The end of fraternity rushing is the incentive for many week-end parties, in the Greek world. The pledges and the visiting alumni who came to use on his way to New York, where he their influence in procuring their "home town boys" will be the guests of honor. This is the launching of the social season, as the University rules have not permitted any parties before.

Louise Dobbs, '18, will attend the University of Colorado this year.

Dorothy and Genevieve Sanford, '18, who spent the summer in Alaska, re-

turned this week and will register for university work.

Delta Zeta announces the pledging of Mary Alice Davey of Davey, and Vinta Harrell and Gladys Eneyart of University Place.

Fred Liebers, '18, who was in an automobile accident Tuesday evening, is still at Shoemaker's hospital. Mr. Liebers' hand was badly hurt.

Dorothy Myers of Omaha, will spend the week-end with Helen Curtice, '19. Miss Myers will leave next week for Boston to study during the winter.

Frank Reavis, ex-'17, is in Lincoln when he attended the university. Reavis was a well known track man when he attended the university.

Lenore Burkett, '18, Mrs. Myrton Welton, '12, Isadore Sheldon, '16, and Marie Reichenbach, ex-'15, will go to Manhattan, Kas., Saturday, to install a new chapter of Kappa Kappa Gamma. Mrs. W. Miller, who chaperoned the local chapter for several years, will chaperone the new chapter.

### NEW MACHINE FOR GRID WARRIORS

### CHARGING ENGINE FOR VARSITY TO WORK OUT UPON

The appearance of a new charging machine on the field last evening brought cold chills of fear to the varsity men. This machine is something new in that the men stick their heads through a hole and push with their shoulders. The idea is to charge with the knees as close to the ground as possible. The first team line was the only aggregation which enjoyed the privilege of using the new machine.

The rest of the varsity squad engaged in punting and signal practice. Doyle did some excellent punting against the wind, while Shaw and Corey did well at goal kicking. Rutherford had another mixture that he had practicing signals.

The freshmen went through the usual process of falling on the ball and signal practice under the eye of Campbell. More than three teams of freshmen are reporting daily and are displaying worlds of pep in the practices. There is more enthusiasm among the rooters than has been exhibited for years. Every day there are from one hundred to two hundred loyal and understanding fans on the bleachers.

DUSTIN FARNUM

Appearing in "Davy Crockett" at the Magnet, Friday and Saturday

### CHURCHES RECEIVE UNIVERSITY FOLKS

All Churches Hold Student Receptions at Parlors Tonight

All the churches of the city are to be thrown open this evening to the students of the university and their friends. Programs have been provided and everyone is expected to come prepared to have a good time.

At the First Presbyterian church, Dr. E. C. House will pick out the two people present who would be most suitable to marry. Equally interesting stunts are promised by the other churches.

During the evening Chancellor and Mrs. Avery will call at all of the receptions.

### GRADS FROM TEACHERS' COLLEGE ALL ARE PLACED THIS YEAR

Practically every teacher graduated last year from the Teachers' college is now located in some responsible position in the public schools of this and adjoining states. Dean Fordyce of the Teachers' college, said yesterday the enrollment this year in the college, has a thirty-five per cent increase over that of the preceding year. Candidates for teaching are now assigned to the various classes and have begun their work in actual teaching in preparation for work in the schools over the state.

### CLUB DANCES TABOOED

"University women are forbidden by the rules of the university senate from attending the Union club dances or any other dances not under the supervision of chaperons appointed by university representatives," Mrs. Eustace Brown, adviser of women, said this morning. "This rule was made because such dances have no chaperon and no specified hour of closing."

"There was little infringement of the rule last year, and I am making this announcement now in order that students not formerly acquainted with the regulation may not break it unintentionally," Mrs. Brown explained. —Exchange.

### UNIVERSITY GIRLS' PARTY TOMORROW

#### All Co-eds to Have Good Time at Temple Theater

The Temple theater will be the scene of much gayety tomorrow afternoon for the benefit and entertainment of all university girls, especially the freshmen.

A delightful play has been prepared under the auspices of the Y. W. C. A. in which "Every Student" is very deeply concerned. The various factors, such as ambition, imagination, study, good times, are to be characterized and the several girls' organizations are to be vividly represented.

Readings and other forms of entertainment are to be furnished by the Girls' club. After the program ices and tea will be served and the dance hall upstairs will be open.

#### ARGUMENTATION CLASS SELECTS 3 QUESTIONS FOR DEBATES

Three questions of current interest were selected for debate by the groups in rhetoric 15, which were formed yesterday under the direction of Professor Fogg. "Should the United States establish a protectorate over Mexico?" was selected by group I, composed of W. C. Cull, '18, of Oakland; Henry Chung, '18, Korea; E. C. Jeffrel, '18, of Lincoln, and R. P. Parry, '17, of Lincoln.

"Resolved, That the federal reserve act should be repealed" was selected by group II—C. E. Hinds, '18, Odell; E. F. Moore, '18, Lincoln; E. F. Reed, '18, of Milford; and E. J. Shoemaker, '18, of Sidney.

"Resolved, That the United States government should own and operate the railroads," will be debated by group III—Earl Everett of the graduate school; Carl H. Peterson, '18, of Neligh; Arthur E. Tenhoff, '17, of Lincoln; and C. Ivan Winslow, '18.
