NEBRASKA STARS ON ALL-WESTERN

CORNHUSKER LUMINARIES RECEIVE RECOGNITION

NEBRASKAN SELECTS TEAM

Adds Another to Long List—Chamberlain, Abbott, and Rutherford on First Eleven—Corey, Shaw, and Moser Get Mention

The Daily Nebraskan's All-Western Teams

First Team
 Chamberlain (Nebraska), left end. Buck (Wisconsin), left tackle. Fitzgerald (Notre Dame), left guard. Watson (Illinois), center. Abbott (Nebraska), right guard. Shull (Chicago), right tackle. Baston (Minnesota), right end. Russell (Chicago), quarterback. Rutherford (Nebraska), left half. Macomber (Illinois), right half. Bierman (Minnesota), fullback.

Second Team
 Quist (Minnesota), left end. Barron (Iowa), left tackle. Dunnigan (Minnesota), left guard. Fisher (Chicago), center. Blocker (Purdue), right guard. Corey (Nebraska), left tackle. Squier (Illinois), left end. Gross (Iowa), quarterback. Coffal (Notre Dame), left half. Maulbetsch (Michigan), right half. Bachman (Notre Dame), fullback.

The writer, in offering the above selections, is aware of the fact that environment is likely to have a good deal to do with a critic's point of view. Big Nine experts see Big Nine stars, and so surely there can be no objection to our choosing a goodly number of Cornhuskers just because the one who does the choosing happens to be indirectly connected with the strongest eleven of them all.

It is needless to go into the discussion of the selections in general, but some explanation of the points of difference is necessary. Experience, if nothing else, earns Abbott a guard position on the first eleven over Dunnigan of Minnesota. Rutherford is given preference over Maulbetsch because the Husker captain played a strong, consistent offensive and peerless defensive game, while the former all-American star did not live up to his record of a year ago.

Macomber of Illinois is retained at the other halfback position also because of his consistency and his punting ability. Fitzgerald of Notre Dame gets the guard position across from Abbott, because like Abbott, he displayed more football experience and ability than anything the Big Nine could boast.

On the second team will be found Gross and Barron of Iowa, two who Nebraskans are willing to say, deserve the preference over Clark of Illinois and Boughton of Ohio. Corey of Nebraska is given the call at one of the tackle over Randolph of Northwestern.

Chicago Sees Huskers
 Captain Rutherford, Chamberlain, and Abbott were given generous recognition by the majority of Windy City scribes in the list of mythical lineups announced Sunday. Chamberlain is the unanimous choice for one end position, and Rutherford and Ab-

FERGUSON REPORTS MEETING

Engineering Professor Gives an Interesting Account of the Congress in New York.

Prof. O. J. Ferguson of the Engineering department gives an interesting account of the meeting of the educational committee of the National Electric Light association, which was held recently at Schenectady, N. Y. Probably the point of most interest to Nebraska engineering students was the support given by the committee to the plan of employing electrical engineering students during the summer. This plan was originated by the National Electric Light association several years ago. Through the association, the student engineers obtain summer work which gives them an opportunity to test their fitness for the work as well as putting the electric light companies in touch with many prospective electricians.

Through the committee, the National Electric Light association promises to furnish literature and data to instructors in engineering colleges. Lecturers will be sent out by the association to address engineering societies on all sorts of technical subjects.

Freshmen Beat Sophomores

The Freshmen beat the Sophomores in a hard fought battle Wednesday. Thurston Morris, ex-Lincoln high, '14, was the big star. The game was hotly contested throughout and the outcome was not certain until the final whistle blew. The Sophs had the ball on the ten-yard line several times, but the "Frosh" held hard in the pinches. The forward passes and the long runs by Morris were features. The Freshmen will play the Seniors for the championship at an early date.

THREE RECEIVE TELEGRAMS

Hixenbaugh Receives Personal Invitation from Mr. Ford to Take European Trip

The question of the delegate or delegates to represent Nebraska on the European Peace mission, headed by Henry Ford is the all-absorbing topic of the campus at present. Mr. W. A. Hixenbaugh received simultaneously with Chancellor Avery, a personal invitation to accompany the party. Mr. C. A. Sorenson, Law, '15, of Grand Island, has also received an invitation. The acceptance of these parties has been forwarded by wire, and answers are expected at any hour. The representation of Nebraska is by no means limited to one delegate.

This honor falls as quite a compliment to our University, as only fifteen of the universities of the United States are receiving the offer.

Mr. Hixenbaugh's telegram follows: W. A. Hixenbaugh, University of Nebraska, Lincoln, Nebraska, U. S. A.

Mr. Henry Ford asks me to request that you will specify whether you would consider joining his party as his guest on his peace mission, December 4th; the trip will last about six weeks. Only a small number can be selected. If you would consider going, you are asked to wire your reply, furnishing details of your college work and activities; if not, would you wire, collect, at once any recommendation for a substitute, furnishing similar details.

CABARET HAS BEEN ORDERED

Four Hundred Reservations to be Ordered—Fraternity Houses Will Close Tables—Tag Day Wednesday

Something new and original is what the Cornhusker banquet committee has planned for the annual event this year, Friday night, December 3, at the Lincoln hotel. A real cabaret has been ordered from Kansas City, which will provide the football enthusiasts with some vaudeville entertainment. Besides the cabaret, a number of other special features will be introduced, which will aid in giving a varied program.

Tag Day

Tickets will be placed on sale on the campus Wednesday morning. A committee of twenty hustlers will work all day, and it is expected that the entire lot of 400 reservations will be disposed of on the first day. Each purchaser will be given a tag to wear, which will designate him as a loyal Cornhusker.

Enthusiasm Runs High

Owing to the successful season of the football squad this year, and the enticing program promised, students are showing a great amount of interest in the banquet. Nearly all of the fraternity houses are closing their tables for the night and will attend en masse.
