

# THE WOMAN'S SECTION

## The Woman's Point of View

The Girls' club convention which is to be held at the University of Nebraska, the first week-end in May, is one of the biggest events that it has been our good fortune to have. Representative college girls from all over the country are going to meet here and it is one of the greatest opportunities the women at Nebraska will ever have to show the real Nebraska spirit and enthusiasm.

There are 1,120 girls attending the state university and only 160 of these are members of the Girls' club! If the convention in May is to be a

success, it must have the support of every loyal woman student. The Girls' club is the representative social organization in school and all of the interests and problems of the university women are handled by it. Every woman in the university should belong to the club and be and have the benefit of its privileges and associations.

Are you going to do your part in supporting the convention and proving yourself something more than nonentity, or are you willing to sit back and let your neighbor do it.

## Y.W.C.A. TO ELECT NEW ANNUAL MEMBER

Must Keep in Touch With Association  
Work in North-Central Field

The Annual member of the student Y. W. C. A. will be elected at the vesper services today. The office of Annual member was established two years ago by the national board, in order to learn the effect of its policies.

An Annual member is an undergraduate student elected in the same manner as the other officers of the student association. Her duty is to represent student opinion on the field student committee of which she becomes a member. She corresponds with field student secretaries as to the results of policies, trying always to represent the ideas of the local association.

For the past two years in our north central field there has been only one Annual member to represent every six colleges. It would have been Nebraska's turn to have an Annual member this next year but word has just reached the association that each one of the eighteen schools represented in

this field is to have its own Annual member. The nominating committee which submitted the list of officers for next year will give a report of its action concerning our Annual member at vesper, Tuesday at 5 o'clock. All association members are urged to be present to vote on this important office.

### GIRLS CAMPAIGN FOR NEW CLUB MEMBERS

Officers to be Nominated Thursday  
—Election Will Be Held Next Week

A Girls' club membership campaign will be held for one week, beginning Thursday, April 6. The campaign will be a contest in which Florence Wirt, '17, and Bertha Driftmeier, '17, will be captains of the two sides. An effort will be made to greatly increase the membership in preparation for the Girls' club convention May 5 and 6. The losing side is to entertain the winners.

Officers of the Girls' club for the coming year will be nominated at a girls mass meeting Thursday at 11 o'clock in the Armory.

The election of officers will be held Wednesday and Thursday of next week. Only members of the Girls' club are qualified to vote.
