Clara Kimball Young as "Camille" at the Magnet

The first three days of the coming week sees the Magnet again offering a notable production for the picture loving public in the reel version of Alexander Dumas' famous play, "The Lady with the Camellias," or "Camille," as it is more universally known.

As a piece of photoplay work it is needless to say that this picture measures up in every detail to the greatness of the story that it tells. From the scenic standpoint—from the angle of the personnel of the cast—from the photographic side—everywhere—the eternal fitness of things has been caught and preserved.

As "Camille," queen of the French underworld, the beautiful and accomplished Clara Kimball Young, has an opportunity of showing what a fine artist she is—registering every emotion perfectly and doing the character fullest justice. Along with this picture on Monday and Tuesday will be seen the Paramount Travelogues and on Wednesday the Paramount News-pictures.

On Thursday the popular comedian, Victor Moore, will be seen in an entirely new "Chimmie Fadden" picture, this time in "Chimmie Fadden Out West." On Friday and Saturday, in addition to the comical Bray cartoon, which is making such a hit with the youngsters, the well known masculine star, Dustin Farnum, will be seen in a picturization of "A Gentleman From Indiana," a story which scored an immense hit when staged not so very long ago. The week's bill is a strong one and Magnet patrons should avail themselves of the varied entertainment it presents.

Scott's Orchestra. Call, B-1482.

**PERSONAL**

The Dramatic club will give a reception in honor of Mr. and Mrs. Coburn, of the Coburn players, from 5:30 to 6:30 o'clock Wednesday afternoon, in the Dramatic club rooms. Mr. and Mrs. Coburn are long-standing friends of the university, and this opportunity to meet them personally is anticipated by all who are interested in dramatics. "The Melting Pot" had been scheduled by the University players for Wednesday night, but was postponed as a courtesy to the Coburn players, who will appear in "The Yellow Jacket" at that time.

Ernest H. Hahne, L. L. B., '13, is taking special work in sociology at the University of Chicago. While in the University of Nebraska, Mr. Hahne prepared an article on the "Removal Question," including an evaluation of the real estate involved.

University society this week is interested in the annual formal dinner-dance of the senior class. The dinner will be served promptly at 6:30, and will be followed by dancing two hours later. The prom will be held at the Lincoln hotel.
