Entered at the postoffice at Lincoln, Nebraska, as second-class mail matter, under the act of Congress of March 3, 1879.

WEDNESDAY, NOVEMBER 17, 1915

Of course you have the final rally of the season on your schedule. Just as a reminder, it will be held tomorrow morning in Memorial Hall.

It seems strange that one who has been in the war zone should be able to say, "I don't care which side wins." It is another matter though when one considers that Mr. Ewing is the type of man who can see that the conflict may result in "some great good to mankind."

If we are to have a post-season game, why not make it public? It is pleasing only the minority to keep the secret.

What more can one expect, in the way of entertainment, than the program which has been arranged for Saturday? Make yourself a part of the big program by following the schedule for the day. First the game, then dinner, the band concert, the fireworks after which come the dances, reception, and show. Make yourself a part of the BEST EVER "MIXER."

According to the exchanges that reach our tables, some students of some of the other schools also manage to see their football team play on foreign fields, even though the railroads are not philanthropical institutions.

Did the University of Illinois have a military "pep session" because we did or did we have one because they did?

**FORUM**

**ARE WE SPOILED BY SUCCESS?**

Nebraska Rooting Needs Rejuvenation  
 —Kansas Showed Great Spirit in the Face of Defeat

Reports from Kansas show that the student body down there displayed a huge amount of "pep" in the very face of defeat. How do you suppose that Nebraska students would bear up under defeat now? We didn't deserve to win the Notre Dame game, judging from the small amount of enthusiasm that was displayed at the last rally. Can it be that we are spoiled by success?

Saturday we hope to close a most successful season in a most successful manner. The old "grads," who helped to make our school what it is, and who love every single tradition of the institution, will be back—and some of them will attend the rally Thursday. Are we going to let them go home with the impression that College Spirit at Nebraska is nil?

Ames is noted for its cheering—and over there they ALL CHEER TOGETHER! At Kansas, they used the megaphone system of cheering with a degree of organization that was never attained at Nebraska. And sooner or later, this unified spirit will bear fruit, and Nebraska will be beaten by them—unless we mend our ways. Then let's everybody get out for the Rally Thursday; AND LET'S ALL CHEER TOGETHER FOR NEBRASKA WHEN WE GET THERE!

Special emphasis was placed upon the force which prayer may have in helping solve these problems.

**Regimental Review**

Cadets must appear in full uniform or be reported for extra drill. Full uniform consists of tan shoes, regulation suit, and military collar. It is the tendency of every cadet to try and escape putting on his uniform, so strenuous measures are necessary.
