CLASS A—SECOND ROUND

CRETE, 18; SHELTON, 13

The Crete team, considered by a host of campus critics as the "dark horse" of this year's tourney, had to work hard to dispose of Shelton, its opponent in the second round. Better teamwork and goal throwing ability upon the part of the Cretans was responsible for their victory, although Center Kacer did most of their scoring. The first half ended 8 to 13 in favor of Shelton.

Albrecht and Cypreanson, forwards, did the bulk of Lincoln' scoring, aided by Schroeder. Gillespie and Rasch were the point-getters for Osceola.

from their path. The suburbanites have been playing strong basketball throughout the season, but the dope pointed to a clear-cut victory for Omaha in yesterday's game. University Place, which has had a habit in years past of making brilliant records during the playing season and then flunking out in the tournament, put up a wonderful scrappy fight for existence this year.

It was a matter of a foul goal which Patty placed in the basket when seconds were being counted, which decided that Omaha, runners-up for the championship last year, should survive the second round and square away for her next stiff game with Columbus. Up to the last three minutes, University Place led by three points, but they were unable to hold their lead. Maxwell, aPty and Paynter amassed Omaha's total, while Amos, with two field goals, led University Place in the scoring.
