Entered at the postoffice at Lincoln, Nebraska, as second-class mail matter, under the act of Congress of March 3, 1879.

WEDNESDAY, DECEMBER 15, 1915

We have but a short time this semester to urge that something definite be done in regard to the question of credit, in one form or another, for reporters. In the past and at present the reporters receive little or nothing for their services and consequently they do not feel inspired to do more than they receive credit for. The editorial staff has no means of compelling members of the reportorial staff to hand in stories because they get nothing more than "glory" and a copy of the Nebraskan for their services. If arrangements are made to give reporters University hours for their work, and a member of the faculty given supervision over them there can be no doubt but what the Nebraskan would take on the aspect of a real publication. As things are at present we must take the blame, let alone credit, for a publication which is working under a severe handicap. Our plea is not for the staff of this semester but for the future workers, for the good of the cause, and for the future good of the Nebraskan.

An exchange says, "Some men can wear a mustache and look respectable. Generally they have passed the forty mark. Others—well we leave it to your own judgment." Quite a responsibility.

Girls Play Basketball

One hundred and fifty girls have turned out for basketball practice and the coaches are drilling three classes a day. Class teams will be formed as soon as the game has been learned by all and a class tournament will be held sometime near the beginning of the second semester. To be eligible to play a girl must make all first semester credits.

Two former stars, Lucille and Camille Leyda, have turned out with the Senior team, and with Camille Kock and Edna Coffee on the Sophomore squad and many snappy Freshman players developing, the tournament is sure to be featured by stellar playing.

The person who took an overcoat from the Temple Saturday night must return same by Wednesday noon to the hook from which it was taken or to the address found on papers in the inside pocket, to avoid trouble. He was seen from the inside of the cafeteria and his name and address are known. 142-62-63
