## UNIVERSITY WEEK

MANAGERS AND ASSISTANTS ARE ELECTED

### TO AMEND THE CONSTITUTION

Darrell Lane is Manager—Amendment Provides For Two Assistants—Financial Report is Made

At the meeting of the Executive Board of the University Week Association, yesterday afternoon, Darrell T. Lane, Seneca, was elected manager of the Association. John L. Riddell, Beatrice, and Axel R. Swenson, Oakland, were elected assistant managers.

The Board took action to amend the constitution so as to provide for two assistant managers instead of one. The following Juniors filed for manager: Darrell T. Lane, and Harold R. Campbell. The following Sophomores filed for assistant manager: Harry G. Marsh, Ralph L. Theisen, Emil J. Krahulik, Axel R. Swenson, Frank L. Hixenbaugh, Roy G. Harney, John L. Riddell, and Ralph O. Lahr.

The action of the Board in providing for two Sophomore assistants will provide for any emergency in the future in case one of those elected fails to return to school. The work itself is moreover sufficient for two.

The Board are planning on a larger circuit of towns for next year. The plan was started so late this year that only three towns were secured. These same three have asked for a place on the schedule next year which is evidence of the favor with which the program given by the University students was received.

Financial statement of the University Week Association for programs on the road and at home, is as follows:

Receipts, three towns at \$135.00 each, \$405.00; the Glee Club guarantee at Holdrege, \$129.10; general admission and season ticket sale for home entertainment, \$188.75; total, \$722.85.

Expenditures, railroad and traveling expenses, \$500.98; printing and advertising, \$79.25; stage expenses, \$10.00; costumes, \$27.60; incidentals, \$4.02; royalty, \$100.00. H. G. Hewitt, Mgr. Audited May 25, 1915. T. A. Williams, Agent Student Activities.

## ADJOURN TILL FALL

SPRING FOOTBALL SQUAD DISBANDED YESTERDAY

### HEAT PREVENTS WORKOUTS

Scheduled Scrimmage Does Not Materialize—Coach Stiehm Gives Some Instructions—Squad Met in Gymnasium

The spring football season officially closed yesterday when the squad met in the gymnasium and checked in spring equipment. A scrimmage workout had been planned by Coach Stiehm as a fitting finale, but old Sol was indisposed, and in deference to him practice was abandoned. After checking in equipment, and the men filled out cards giving their summer addresses, and balls and suits were issued to the varsity.

Before dismissing the squad the lengthy mentor left final instructions and briefly summed up the season's work. General advice as to their occupation during the summer made up most of his talk. He advised them to get acquainted with a job paying more in muscle than in money and to keep brushed up on gridiron rudiments. In reviewing the work accomplished this spring he dwelt particularly upon the faithfulness of the captain and his squad and said the good resulting from this preliminary training would send the team a good ways toward another championship next fall. He expressed satisfaction over the second year of spring training at Nebraska, and said that this feature of the gridiron game would probably become as indispensable as the regular fall practice, for the aid rendered the building up of a strong eleven by a successful spring session was incalculable.
