Entered at the postoffice at Lincoln, Nebraska, as second-class mail matter, under the act of Congress of March 3, 1879.

TUESDAY, OCTOBER 19, 1915

Even if you did have to wait in line for an hour to get your ticket for the game Saturday, isn't it worth while?

IS IT STRANGE?

Is it strange that business men should be compelled to say that they have difficulty in hiring high school graduates who can write even fair business letters when the following statement appears in print: "Thirteen per cent of the Freshmen who entered the University of Wisconsin this year were so deficient in English that they were assigned to sub-Freshmen classes in this subject"? It may also be said that the same difficulty is encountered in hiring some University graduates.

It will be well to keep your eye open for the special Girls' Election of the Nebraskan.

OLYMPICS

One of the strongest of Nebraska's traditions is without question the Olympics. Upon the energy of the Freshmen and the Sophomores depends the success of this event each year. Are you, as a Freshman, or you, as a Sophomore, doing your share toward making this event a success this year? Remember the preliminaries Wednesday evening in Memorial Hall.

Even the "Comics" have grown to the stage where they are commanding attention. They have a section of their own reserved for the Notre Dame game. "Comics," meaning commercial students.
