Were it not for the fact that each season several thousand men await this Great 69c Shirt Sale we would have given up having it this year. Market conditions have tightened to such an extent that an almost endless amount of correspondence and two trips to the Market were necessary before the makers would consent to make any concessions. But the shirts are here—thousands of them—in patterns that please young men, firmly made from serviceable percales, madras, repps and mercerized cloths in sizes 14 to 17½. Buy them by the armful at 69c.

SPECIAL—Six of these Splendid Shirts for \$4.00
