TRIANGULAR OR ROUND GIRLS SUBJECT OF Y. W. C. A. VESPERS

The freshman girls will have charge of the vespers service this evening at 5 o'clock, in the Y. W. C. A. rooms. The program will be furnished entirely by freshman girls. Gladys Rohrbach, Erna Driftmeier, May Conn and Betty Brown will speak on the subject, "Are You Triangular or Round?" Ruth Hutton will preside at the meeting. All University girls are invited.

A MAN'S IDEAL GIRL

To let you down into some far corner of my heart to have a glimpse of the girl who inhabits my castle in Spain? Aye, but only for a moment. Well, she's at least my equal mentally, broad-minded with solid views of things. To her everything must have its proper place. She is methodical, but mentally alert. She seeks to pierce through to the heart of things and values them accordingly. Temperamentally she will be the reverse of me. She must be able to view things from different angles: Need I say such a girl would place her profession of wifehood above all else, that she would have an abiding faith and confidence in all that pertained to me? Of course she must be cultured and appreciative of other culture. Do I ask too much? That may be, that may be—but I'm content to go on seeking for her—and I am sure I shall find her.—Ohio State Lantern.

GIRLS' CLUB BOARD DISCUSSES PLANS FOR FOOTBALL LUNCHEON

The Girls' club board met yesterday noon to consider plans for the annual football luncheon. The time was set for 12:30 Saturday, in the basement of the Temple building.

Impromptu talks from different girls and faculty members will be made at the luncheon. Afterwards the girls will go to the game with the Ames Aggies. They will sit together in a reserved section of the grand stand, which will be decorated for the occasion.

The luncheon will cost forty cents. Every co-ed in the University will be asked to go. At least five hundred are expected to respond to the invitation.

SORORITY GIRLS TO TAG STUDENTS FOR LINCOLN CHARITY

University sorority girls will tag University students Friday of this week for the Charity Organization society of Lincoln. All of the proceeds will go into the fund that help maintain Lincoln charities, which are organized on a business basis.

The decision of the sororities was reached at the different meetings last night. Earlier in the day a representative of each of the Greek letter groups met with the officers of the Charity Organization society, Miss Harris presiding, and heard the plans.

The regular tag day for the city will be Saturday. The students will have an opportunity to contribute on Friday. Different places on the campus will be taken by the girls.

This tag day will not interfere with the annual tag day of the Silver Serpents, it is believed. The latter organization each year tags the students for the benefit of the poor in Lincoln.

Hockey has become very unpopular of late, due to the high favor to which soccer football has risen. From thirty to thirty-five girls are out every day. Yesterday the *underclassmen defeated the upperclassmen for the second time this year. The score was 3 to 1, Henrietta Gold, who is an upperclassman, became so enthusiastic that she made a goal for the underclassmen. Among the star freshman and sophomore players are Helen Hewitt, Madeline and Valentine Minford. The game yesterday was viewed by several excited spectators.

Six girls of the physical education department, including Miss Ina Gittings, took a fourteen-mile walk Sunday.

The N. P. E. girls' party was postponed from Friday to Saturday evening of this week in order that the girls may see the Russian ballet dancers at the Oliver Friday evening.

CO-ED NEWS NOTES

The Woman's association of the University of Wisconsin, is making a campaign to raise funds for their homecoming celebration, by the sale of homecoming buttons. They expect to sell 23,000 buttons at twenty-five cents each.

Mrs. Mary Schenk Woolman will speak at convocation a week from today. Mrs. Woolman is chairman of the Woman's committee of the National Society for the Promotion of Industrial Education and is an expert on textiles.

Dean Mary Graham's tea will be held as usual on Thursday afternoon from 4 to 5:30 o'clock at Art hall. All girls attend as this is one of the best opportunities the University offers for girls to become acquainted.

The classes in aesthetic dancing this year are unusually large and have by necessity been divided. Much credit for the popularity of aesthetic dancing is due to Chalf, a New York man whose dances are widely used. Chalf dances derive much of their beauty

from the fact that they are arranged to the music of some of the finest composers. Chalf says, "Dancing is visible music," and to really make it so should be the aim of all students of that art.

The Girls' football luncheon at 12 o'clock at the Temple, Saturday, should be one of the best attended girls' functions of the year. Cards are being sent out urging last year's graduates to be present. Tickets are forty cents each, and must be gotten before Saturday. After the luncheon the girls will attend the football game in a body.

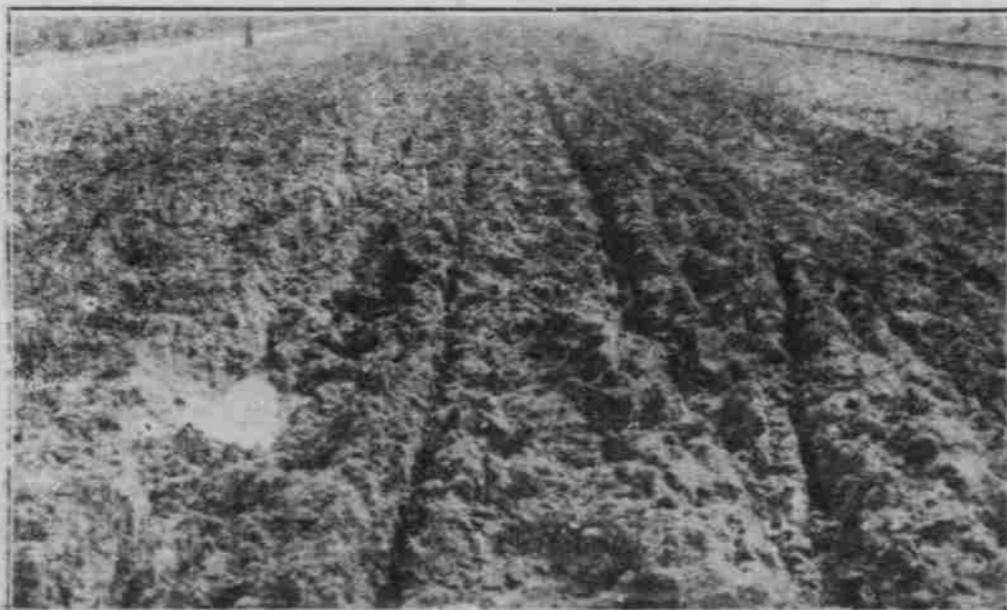

DESERTED?

A curiously packed basket was found recently on the porch of one of the prominent sororities at the University of Illinois. Careful investigations disclosed a five pound bundle and a note requesting the sisters to take good care of Lillian. Lillian is a puppy.—Exchange.
