ARTS AND SCIENCE DEFEAT ENGINEERS

TIGHT BATTLE ENDING IN A SCORE OF 4 TO 3

Both Teams Stage Rallies in Ninth Inning, Academics Showing the Most Strength

The Engineers lost to the Academics in a game that was anybody's until the last inning, by a score of 4 to 3, on Nebraska field yesterday. Both pitchers, Hugg and Crownover, were hit freely and the bases were full several times.

Schumacher led off in the scoring for the Machinists by lacing out a homer. Crownover got a single, but died on third at the end of the inning. Hoadley was pushed across the plate by being hit, the next two men being passed and a poor throw. In the second inning, Norris scored

on two sacrifices and an error. The Academics went out one, two, three. The first half of the third, Hugg annexed three strike outs, while Hoadley made another score on his two-bagger, followed by a twin drive by Crawford. A goose egg was annexed by both sides in the fourth. In the last inning, Norris scored on an error, a single by Doty, and a double by Glazier. The Academics came right back by scoring Grant after his two-bagger and Crawford's second double. Crawford scored on Riddell's single, and the game was won.

Suppose You Were Hungry and Had No Way of Getting Food!
Suppose You Were Scantly Clad and Homeless in the Midst of Winter!

Wouldn't you be grateful to some generous-hearted friend who would come to you with wholesome food, warm clothing and show you the way to a haven of refuge?

THERE ARE THOUSANDS OF WOMEN, CHILDREN AND AGED PEOPLE WHO TODAY ARE HUNGRY, HOMELESS AND HELPLESS

They Are the Refugees from Invaded and Devastated

SERBIA

Forced to flee for very life itself, these refugees found their way into Albania, Montenegro and Northern Greece. Hundreds of them have died from starvation and exposure.

Thomas Nelson Page, American Ambassador at Rome, has cabled that "the conditions are frightful."

Dr. Edward Ryan, of the American Red Cross, said in a recent cable message:

"The suffering in places visited is beyond description. People are dying by the hundreds and must be removed. I have seen myself hundreds lying by the roadside, and human life is of no more value than the dust in the street. Consider we are the only people who can relieve the situation by transporting the refugees."

A Way Has Been Opened for the Rescue of These People

The American Relief Clearing House in Paris has chartered a vessel to transport the Serbian refugees to the island of Corfu. The French Government has endorsed this plan and agreed to provide a safe convoy. The work of transferring the refugees has been in progress since the last week in January.

But funds are urgently needed to carry on the work: the Allied Nations are not in a position to bear the entire expense of caring for these refugees.

As Dr Ryan says: "we are the only people who can relieve the situation."

Won't You Help These Helpless Sufferers?

WON'T YOU MAKE A GENEROUS CONTRIBUTION?

It will mean food and clothing and save them from persecution and death

Every dollar contributed will be devoted to this purpose, no deductions being made for expenses.

The National Allied Relief Committee appeals to you for funds for the Serbian refugees. All money received will be turned over to the War Relief Clearing House for France and Her Allies, which will purchase supplies or send cash under instructions from the American Relief Clearing House in Paris.

Cut this out and mail to the **NATIONAL ALLIED RELIEF COMMITTEE**
