SMOOTHS OUT KINKS IN HUSKER LINE

COACH STIEHM SPENDS WEEK
PERFECTING PLAYS

HE SHIFTS LINE CONSTANTLY

Stiehm Battles Against Time—Late
Start Makes Task of Building
Up Victorious Team Doubly
Difficult

The Nebraska "Stiehm" roller is busy this week smoothing out the kinks in the Cornhusker line. As far as speed and ability go the material which Coach Stiehm has in hand is everything that the mighty tutor could ask for. The difficult task set before the Husker coach this week is that of developing snap and unity in the plays.

On account of the fact that Abbott and Chamberlain have only been in the lineup for one week this task is one which only a master hand would dare attempt. Throughout the week Stiehm has been shifting and changing in the endeavor to sort out the material from which to build a machine that will be able to enter the field and show the Cornhusker form of the past two years. He has a wealth of speedy and determined players to choose from and the only question is one of time. Whether the never failing "Jumbo" will be able to combine eleven sensational players into one sensational team in one short week will be demonstrated when the Huskers bump heads with the veterans from Drake on Saturday. Judging from the workouts of the week there will be several surprises in the Husker lineup for the game Saturday.

Fans who have been watching Chamberlain work at the wing position feel that the mighty halfback is capable of exhibiting unparalleled speed and snap at all times. Cook has been working out at quarterback this week and Reese has held down the right half-back position. The program for the week has varied but little, being a grinding preliminary practice, followed by an hour's scrimmage between Varsity first and second teams and Varsity vs. Freshmen.

CORNHUSKER ANTHEM.

In the time of youth and golden dreams
How rosy dawn the year,
How blithely do we greet at last
Our college days so dear—
When first as 'Huskies we shall sing
In voices fresh and clear.

REFRAIN.

Oh Nebraska, dear Nebraska
Of the Scarlet and the Cream,
With glad acclaim
We laud thy name,
Our joyful praise
To thee we raise
To the Scarlet and the Cream
To the Scarlet and the Cream.

Upon the benches, past the dial,
In U Hall and in drill,
We meet new lessons, friends and hopes,
Which time will never still.
True 'Huskies now, we proudly sing,
And sing with heart and will.

In after years when we have seen
To life's far distant rim,
When for the last, long, silent voyage
Our sails we soon shall trim,
With old time fire we'll join and sing
Tho' eyes with tears are dim.

—Harry Burtis, '13.

Chosen to be the official University Anthem in the Glee Club competition last spring. Music by John M. Rosborough, of the University School of Music.

SCARLET AND CREAM.

(Varsity Song.)

Although Yale has always favored
The violet's dark blue,
And the gentle sons of Harvard
To the crimson rose are true;
Still our colors are the sunset,
And the silvery moon's last beam,
So we sing to old Nebraska,
And the Scarlet and the Cream.:

Through the four long years of college,
Midst the scenes we love so well,
As the mystic charms of knowledge
We vainly seek to spell;
Or we win athletic victories
With our gallant football team,
And we work for old Nebraska,
And the Scarlet and the Cream.:

When the cares of life o'ertake us,
Mingling fast our locks with gray;
Should our dearest hopes betray us,
False fortunes fall away;
Still we banish care and sadness
As of college days we dream,
And recall those days of gladness
'Neath the Scarlet and the Cream.:

Cheer for Nebraska,
Nebraska must win;
Fight to the finish—
Never give in.
You do your best, boys;
We'll do the rest, boys;
Fight for the V-I-C-T-O-R-Y!

FURIOUS DRIVE BY BRITISH

Attempt Now Being Made to Take the
Third Line of German Trenches
—French Gain

London, Sept. 29.—3:15 a. m.—The Times' Petrograd correspondent says: "A report, which has been confirmed from a good quarter, is that the Forty-first German army corps was overtaken by the flooding of the Pinsk marshes and being unable to escape nearly the whole of the corps perished."

London, Sept. 29.—12:16 a. m.—An official communication just made public dealing with the operations in France Tuesday says that in the heavy fighting around Loos the British have taken exceptionally strong German lines of trenches and bombproof shelters several hundred yards in extent. Having taken the German second line, the statement says the British are now after the third line of trenches. In all more than 3,000 prisoners have been taken and twenty-one guns and forty machine guns have been captured and others destroyed.

Report of Field Marshal

The statement says:
The following has been received from Field Marshal Sir John French: "Severe fighting has continued today around Loos and to the north of that place. We now hold all the ground north of hill No. 70, which the enemy retook on the 26th. We have made further progress to the south of Loos. The total number of guns captured by us now is twenty-one. There are several more between us and the enemy which have been abandoned by him.

"Our number of prisoners now exceeds 3,000.
"The number of machine guns captured is forty. Many more have been destroyed.

"The enemy's lines taken by us are exceptionally strong. They consist of a double front line, which included two large works named the Hohenzollern and Kaiser Wilhelm redoubts. These consisted of a network of trenches and bombproof shelters several hundred yards in extent. The second line ran just west of Loos.

WELCOME BALL AT THE AUDITORIUM

FRIDAY, OCTOBER 8, SET AS THE
DATE

IT WILL BE ANNUAL FEATURE

Plan Originated by Metcalfe and Foster—Given Under Auspices
of the Lincoln Commercial Club

The Lincoln Commercial club is going to give a Welcome Ball at the Auditorium Friday evening, October 8, in honor of the Freshmen.

A Welcome Ball for the Freshman class is a new venture, the success of which will decide whether or not it shall occur annually. The commercial club is willing to make it at their expense a yearly event.

The idea originated with C. Dewitt Foster and T. W. Metcalfe, who thought they would get the help of the Faculty in giving the dance, making only a small charge for admission. Mr. Guy Reed and Dean Mary Graham suggested that the commercial club share in the proposition, which offered immediately to make it an invitation dance.

Tickets may be obtained at Guy Reed's office between 11 and 12 o'clock any day next week.

William Gutberlet, father of Edward Gutberlet, '17, died at his home, 2901 Q street, Monday evening. Mr. Gutberlet leaves a wife and four sons—besides Edward the boys are: Dr. J. E. Waukesha, Wis.; A. H. '11, Cambridge, Mass.; and S. A. '15, Billings, Mont. Definite funeral arrangements have not yet been made, awaiting the arrival of the sons.

"We are now closely engaged with the enemy's third line.

"Our aeroplanes today bombarded the railway line near Betanme, wrecking a train. They also damaged the railway near Achiet-Le-Grand (Pas de Clais)."

LOAN TERMS FINALLY MADE

Half Billion and No More to England
and France—Loaned at 5 Per
Cent Interest

New York, Sept. 29.—The agreement between the Anglo-French financial commission and the American bankers, with whom they have been conferring over the proposed credit loan to Great Britain and France, has resulted in the formation of a definite plan, it was announced officially here tonight, for the establishment of a \$500,000,000 loan, issued on five-year, 5 per cent joint British and French bonds, payable jointly and severally by the two nations, upon which the big loan will be a first lien. The bonds will be issued to the public at 98, this yielding approximately 5½ per cent to the investor and to the nation-wide syndicate of bankers, which will subscribe to the loan at 96. Formation of the syndicate has been left to J. P. Morgan & Co. and a large group of American bankers and financial houses. The bonds will be issued in denominations as low as \$100 and subscribers thereto may pay for them by installments.

At maturity these bonds will be repayable in cash or convertible into 4½ per cent joint Anglo-French bonds, redeemable from ten to twenty years thereafter by the two governments jointly or severally.

Sir Henry Babington Smith, a member of the commission, made public the announcement. Sir Henry said an identical statement would be made public in Chicago by Lord Reading, chairman of the commission, who, with the other members, is conferring with western bankers there. The statement was issued here in the name of Lord Reading, and read as follows:

"The discussions between the Anglo-French financial mission and the American bankers have resulted in the formation of a definite plan for a loan to the British and French governments, to be issued in this country on a broad and popular basis. The proceeds of the loan will be employed exclusively in America for the purpose of making the rate of exchange more stable, thereby helping to maintain the volume of American exports."

The first football rally of the season will be held at 11 o'clock today in Memorial Hall. A spicy program has been prepared and a monster crowd is expected.

Captain Richard Rutherford, with lots of pep, Dean Mary Graham, who always has something of interest to tell a rally crowd, and Guy Reed, the fastest man Nebraska ever had on the track, are among the speakers scheduled to appear.

The return of Chamberlain and Abbott, together with the assurance that they will be on the platform, lends interest to the occasion. Many other football stars will be on hand to make rousing speeches on demand.

Such a meeting is the place to get the good old Nebraska spirit that helps our teams win. Come out and enjoy a lively time at the first football meeting of the year.

FOUR CANDIDATES HAVE FILED

Two from Each of the Lower Classes
Get Busy at the Last Minute—
Interest Running High

That Edward E. Angle, Lincoln, Vaughn Russom, Lincoln, and Don Gallagher, O'Neill, have entered into the scrap for class presidencies, the former in the Sophomore and the two latter in the Freshmen class, was yesterday's contribution to the political lineup.

Mr. Angle is a Pre-medic and a member of the Alpha Tau Omega fraternity. Mr. Russom was rather uncertain as to whether he should attempt to brave the political torrent, but has now made the plunge and expects to be the winner. Mr. Gallagher has a large acquaintanceship which he proposes to make use of.

That this will be the final alignment is rather doubtful. Rumors are coming thick and fast which indicate a third candidate in the Sophomore class and possibly another aspirant among the Freshmen.

Everyone Out for FOOTBALL Rally TODAY!
