The Freshmen had a glimpse of democracy at Nebraska when "Greek" and "Barb" mixed with the best feeling and good will. Music, dancing games and refreshments testified to the good work of the committees.

No, Philbert, I am not a-arguing with you. I'm just a-telling you

—when you want a real smoke, get behind a pipeful of Tuxedo and watch all the big and little Worries that have been a-besieging you, evacuate their trenches and make a rushin' advance to the rear. Those fragrant whiffs of "Tux" make them feel too joyful—no self-respecting Worry can stand for that.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

The combination of the best smoking-tobacco leaf in the world and the best method ever discovered for refining and mellowing tobacco puts Tuxedo in a class by itself.

Kentucky's ripest, mildest Burley leaf, when treated by the original "Tuxedo Process" loses every trace of bite—develops a wonderfully pleasing fragrance and flavor that are not found in any other tobacco.

No other manufacturer knows the "Tuxedo Process"; that's why no imitator ever equals Tuxedo!
