We are glad to turn this issue of the Daily Nebraskan over to the engineers. They are a deserving part of the student body. It is to be hoped that their patriotism for their school will be equaled by other schools on the campus.

They are entirely responsible for this issue. They have corrected their own copy and read their own proof. Give credit where credit is due, therefore.

J. S. BAER
Clerk of the District Court

Republican Candidate for Renomination
The Clerk of our Supreme Court has been kept in his office for many years because of his experience, and efficiency. Clerks of the Federal Courts are retained for many years for the same reason. The work of our Courts is more varied and as technical as either of them, and the same rule should apply to this office.
