age. He attended Dana Academy at Blair, Nebr., last year and came to the University last semester, registering in the Medical department.

## OFFICERS RECEIVE PROMOTION BLANKS

Commissioned and Non-commissioned Officers Meet—Two Semesters of Drill Are Required

The commissioned and non-commissioned officers of the University regiment met in Memorial Hall yesterday at five o'clock to receive application blanks for promotion. "Remember," said Commandant Sam M. Parker, in addressing the officers, "that there is only one colonel and lieutenant-colonel in the regiment, and only one captain in every company." Mr. Parker emphasized that every cadet officer should stay in the department to drill next year, because the regiment is short of officers. The policy of the department is that two semesters' drill are necessary for promotion as a corporal, four semesters as a sergeant, and six semesters as a first lieutenant or captain, unless the cadet has had previous military training at other schools. The promotions, however, will not be announced until the day of competitive drill.

### Ivy Day Tickets

Ivy Day will be celebrated May 12. Tickets will go on sale Friday noon at the Temple. They may also be obtained on the campus from members of the committee. Unsold tickets are to be called in Tuesday noon. The usual price of twenty-five cents will be charged—this includes the price of all entertainment and a picnic lunch.

COMMITTEE.

## BENEFIT VAUDEVILLE

LAST EFFORT TO INCREASE THE BELGIAN FUND

### ENTERTAINMENT AT TEMPLE

The Program Will Have No Lack of Variety and Not One Number Will Be an Experiment—Much Credit Due the Committee

The Belgian Benefit Vaudeville to be given Saturday afternoon at the Temple Theatre represents the last entertainment of the season to be given by the relief committee in its effort to increase its fund. Not that the need of the Belgians is not as great as ever—it is probably greater. But the committee needs a "vacation" after its months of effort. Especial credit should be given to Mrs. W. G. L. Taylor, who has served as president of the committee. Mrs. Taylor is the wife of Prof. W. G. L. Taylor, who is to be given an honorary degree at commencement time. Her efforts, as most Lincolnites know, have been unremitting and her patience and sympathy inexhaustible.

Those who will occupy box seats at the Benefit Vaudeville Saturday are: Mrs. W. H. Ferguson, Mrs. Richard Ferguson, Mrs. Lew Marshall, Mrs. Ross Curtice, Mrs. J. E. Miller, Mrs. W. C. Wilson, Mrs. W. A. Apperson and daughter, Mrs. W. G. L. Taylor, Miss Louise Pound, Mrs. C. C. Sanford, Mrs. Walter Anderson, Miss Gere, Miss Ellen Gere, Mrs. H. B. Alexander, Mrs. E. C. Ames, Mrs. E. C. Hardy, Mrs. H. H. Harley.

Students who attend are promised more than their money's worth in the way of entertainment. The program includes "The Snake Hunter," written and staged by Maurice Clark, who has composed successfully and appeared in vaudeville sketches alongside of professionals in his home town, Omaha. "Galatea," the last number on the program, was one of the most successful of the "Road Show" numbers and needs no endorsement. It has Jack Elliott and Dorothy Ellsworth as "stars," and will be staged by Prof. R. D. Scott. Miss Doris Cole, who has been offered an engagement on a professional circuit for the summer—though she has not said that she will accept it—will sing two numbers; and Miss Dorothy Rhode will whistle. Other numbers are a male quartette in a "garland" of songs, and a French pantomime dance by Isabel Coons and Frances Tuthill. There will be no lack of variety and not one number will be an "experiment." The admission will be twenty-five cents.

### CRIPPLES CURED BY CALL TO FROLIC

"Si" Bryan, Who Had Been Disabled for Days, Quickly Regains His Youthful Vigor

"Si" Bryan was seen limping about the campus last Monday and Tuesday with a sprained ankle. That this sprained ankle was painful and kept away "Si's" good humor was noticed at drill on Tuesday afternoon. But when Chancellor Avery issued his invitation to the Seniors for a Sneak Day celebration, "Si" stepped forth apparently well. From all reports of the festivities, "Si" completely forgot that he had a sprained ankle the day before.

### Cornhuskers

Fifteen Cornhuskers for sale! This was the report given by the business manager yesterday. "First come, first served," will be the guiding law of justice in the distribution of the fifteen much-coveted Cornhuskers.

Many students have spoken to the business manager for extra copies, but none will be reserved, so if you want one, line up at 1 o'clock today at the door of Alumni headquarters.

### PAN-HELLENIC DANCE PLANS COMPLETED

The annual Pan-Hellenic dance arrangements have been completed by the committee, which is awaiting the approval of fellow Greeks. Tickets are on sale now.

## Y. W. C. A. HOUSE PARTY AT FARM

Room for a Few More Girls—All Wanting to Go Must Sign by Friday Noon—Good Time Promised

A few places are still left for which girls can register to attend the Y. W. C. A. house party at the Farm, to be held on May 15 and 16.

Registration is held at Miss Fannie Drake's office in the Y. W. C. A. rooms at the Temple. The fee is \$1.00, one-half of which must be paid at time of registration. The party opens at 3:30 on Saturday and continues until Sunday afternoon. Every girl is urged to attend this party, as it is the first time that all the girls can be together. A number of instructive talks by competent speakers have been arranged for with plenty of fun between time.

## RAIN DEPRIVED THE CADETS OF PLEASURE

Officers Were Urged by Commandant Parker to Remain in the Military Department

Rain poured forth Wednesday afternoon and caused considerable disappointment in the Military department. The entrance of the Armory became filled with worried countenances as the drill hour drew near—probably due to the fact that the rain had deprived them of their usual hour of pleasure. Nevertheless, the notice on the door of the Armory was observed by all, and in spite of the objections to the rain, no private went away with a look of dismay on his face.

The commissioned and non-commissioned officers were called to a meeting in the Chapel, where Commandant Parker gave a welcome invitation to all to remain with the Military department the remainder of their college career. He further stated that the department was short of officers. Applications for promotion were issued to the sergeants and corporals and it is hoped that all of them will fill them out and return them to the commandant before tomorrow night.

## NEW YORK SYMPHONY

PACKED HOUSE HEARS GREAT ORCHESTRA

### WALTER DAMROSCH LEADER

Gave Two Concerts Yesterday Afternoon—The Musical Treat of the Year—University Fortunate

The New York Symphony Orchestra presented the third and last number of the University May Festival last night in the Auditorium to a packed house. Miss Grace Kerns, soprano, and Signor Millo Picco, baritone, were the assisting artists whose solos were greeted with storms of applause.

All Signor Picco had to do was to open his mouth and rich, full melodies poured out in abundance. For a second number he sang from Mozart's "Figaro."

Remarkable it seemed that one as small as Miss Kerns should have such a powerful voice, which at all times could be easily heard above the orchestral accompaniment. For an encore she sang "Liddle" with wonderful sweetness.

The orchestra itself, under the direction of Mr. Walter Damrosch, gave a splendid program from beginning to end, but perhaps Tchaikowsky's Fifth Symphony was the most wonderful of all the numbers in either program, with its charming themes and intricate melodies, recurring again and again in various keys and taken up by different instruments.

Mr. Damrosch certainly surpassed all reports of his ability as a conductor, impressing the audience with his control of the orchestra and ease of direction.

The evening numbers were:  
Overture—"Oberon" ..... Weber  
Symphony No. 5 ..... Tchaikowsky  
1. Andante. Allegro con anima  
2. Andante cantabile  
3. Valse  
4. Finale

Prologue from "Pagliacci" .....  
..... Leoncavallo  
Sig. Millo Picco  
Prelude to "L'apres midi d'un Faune" ..... Debussy  
Air from "Figaro" ..... Mozart  
Miss Grace Kerns

British Folk Songs and Dances .....  
..... Grainger  
a. Molly on the Shore  
b. Irish Song  
c. Shepherd's Hey

The second number of the series was given yesterday afternoon by the orchestra, with Mrs. Merle Tillotson Alcock and Mr. John Campbell assisting.

Both soloists were well received, responding to encores, the former singing "The Gypsy Love Song," from "Carmen," with much expression. Mrs. Alcock is another diminutive person with a large, melodious voice, which quite captivated the audience.

Beethoven's Seventh Symphony, the heavy number of the afternoon's program, was much appreciated by University students, who have become acquainted with it through the Symphony Quartette.

The program follows:  
Overture "Mignon" ..... Thomas  
Symphony No. 7 ..... Beethoven  
1. Poco sostenuto. Vivace  
2. Allegretto
