GIRLS' TRACK MEET

BIG EVENT WILL BE HELD TUESDAY AFTERNOON

FIFTY CONTEND FOR HONORS

Womans World Hurdle Champion Hopes to Lower Her Own Record—Men Not Barred—Girls Excused from Classes

Tomorrow afternoon at two o'clock sharp one of the most interesting events of the year will take place when the girls will battle for honors in field and track events. Although in years past this meet has called forth a large and enthusiastic audience, this year it promises to exceed all others in elaborate preparation and enthusiastic interest. The girls have been practicing for many weeks and are in fine condition. All girls are excused from classes providing they attend the meet, a recorder taking their names as they enter.

About fifty girls are contending for honors, among them Miss Florence Simmons, woman's world-champion in hurdling. Although it is urged and expected that all girls attend, men are by no means barred, and for their benefit it might be well to say that the Freshman-Sophomore baseball game is played according to indoor rules, and plays which seem like "boneheads" by outdoor rules are correct.

All are urged to attend this original event, the admission being only 10 cents.

The particulars of the meet are as follows:

CHANGES MADE IN IVY DAY PROGRAM

Cornhusker Quartette Will Give One Number in the Morning and Concert in the Afternoon

The Cornhusker Quartette will give one number in the morning on the campus as a part of the regular program. They will also give a concert for thirty minutes in the afternoon at the time advertised for the Dramatic Club. The Dramatic Club will not appear. The committee thinks that this added feature will materially strengthen the program.

In case of rain arrangements have been made to use the Armory, and if the Armory is used the program as advertised will be given there. No one need hesitate to buy tickets early. The committee cannot promise lunches to those buying tickets late. A complete program will be published Tuesday.

Chancellor Avery gave the principal address at the Patrons' Day celebration of the public schools at DeWitt, Saturday.

FEAR THAT STUDENT WAS ON LUSITANIA

Friends of Indu Prakas Banerji Received Word of His Intention to Sail

Friends of Indu Prakas Banerji of Calcutta, a former University student, are fearful that he may have been a passenger on the Lusitania. He recently sent a letter to J. E. Ferris of this city, a friend, expressing an intention to sail on the Transylvania, a Cunard steamer. A few days later Mr. Ferris received a postal card showing a picture of the Lusitania. Banerji again said he was about to sail, but did not say on what boat.

CANDIDATES FOR ATHLETIC BOARD

Election of New Members to the Board Will Take Place Today—Male Students May Vote

The election of new members to the Athletic Board takes place today. The polls will be open from 9:30 to 12:30 and from 1:30 to 4:30. Male students, graduate or undergraduate, who have completed at least twelve hours of University work the previous semester are eligible to vote. The Australian ballot will be used.

Doctor Clapp, chairman of the Athletic Board committee, wishes to have it thoroughly understood that the voter is to vote for five candidates only, and any ballot containing the names of more than five will be considered void.

All the candidates for election are popular men among the University athletic circles and it is uncertain which ones will be fortunate enough to land the coveted honor until the voted are counted. The candidates have been soliciting support from every source and a large number of votes is expected to be cast.

The judges of the election have not been chosen yet. The committee of the Athletic Board is as follows: Doctor Clapp, chairman; Coach Stiehm and Professor Morrill, directors.

The candidates for election are: E. B. Scott, D. Bowman, H. Ellis, R. B. Rutherford, E. Hugg, P. Shields, J. L. McMasters, H. P. Pascale, Herbert Reese, and H. M. Otoupalik.

From there they hiked to Milford and discussed the reason for making that heavy cut.

They returned to Lincoln in time for supper.

PLANS FOR DAIRY AND BOTANY BUILDING

Advertisements for Bids for the Construction Will Be Made as Soon as the Plans Arrive

The Department of Construction has not yet received the final specifications for the Dairy Husbandry building from Chicago, although these were expected at least a week ago. Neither have the detailed plans for the Bessey building arrived in Lincoln.

Advertisements for bids will be made as soon as the dairy home plans come, and they will be advertised three weeks. From present indications, work will not commence before the end of June. Once started, the building will be put up under the superintendence of the University authorities, and will be pushed as fast as is consistent with sound construction. Superintendent Chowins is ready to begin as soon as the contracts are let.

KANSAS WON MEET

FIELD MEET HELD SATURDAY AFTERNOON

SCOTT WON FIRST IN DASH

Reavis Shared Honors of Pole Vault With the Jayhawk Vaulter—Wind Hindered the Races

As had been predicted, Kansas won an easy victory over the Cornhusker athletes on Nebraska Field Saturday. Nebraska's only firsts were registered in the short sprints and in the pole vault, where Reavis shared that position with Campbell, the Jayhawk vaulter. Probably the most pleasing feature of the meet to Nebraskans was the work of Scott, who won an easy first in the 220-yard dash and second in the hundred. A strong wind slowed the time in all the races and hindered the jumpers and vaulters to some extent also. Summary of events:

- 100-yard dash—Irwin (N), Scott (N). Time, 10%.
- 220-yard dash—Scott (N), Krum (K). Time, 23%.
- 440-yard dash—Rodkey (K), Edwards (K). Time, 51%.
- 880-yard run—Fisk (K), Creighton (K). Time 2:4.
- Mile run—Harriott (K), Sproul (K). Time, 4:39%.
- Two-mile run—Grady (K), Poos (K). Time, 10:15%.
- Mile relay—Edwards, Elswick, Elliott, Rodkey (Kansas). Time, 3:35.
- Pole-vault—Reavis (N) and Campbell (K) tied for first at 11 feet.
- High jump—McKay (K), Hummel (N). Height, 5 ft. 1 in.
- Broad jump—Grutzmacher (K), Deering (N). Distance, 21 ft. 7% in.
- Shot-put—Reber (K), Keeling (K). Distance, 41 ft. 9% in.
