PAGEANT MUSIC ON THE WAY

The music for the second annual pageant, to be given on the athletic field the first week in June, has been written, and will be received in Lincoln this week-end or early next week. When the music arrives, the work of selecting the cast for the pageant will begin. This year, as last, university students will make up the bulk of the cast for the spectacle.

SOCIETY

INTERESTING INDIAN WORK NOW ON EXHIBITION

Girls of today with their refined tastes and social advantages are often prone to think their Indian sisters coarse barbarians without appreciation of anything fine or beautiful.

Remnants of the decorative work done by them is, however, evidence to the contrary. In the State Historical society museum are many articles made by them, which show exquisite care. Their beaded bags and swinging cradles are especially interesting. They are made of leather on which designs are traced in colored glass beads, the gift of the first white settlers. The fringe, purely Indian, is made of thongs wound with moist porcupine quills of various

colors. About a dozen were knotted together to make the strip long enough and all the ends securely hidden.

The women as well as the men were very fond of using fragrant herbs as perfumes, but they were never known to choose any but the most delicate ones.

Paul Orchard of South Omaha and Richard Bryson of Fullerton are visitors this week at the Phi Gamma Delta house.

A. A. Reed, high school inspector, has been out of the office for a few days on account of an attack of tonsillitis.

Mahan Not to Help Coach Cal.

Contrary to repeated rumors, Mahan of Harvard is not signed up to help coach California's football team. Manager Stroud stated that he had approached Mahan upon the subject, but had done nothing definite and California was not considering such an appointment.
