WEDNESDAY, MAY 19, 1915

Because of lack of space we were  
unable to print Wilson's message on  
Monday or Tuesday, but are printing  
same today.

Now the Awgwan editors have de-  
cided to risk their reputation by hav-  
ing a beauty section in the Commence-  
ment Number. They probably think  
that the disappointed ones will forget  
all about it during the summer  
months.

The banquet of the University Week  
Association at David City is added  
evidence of the popularity of this new  
movement. It is safe to predict that  
in the course of three or four years  
there will be considerable rivalry  
among the towns of the state in secur-  
ing the University Week numbers.  
The students who go out to live in the  
smaller towns can aid their communi-  
ties and the University as well in  
boosting for this work.

About three hundred students signed  
the tennis petition yesterday. A large  
number took the trouble to come to  
the Nebraskan office to sign, while  
those who were circulating the peti-  
tion had no difficulty in obtaining sig-  
natures. Even the people who do not  
play tennis feel that we need more  
courts. Practically every school in  
the west has better tennis facilities  
than we have. Chicago has thirty-six  
courts, where hundreds of students  
can enjoy this great game every day.  
Bellevue, with only about a hundred  
students, has six courts. If we are  
ever going to have more, this summer  
is the time to get them. It is up to  
you to do your part. Add your name  
to the growing list.

### TICKETS FOR SENIOR PLAY ON SALE SOON

Tickets Will Be Sold in the Different  
Book Stores—Seniors Are to Have  
Their Choice of Seats

There has been some inquiry from  
the students, faculty, and the general  
public as to the Senior Play tickets.  
The manager states that within a day  
or so tickets will be placed on sale  
at the book stores for those who wish  
to secure them. The Seniors are pay-  
ing their assessments in a very satis-  
factory manner. The Seniors are to  
be given the preference of seats at  
the production of "The Sunken Bell,"  
but this does not mean that there will  
not be any choice seats left. In fact,  
the Seniors will occupy but one-third  
of the house, the remainder being  
given up to those interested in the  
production.

Those who pay their assessments  
will have their choice of seats Mon-  
day, May 31, and those who secure  
tickets at the local book stores this  
week will have an opportunity to se-

cure reserved seats Tuesday, June 1.  
After Tuesday the ticket sale will be  
thrown open to the general public.  
Organizations, sororities and fraterni-  
ties may secure reservations for  
blocks of seats by notifying the busi-  
ness management or Mr. Williams.

Rehearsals are being held every day  
and the cast have their parts in fine  
shape. Clarence Clark, who has  
staged the last four Senior plays, is  
working on the stage properties and  
promises many new effects for this  
production. Clifford Scott is busy  
writing instrumental parts for the  
music, which is played throughout the  
production. Mr. Scott will have  
charge of the orchestra the evening of  
the play.

### LECTURE AND "MOVIES" FOR ENGINEERS

Prof. Clark E. Mickey Will Speak  
Concerning Asphaltic Pavements  
and Roadway Construction"

Prof. Clark E. Mickey will lecture  
before the Engineering Society, Wed-  
nesday, May 19, in M. E. 206 at 8:00  
o'clock. His topic will be "Asphaltic  
Pavements and Roadway Construc-  
tion." His talk is to be supplemented  
by 2,500 feet of moving picture films,  
with numerous slides, showing the  
Trinidad and Bermudez asphalt lakes,  
mining and refining of asphalt, and its  
use in the construction of sheet  
asphalt pavements, mixed and pen-  
etration roads, and road surfacing with  
liquid asphalt. These pictures go into  
construction details and are of a very  
interesting as well as instructive na-  
ture. The public is invited to attend.

### Political Science 34—Practical Legis- lation

Final examination papers in the  
above course now ready for return to  
the class at Room 306 University Hall.  
Each biennial class in the above  
course is asked to give suggestions  
for improvement in methods of legis-  
lation based upon its observation of  
the legislature. Several of these sug-  
gestions in former years have been  
adopted by the Nebraska legislature  
and valuable new ones have been re-  
ceived from the class of 1915. The  
class vote on the question of a one-  
house or two-house legislature re-  
sulted as follows:

For one-house legislature .....24  
For two-house legislature .....22  
ADDISON E. SHELDON,  
Instructor.
