In response to invitations from sev-
eral Central American countries, Frank
Harrison, globe trotter, writer and lec-
turer, of Lincoln, has worked out a
plan for a trade and educational ex-
cursion to those countries that ought
to arouse much local newspaper in-
terest, as well as advertise the re-
sources of Nebraska in the Spanish-
American states. Lincoln and Omaha
Commercial clubs, the university and
the state educational department all
endorse the idea, and plan to send a
representative with pictures and ex-
