

# The Daily Nebraskan

VOL. XVI. NO. 21.

UNIVERSITY OF NEBRASKA, LINCOLN, WEDNESDAY, OCTOBER 11, 1916.

PRICE FIVE CENTS

## STUDENTS WILL HELP TO WELCOME MR. HUGHES

### CARL GANZ APPOINTS RECEPTION COMMITTEE OF FOURTEEN

#### Will Assist Local Committee in Making G. O. P. Candidate's Visit Pleasant

President Carl Ganz of the University Hughes and Fairbanks club has appointed a committee of fourteen students to act as a reception committee for Charles E. Hughes, the republican candidate for president, when he comes to Lincoln Saturday evening.

The committee is made up of Marion Shaw, H. H. Corey, Henry Campbell, Virgil Haggart, Harold Holtz, C. M. Frey, Ruth Whitmore, Eva Miller, Viviennt Holland, Spray Gardner, J. Lorin Caley, Everett Carr, Ralph O. Lahr and John Wenstrand.

This committee will act with the Lincoln reception committee. It will go to the Burlington station when Mr. Hughes comes into Lincoln at 6:30, do everything in its power to extend to him the welcome of the University and of the Hughes and Fairbanks club, and assist the Lincoln committee during Mr. Hughes' stay in the city. The republican candidate will spend most of Sunday in Lincoln, resting up for his campaign the following week.

### Student Body Guard

President Ganz within the next day or two will name a committee to act as a body guard for Mr. Hughes while he is in the city. This committee also will be composed of students who are members of the Hughes and Fairbanks club.

Mr. Hughes will speak in the Lincoln auditorium Saturday evening. He has already done considerable campaigning in his race for the presidency, and his appearance in Nebraska will focus the political eyes of the nation for a time on this state, especially because Woodrow Wilson, Mr. Hughes' democratic opponent, was here only last week.

It is almost certain that Mr. Hughes will make no attempt to address the students as a body, although he was invited to do so by a mass meeting, the invitation having been extended through Chancellor Avery. His time of coming to Lincoln is not good from the standpoint of getting the University students together, while at the same time his appearance on a Saturday evening will mean that the students will have an unusually good opportunity to hear him speak and give his side of the political questions before the nation.

### FIRST PAGES OF UNI DIRECTORY GO TO PRINTER

The first pages of the University Directory, to be issued before the end of the month, have gone to the printer, and work has commenced of putting the directory together.

The book this year will follow the lines of last year's book, and will be complete in every detail of giving information concerning the students and the faculty members. It will be sold at 20 cents, the cost of publishing.

The University Y. M. C. A. is behind the publication of the book. It will be sold by campus sales. Sixteen hundred copies only will be printed, as a quick, immediate sale is desired.

## CORNHUSKER FEAST DECEMBER EIGHTH

### MEN'S BANQUET AND GIRLS' COSTUME PARTY SCHEDULED

#### Promise of a Victorious Football Team Indicates the Biggest Banquet in the School's History

The annual Cornhusker banquet and the girls' costume party will be held Friday evening, December 8, the former down town, the latter in the University Armory.

The showing made by the football team in the game last Saturday, in spite of the "bear dope" that had been so freely dispensed in advance of the game, has convinced the varsity roster that the team this year is going to make another splendid record, whether or not every game is added to the won column.

#### Victorious Team

The presence of a victorious team at the banquet, the return of alumni who have been prominent in the past to do honor to the gridiron heroes, the faculty, the freshmen, the sons, the pep, the yells, the what-not that has made the Cornhusker banquet the big thing of the football post-season, are causing the men to lick their chops already in anticipation of the pleasures of the feast.

The girls are not behind in counting on a joy-festival. Some of the organizations are already figuring out combinations that will put the Kappa chain gang into the discard, and some of the brothers around the school have already noted the disappearance of bits of masculine attire.

December 8 promises to be another big University night.

### UNIVERSITY HEADS LEAVE FOR VISIT TO EXPERIMENT STATIONS

Chancellor Avery, Dean Burnett of the college of agriculture, and all of the members of the board of regents save Mr. Lyford, left last night for an inspection trip of the various experiment and sub-stations, including the Curtis agricultural school.

The University authorities will be gone for at least a week on the western trip. They will thoroughly study conditions in the different University branches visited, to be ready with recommendations when the state legislature convenes this winter.

## \$234 TURNED IN ON TAG DAY

### INCOMPLETE REPORT SHOWS CO-EDS CONTRIBUTED \$52

#### Men Sold 182 Band Dance Tickets Down Town—Girls Selling Campus Tickets Have Not Reported

Fifty-two dollars given by the girls in nickles, pennies and dimes, and \$182 gleaned by the men who sold band dance tickets down town, is the result of yesterday's tag day according to the very incomplete reports turned into the student activities office yesterday evening.

T. A. Williams, agent of student activities, who checked in the money, declared that not more than half of the students had reported. None of the girls who were selling tickets to the dance had checked in, and their amount is expected to swell the total very considerably.

#### Cordial Reception

The girls who tagged the co-eds reported that they met with a very cordial reception, and that the fair half of the student body had displayed all of the zeal that could be expected. Reports from some of those who asked the men to take tickets were not so encouraging, and it was said that at the agricultural college some difficulty had been met in convincing the men that they should take dance tickets.

This condition is expected to be changed, if it exists at all, by the enthusiasm that the project will arouse before the end of the week. The complete report of yesterday's sales will add very materially to the amount in the fund.

## UNDERCLASSES TO HOLD MEETING

### FRESHMEN AND SOPHOMORES HOLD MEETINGS THURSDAY

#### Minor Class Officers to Be Elected—Plans on Way for Annual Olympics Battles

Following the lead of the juniors, the freshman and sophomore classes will hold organization meetings. President Riley of the former and President Harnsberger of the latter, have called meetings of their classes for Thursday morning, when the minor officers of the classes will be elected.

The freshmen will meet in Memorial hall at 11:30, immediately after convocation hour. This class has the largest number registered in the University, and should have a meeting attended by not less than 500. In addition to having the election, it is probable that the freshmen will want to talk over the Olympics problem, as President Riley has appointed his committees and they are already at work.

The sophomores will also meet to discuss Olympics, in addition to electing their vice-president, secretary, treasurer and sergeant-at-arms. President Harnsberger has not yet announced his committees, as he is having the registrar check the eligibility of the members, but the complete list will probably appear in next Tuesday's Daily Nebraskan.

The sophomore meeting will be held in Law 101 at 11 o'clock.

Dean R. A. Lyman of the college of pharmacy, received a request yesterday from Dr. E. L. Newcombe for an article on the care of the Nebraska drug plant garden and some pictures of the various growths.

Dr. Newcombe is in charge of the development of the University of Michigan's drug plant garden and wants some of the ideas used at Nebraska. The article is to be published in the Northwestern Druggist, the leading druggist journal of this section.

### ENGINEERS' HOP COMING OCTOBER 28; HOLTZ CHAIRMAN

The Engineers' hop has been scheduled for Saturday evening, October 28, at Rosewilde hall, with Harold F. Holtz as chairman of the committee in charge, according to an announcement made yesterday. Scott's orchestra will play. Only ninety-five tickets have been validated for the party. In addition to Harold Holtz, tickets may be obtained from M. J. Root and W. A. Schumacher. Holtz can be reached at B-2567 or L-5499; Root at L-7956 and Schumacher at B-3523.

## FRESHMEN CLASS COMMITTEE NAMED

#### Augustine Heads Olympics Committee—Boyd Hop Chairman, Best Master of Ceremonies

President Riley of the freshman class yesterday evening announced his complete committee appointments. He is the first of the newly elected presidents to complete his list—a fact not hard to understand when it is considered that he has but two committees to appoint.

The Olympics committee, that will have the task of defending the honor of the class in the annual battle with the sophomores, will be headed by Irving Augustine of Grand Island. The four members named beside the chairman are Jennings J. O'Brien, Henry Dalley, Ray Fonda and Harry Caldwell.

The chairman of the dance committee is James Boyd, and the master of ceremonies Russell Best. Four other dance committeemen named were Earl Colton, Marjorie Hesselstine, Ruth Farquhar and Mable Clark.

We only hope that Dobie will read the optimistic stories about football in The Daily of yesterday and cheer up. The fact that California is looking forward to a trimming from Washington ought to cheer him up for a few minutes.—Exchange.

## JUNIORS IN UPROAR; ELECT MINOR OFFICERS

### MARION REEDER MADE VICE-PRESIDENT AFTER TALKFEST

#### Laffin Made Secretary-Treasurer and Foster Sergeant-at-Arms by Rising Vote

#### JUNIOR MINOR OFFICERS

Marion Reeder, Columbus, vice-president.

Lewis E. Laffin, Crab Orchard, secretary-treasurer.

DeWitt Foster, Kearney, sergeant-at-arms.

In the midst of great uproar, the junior class met in Law 107 yesterday morning at 11 o'clock, and elected Marion Reeder of Columbus, vice-president; Lewis Laffin of Crab Or-

chard, secretary-treasurer, and DeWitt Foster of Kearney, sergeant-at-arms.

The meeting was called to order in the usual fashion by the newly elected president, Lloyd Tully, but it did not remain in order very long. After Carl Graff had been appointed temporary secretary, nominations for vice-president were called for, and Miss Reeder was proposed.

#### Great Uproar

It was immediately moved and seconded that the nominations be closed. This precipitated the uproar. DeWitt Foster was on his feet with a violent protest, declaring that there was evidence that the meeting be packed, and he repeatedly called for a "square deal" and for the keeping open of the nominations until more nominations could be made.

Foster was greeted with jeers and

(Continued on page 2)

## BASKETBALL PRACTICE ON TONIGHT; 500 MEN WANTED

### DOZENS OF DIFFERENT TEAMS TO BE SELECED

#### Departments, Classes, Companies, Varsity Fives Will be Picked for Many Floor Battles

The basketball season starts tonight. Everyone who wants to play the game is expected out. Everyone who comes out will be given a place on some team.

There will be teams of all sizes and kinds. A team for each department, a team for each military company, a team for freshmen and a team for the varsity. All who have ever seen a game or heard of a game or played a game of basketball ought to come out and et on some team.

#### Make Sport Broader

The idea in having so many teams is to make the sport broader in its relation to the student body. Sports in the University have been accused of allowing too few people to take part. For this reason Coach Rutherford is going to take full charge and personally conduct the practices of every team.

### Y. W. C. A. GIRLS IN BUSINESS SESSION TONIGHT

A meeting of all association girls will be held at 7 o'clock this evening in the Y. W. C. A. rooms. Reports from the membership, church affiliation, social service and social committees will be given.

Among other questions, the question as to what kind of meetings shall be held on Wednesday evenings, will be discussed. Plans will also be made for the special Bible study work. A number of girls will furnish entertainment with ukeleles the first part of the evening.

## CO-OPERATIVE BUYING BEFORE FRATERNITIES

### INTERFRATERNITY COUNCIL TO DISCUSS PLANS TONIGHT

#### Saving of 25 to 30 Per Cent Thought Possible—Alumni Support Project

Two plans embodying co-operative buying for fraternities will be discussed at a meeting of the interfraternity council at the Kappa Sigma house this evening.

One of the proposed remedies for the high cost of living which, it is hoped, will save the fraternities from 25 to 30 per cent on groceries and fuel, is similar to the co-operative store plan. The other calls for buying direct.

The discussion will be led by a committee composed of Edward Pettis, Kappa Sigma, of the Lincoln Safe Deposit company; Ray Doyle, Phi Delta Theta, and John B. Stoddard, Beta Theta Pi.

The co-operative idea has the support of prominent alumni as well as officers of the council. Prof. P. M. Buck yesterday pronounced the plan feasible and said that the chances for its adoption were good.

Miss Henrietta M. Brock is giving an evening class in china painting for townspeople and students every Monday evening, from 7 to 10 p. m.

There will be regular schedules and regular times of practice. A captain will be picked from the candidates who appear for the various teams.

Captain Campbell of the varsity will look after candidates for the freshman and varsity teams until the other teams get started. There are several positions open on the varsity this year and they will be rather hard to fill unless some material which was not known last year turns out.

#### Expect 500 Out

Rutherford expects five hundred men out for basketball this year, and guarantees that despite the lack of gymnasium facilities all will be taken care of.

The first practice will be held tonight in the Armory at 7:30. The regular schedule of practices will be as follows: From 7:30 to 9:00 on Mondays, Wednesdays and Fridays, and from 4 to 5 on Tuesdays and Thursdays.

Incidentally Coach Rutherford announces that he will issue a call for candidates for class football teams soon. All who wish to uphold the honor of their class on the ridiron should get their old togs out and patch them up and get ready to respond to the call.

## HUGHES-WILSON DEBATE COMING

### Rival Student Clubs to Clash on National Issues at Temple Theater

Representatives of the Hughes and Wilson clubs will meet in debate Thursday night in the Temple theater to argue national political issues for the benefit of the student body. Chief Justice Morrissey of the Nebraska supreme court, will preside.

The personnel of the two teams has been changed somewhat since it was first announced. E. C. Jeffrey, '18, Lincoln, and L. W. Trester, '19, Lincoln, will head away for Hughes, and C. E. Schofield, '17, Lincoln, and Robert Waring, '17, Geneva, will for Wilson. The public argument comes as a result of a challenge made by the Wilson club to their political opponents last week.

Things have conspired to make the debate not only timely and interesting, but rather warm. The issues on which the battle is to be fought are general enough to allow some nicely drawn distinctions, which the four men, all experienced rostrum speakers, will undoubtedly bring to light.

### FIRST FOOTBALL RALLY TOMORROW

#### Band, Yells, Speeches Will Give Pep to the Opening Rally for the Varsity

The first football rally of the year will be held tomorrow morning at 11 o'clock in Memorial hall—convocation hour.

The band will be there—the band that is going to Portland. There will be speeches by prominent men about school. The new yell leaders will try their skill indoors.

The members of the team will be in evidence, if they can be induced to shake off their natural reserve and take their proper places in the limelight.

Complete announcements of the program, speakers and other stunts will be made in Thursday morning's Daily Nebraskan.
