Ellis of Nebraska beat Ellis of Kansas, 2-0; Gardiner of Nebraska beat Bird of the Aggies, 2-1; and Ellis and Chatt of Nebraska won in the doubles from Knowles and Ellis of the Aggies, 2-0. Chatt of Nebraska was beaten

by Knowles of the Aggies in singles, 2-1.

POSTPONE LAW-ENGINEERS GAME

The probable twirling duel between the Laws and the Engineers was called off last night by his umps, Dick Rutherford, when the Engineers forgot about the game and didn't come out. Roy Harney, John Riddell and Clarence Speier amused themselves for a while by slamming mythical two-baggers into the bleachers.

DISCUSS STUDENT SELF-GOVERNMENT

Helen Humphreys Describes Michigan Student League

Helen Humphreys, of the University of Michigan, led a discussion of student self-government associations in colleges and universities, after the paper by Miss Boden at the Girl's club conference Thursday afternoon.

The student league at Michigan is a clearing-house of all activities, according to Miss Humphreys. The board of directors is composed of five officers and four representatives of the four classes, with power to do anything. It takes all final action.

The judiciary council is a self-governing body, made up of four representatives of the classes, the president and vice president, and the dean of women. It deals with matters of general interest. The board of representatives is an advisory board which takes up matters of discipline. If a girl needs discipline, one member of the council, generally the president, goes to the girl and tells her what is to be done.

Plans of Discipline

Many different plans of discipline were brought up in the discussion. At Minnesota, the girl must have permission from the chaperon for two extra nights each month; the girls live up to this ruling and gladly co-operate.

At Kansas, Cornell, Ohio, Wisconsin and Michigan, the self-govern-

ment association has real disciplinary powers.

At Illinois, each house has a meeting one night a week, where all matters are passed upon.

At Wisconsin, the girls are made to feel their responsibility for elections by pamphlets sent to every girl, and a tea where the candidates for offices are present.

At Missouri, only girls who have paid S. G. A. dues for both semesters can vote for May Queen.

At Michigan, a blanket tax covers the S. G. A. membership tax, while at Minnesota, a \$5 deposit for registration includes dues for S. G. A. membership.

Delta Upsilon won from Alpha Sigma Phi in a six-inning baseball game yesterday, 5 to 4. The features were the pitching and hitting of Doran and the batting of Weaver.

"Service"
 In Apparel for Women

This store believes that "service" in the selling of women's apparel should mean something more than style at a price, for without dependable quality and worthy workmanship style means nothing at all.

Fashion—the latest—is featured here in coats, suits, dresses, blouses and millinery, as only one link in the Chain of Service that hold trade fast. No extra price is added for it. Whatever a woman pays is paid for quality—the kind that insures satisfaction after the purchase is made. And along with style and quality goes courtesy. "Store Service" in apparel for women means, as we see it, a service that wins the customer's confidence with value and timely bona fide reductions like these now in full force.
