

The Daily Nebraskan

VOL. XVI. NO. 10.

UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY, SEPTEMBER 26, 1916.

PRICE FIVE CENTS

DANCE TO HELP SEND CADET BAND TO OREGON

BENEFIT FUN FEST AT AUDITORIUM OCTOBER 13

Tickets \$1—Lincoln Business Organizations and Innocents Behind Scheme—Forty to Go

A benefit dance to help raise money to pay the expenses of the cadet band to Portland, Ore., for the Nebraska-Oregon Agricultural college football team, will be given at the city auditorium Friday evening, October 13.

The Innocents are sponsors for the plan, which has the support of the Lincoln Commercial club. The latter body has offered the use of the auditorium free of charge, and will take 100 tickets for the party. The music for the dance will be played by the band—said to be the best university band in the United States.

Hewitt in Charge
Homer Hewitt, newly elected Inno-

cent, is in charge of the boosting program which is expected to result in the raising of enough funds to send the forty best musicians in the organization on the 4,000 mile jaunt with the team.

Tickets will go on sale tomorrow. A bunch will be left at each fraternity house, and there will be solicitors on the campus. The price will be \$1. Every man student of the University who can dance will be appealed to to buy a ticket, not only for the prestige to the University the band will give as it tours across country, but because the dance is expected to be one of the best social stunts of the year—with the best music.

The dance is not expected to yield enough money to pay the entire expense of the team, but it will go a long way towards covering the cost. The balance will be made up by the athletic board. The Lincoln Ad and Rotary clubs will be asked to help, for the band will prove as good an advertisement of the city as of the University.

AWGWAN STAFF MEETING TODAY

Old Members and Prospectives Invited to Conference in Editorial Office

The first meeting of the entire Awgwan staff has been called for Tuesday afternoon at 4 o'clock in the editorial offices of the publication, room 1, University hall. Plans for the year will be discussed and the organization of the staff will be perfected. All members of last year's Awgwan staff as well as those on the staff this year are urged to attend this meeting.

The following invitation to the University students to participate in the publication of Awgwan appeared in the first issue:

"Anyone contributing regularly to Awgwan will be placed on the editorial staff. Contributions, regular, irregular or otherwise are solicited. If you can write an essay on The Gum-Drop Industry in Northern Canada or if you know enough about it to criticize the masters, past, present and future and duplicate their work, Old Man Awgwan's little boy needs you. Artists and near humorists will receive a hearty reception at the editorial offices, room 1, U. hall."

Anyone interested in such work should report at the meeting Tuesday afternoon. This invitation is extended to girls as well as boys, whether or not they have ever contributed to Awgwan.

Katherine Mellor, '18, visited at her home in Malvern, Iowa, during the week-end.

SECOND GENERATION LEAGUE MEETING THURSDAY EVENING

The League of the Second Generation will hold a meeting Thursday evening at 8 o'clock in U. 107. Every one is eligible who has one parent who attended the University. The object of the league, as stated at the time of its organization, is to bring the people out in the state into closer touch with the school.

At Thursday's meeting the new constitution will be discussed and presented for adoption. R. P. Wagner is president of the league, and Katherine Newbranch is secretary.

FRATS "SPIKE" AT DE PAUW; PLEDGE DURING FIRST WEEK

If a fraternity or sorority wants anyone at DePauw, they are "spiked" instead of rushed. While fraternities are allowed to pledge the first week of school, sororities are not allowed to give invitations to "spike" parties until the second week. The invitations are taken around the second Monday morning at 7:30, and the girls return for their answers at 7:30 in the evening. One week is given over to "spiking."

The festivities are limited to afternoon calls and two formal parties. Calling hours are from 5:30 to 5:30 a. m. Mondays, Wednesdays and Fridays. Tuesday and Thursday nights are set for formal parties.—Exchange.

America's oldest co-ed, a student here at the University of Kansas last year, will enter the University of California this fall. She is Amy D. Winship, 85. Mrs. Winship started her education in a log school in Illinois in 1847. She attracted much attention here last year by attending classes with students sixty years her junior.—Exchange.

PROF. S. B. HRBKOVA TO ADDRESS STATE WOMEN'S CLUBS

Prof. Sarka B. Hrbkova of the department of Slavonic has been secured to address the general evening session of the Nebraska State Federation of Women's clubs whose convention opens Wednesday, October 4, at Hastings. Professor Hrbkova will speak Thursday evening on the subject of bringing the foreign-born immigrant woman in touch with the best that American life has to offer. The subject as it appears in the programs of the federation is "Bridging the Atlantic."

DEAN FORDYCE AND GRADUATES COMPLETE RURAL SCHOOL SURVEY

Dean Fordyce, with the assistance of graduate students, has completed a survey of all the rural schools of Boone county, having made an application of the standardized test to these schools. This is the first instance in the country of the application of the standardized tests in the schools of an entire county. The results of the survey are now being tabulated for publication.

Victor E. Wilson, '96, of Stromsburg, is the democratic nominee for railway commissioner.

VARSITY SPIRIT IN EVIDENCE MONDAY

SATURDAY'S RESULT MAKES MEN WANT TO FIGHT

Some Nursing Injuries—Corey's Toe Effective—Former Stars on Grid

After their narrow escape at the hands of the scrubs last Saturday, the varsity put a large amount of spirit into their practice last evening.

A number of the men are nursing more or less serious injuries. Shaw and Caley did not appear on the field while Gardner was out but did not work. Caley is curing a sore shoulder while Shaw has a knee which is keeping him from exercising.

Kicking Practice

The practice in kicking brought forth some excellent punting from Otoupalik, Rhoades and Riddell and good goal kicking from Captain Corey. Corey, whose toe proved to be the winning factor in the great Notre Dame battle last year, is fast regaining his old form and can put the ball between the posts and over the bar four times out of every five tries. Riddell is also becoming quite expert in the art of goal kicking.

For practice in tackling the varsity was lined up four deep in lines about twenty feet apart, the men in each line being about five yards apart. Then one man with a ball began at the head of each line and tried to run

through its length. "Bob" Ralston made the best showing at this game, while Rhoades and E. Kositzky did fine tackling.

In the short scrimmage that followed the varsity line showed a fine stonewall to the freshmen and threw them for losses down after down.

Old Stars There

One feature of the practice was the appearance of two old stars on the field in uniform. Guy Chamberlain and "Vic" Halligan were the intruders. Halligan has been officially added to the coaching staff, while Chamberlain was out showing the new end men how it was done.

The air is beginning to fill up with "dope" these days, from the various camps of our season's opponents. Messages have floated in from faraway Oregon that they will have a weak team this year. But according to Coach Stewart this will not be the case.

Several of Doc's last year's team will be back and there are lots of husky freshmen coming up. Cole, a lineman and place kicker from last year's team, will be the mainstay, while Brooke, Bessette, Newman, Dutton and Allworth, all regulars last year, will be back. Among the new men, Hubbard, who Dr. Stewart says, was the best man that was on the field last year not even excluding the great Abraham, is probably the brightest prospect. In addition there will be McNeill, a big Scotchman, and Briggs, a fast little man.

ELECTION NOTICE

Notice is hereby given as provided by Class Election Rules (cf. General Catalog, p. 62), that the general election for the selecting the presidents of the four respective University classes (freshmen, sophomores, junior and senior), will be held on Tuesday, October 3rd, in Memorial hall. The polls will be open from 9 to 12 a. m. and from 2 to 5 p. m. Each candidate is required to file a written statement of his candidacy with the Registrar before 5 p. m., Friday, September 29.

No candidate shall be entitled to election whose name is not printed on the ballot. There shall be no soliciting of votes by cards or otherwise at or near the polls.

VANCIL K. GREER, Registrar.

W. L. Mason, the new membership secretary of the city Y. W. C. A., is registering for university work. Mr. Mason comes from Central City, where he has been the "Y" secretary this year.

TWO NEW COACHES ON THE VARSITY STAFF

VICTOR HALLIGAN AND FRANK MOORE IN CHARGE OF FRESHMEN

Former Cornhusker Star—Latter Played on Oregon Aggies and Was All-Northwestern Guard

Victor Halligan, captain of the champion Cornhuskers of 1914, and Frank Moore, all-northwestern guard for two years on the Oregon Agricultural college team, have been added to the Cornhusker coaching staff. Dr. E. J. Stewart announced yesterday.

Halligan is well-known to the University rooters. He played tackle on the varsity for three years, and was probably the best man at that place who ever wore the scarlet and cream, with the possible exception of Captain

"Tim" Corey of this year's team. Halligan was placed on all-western and mentioned on all-American teams.

Moore is a star. Moore, according to Coach Stewart, is one of the best players he had at Oregon, and was one of the best on the Pacific coast. He played a guard on Stewart's championship team of 1914. His present home is at DeWitt, Neb., but he will come to Lincoln as soon as possible, probably reaching here within three days.

The two new coaches will be used to direct the freshman team. Halligan took his post last night and put the youngsters through their paces.

The arrival of Moore will enable Stewart and Rutherford to concentrate on the varsity team—and the showing of last week indicates that this is needed. Two weeks yet remain before the first game—time enough to round a team into shape.

HARRY PORTER NOW SELLING FRESHMAN CAPS

Freshman caps—green skull caps and green toques—are now on sale at Harry Porter's, and will be on sale there until every freshman has obtained his proper headgear.

In taking over the caps, Mr. Porter, who has proved on many occasions that he is a good booster for the University, has done so without asking any commission on the sales. The matter is purely one of accommodation for the student body.

The Innocents believe that before the day of the Olympics every first year man will have his green cap. The cost will remain at a dollar, although the rising price of materials has brought this perilously close to the actual cost of the material, without figuring in any selling expense whatsoever.

TIMES HAVE CHANGED

There is a change in fraternity houses this week. No longer are the freshmen feted.

"Let 'em know they are freshmen," is the order that has gone the rounds among the different Greek letter members. There are a variety of ways in which this is accomplished. From the sophomore classes of the different fraternities, several are officially designated "chain gang bosses." On Saturday mornings these bosses direct certain necessary work around the houses. Freshmen must at all times maintain proper respect to the upperclassmen.

There is a good fellowship about the entire system, however, which does much to make the supposedly unfortunate yearling feel that his unusual treatment is for his own good. And fraternity men believe the same way.—Exchange.

GIRLS CLUB WANTS NEW MEMBERS

ANNUAL CAMPAIGN COMMENCES ON CAMPUS AT NOON TODAY

Florence Wirt, Mnaager; Bertha Driftmeier and Kate Helzer at Head of Opposing Sides

The annual membership campaign of the University Girl's club will be launched at noon today with Florence Wirt, '17, manager; Kate Helzer, '18, Bertha Driftmeier, '17, and a score of assistant campaigners stumping the campus for members.

To add zest to the work the workers are divided up into competitive squads with Bertha Driftmeier, leading the "reds" and Kate Helzer the "whites." Reports will be turned in to Dean Mary Graham's office every half day. The side that wins the highest, the greatest number of half days, will be entertained by the losing side.

The University Girl's club is an organization for the purpose of promoting good fellowship and democracy among the girls attending school at Nebraska. Each year parties are given under the auspices of the club which help to get all girls acquainted with one another. The Girls' Cornhusker party, held the same night as the Cornhusker banquet for the men, has become a University custom and an event under the supervision of the club that is looked forward to by every girl in school. Last spring the Nebraska Girl's club were hostesses at the con-

(Continued to Page Four)

Laws Will Send Smokes To Their Fellows On Border

Knowing the need of the masculine human being and loving to supply such needs, the senior class of the college of law are taking up a collection in order that they might send some cigars to their classmates on the border.

The two men who are going to be supplied with "makings" and cigars are Thomas Hepperlin and G. F. Thornburg. Mr. Thornburg is leader of the Nebraska Fifth regimental band. No doubt the air will be ringing when he enjoys his stogies. Mr. Hepperlin, the laws believe, is more than a private and so will be allowed to lead a life of luxurious ease without infringing on any 10 cent limit.

Mrs. M. J. Carnes will have charge of the collection. This choice of a woman for such a position is highly psychological and no doubt the United

Cigar stores or Conway's will experience a scarcity of Bull Durham when the purchasing committee has visited them.

Although everyone else connected with the gift was openly mentioned, the quietness was pronounced when the names of the purchasing committee was asked for. Here again excellent judgment was shown, for should the names of these be published in the papers they would be unable to study at all on account of the numerous friends who would drop in to spend the evening.

Everyone is hoping for the sake of the laws that if there should be any signs around Llano Grande such as there are at the gates of the campus the war department will see fit to take them down before the tobacco arrives.

"Bob" Cameron, star Cornhusker two years ago, who has been kept out of

A. J. Covert, lieutenant-colonel of the University cadets, in command while Colonel Burnham is on the border.
