

I can conceive the existence of a church in which, week by week, services should be devoted, not to the iteration of abstract propositions in theology, but to the setting before men's minds of an ideal of true, just and pure living; a place in which those who are weary of the daily cares should find a moment's rest in the contemplation of the higher life which is possible for all, though attained by so few; a place in which the man of strife and of business should have time to think how small, after all, are the rewards he covets compared with peace and charity. Depend upon it, if such a church existed, no one would seek to disestablish it.—Thomas Huxley.

The series of sermons given by Arthur L. Weatherly, minister of "All Saints Church" on "The Abundant Life," is one that appeals to students in the University.

It emphasizes those values in life which must be considered if a rich, full life is to be attained.

The Students Liberal Union cordially invites you to attend these sermons. All Souls Church, corner of 12th and H streets. Services at 10:45 a. m.

**LAST SCRIMMAGE HELD  
FOR KANSAS AGGIE GAME**  
SCRUBS MAKE LONG GAINS ON FORWARD PASSES

Team is in Good Shape—Overconfidence Diminishes with Each Workout

With wide open gates and only a handful of spectators, the varsity went through the last scrimmage preparatory to the Kansas A. C. game Saturday. The main work of the evening was in blocking forward passes.

Rutherford's scrubs, with Dick himself doing the passing, made repeated gains, using Aggie formations.

The team is in fine condition and every man is ready to play the game of his life. The feeling of overconfidence is being taken out a little more each night and it is probable that the men will go into the game with a determination to play their hardest.

**Heavy Backfield**  
In the backfield the coach will have his heaviest men on offense. Rhodes, Dobson, Riddell and Otoupalik will probably start the game. These men are all heavy, pretty fast, and expert ball jugglers. On the defense, Riddell and Otoupalik will go to the ends and Cook and Gardner will go to the backfield.

Rhodes is expected to star in the game tomorrow. "Dusty" is a husky youth who gives more promise than any man who has played the last few years. When it is considered that last

year, as a freshman, he played under the eyes of a coach for the first time, it can well be understood how great his improvement has been.

In the line the coach will probably start Moser at center, although Cameron is a possibility, Dale and Kositzky at guards, Corey and Wilder at tackles and Cook and Gardner as offensive ends.

**Team's Attitude**

It is certain that as far as the coach is concerned the team will go into the fray in the same attitude that they will against Kansas U. or Notre Dame. Everyone knows how the Aggies look on this game and must for that reason expect a great battle.
