UNI STUDENTS ARE THE ELECT

(Continued from Page One)

Dean Leland, University pastor. A large number of visitors to the class heard his address, which he was forced to condense because of limited time.

ONE EVENING—TWO VERSIONS

You sing a little song or two,
And have a little chat;
You make a little chocolate fudge,
And then you take your hat;
You hold her hand and say
Good night, as best you can—
Now ain't that a hell of an evening
For a great big healthy man?
Co-ed's Reply
You play for his reedy tenor,
You spill fudge on your second-best frock;
You stifle your yawns behind your hand,
And try not to look at the clock;
You listen to baseball "dope" and slang,
Till your head's in a perfect whirl—
Now ain't that a hell of an evening
For a nice, intelligent girl?
—Utah Chronicle.

GIRLS' RIDING CLASS

Instead of bucking western steers, the girls who have enrolled in the riding class at Minnesota will have gentle Kentucky horses to ride. The class is new and very popular among the girls.—Exchange.

When he was a young fool, flighty and vain,
With ideals of his own invention,
He bumped against dry, hard facts as they came,
To his asinine, foolish attention.

And these facts wrenched apart his own self-esteem,
As only the proven facts can,
And he saw in a new light this being supreme,
The eternal four-flusher—man.

There was so blamed much of the sordid and grim,
In the petty conceit he would find,
That when the dirty truth showed where the varnish was thin,
It made him ashamed of his kind.

Now the moral of this tale is not to imply,
That each man in school is a crook,
But it does mean that if you have dirt in your eye,
You'll see dirt wherever you look.—Ex.

"The Overcoat Store" Coins a new word "Sty-qua-val-sat"

Taken from the words, Style, Quality, Value and Satisfaction.

DEFINED:

- The Authentic Style.
- The Acme of Quality.
- The Greatest Possible Value.
- The Certainty of Satisfaction.

We've built "The Overcoat Store" to fit this word, and every day there is more and more substantial proof that the public appreciate our efforts.

In Selecting an Overcoat

—Patterns, Colors and Price are strictly matters of personal opinion.
—But "The Overcoat Store" is a place where "Big Assortment" and "Square Values" enables every man to make ample allowance for personal ideas of what-he-likes and what-he-prefers-to-pay.

See that it comes from Armstrong's

—You'll find our ideas of what-you-should-have will conform exactly to your ideas of what-you-should-expect.

Cadet Courtmartial

To illustrate the freedom from red tape in the military courts, and the fact that justice seldom miscarries as often occurs in the civil courts, the military department at Madison held a mock court martial. A sophomore cadet acted as defendant, and twelve cadets constituted the court martial.—Ex.

TURN YOUR SHIRT-TAILS INTO DRAWERS

IN OLUS

the outside shirt and underdrawers are one garment. This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy of saving a garment. OLUS is coat cut—opens all the way down—closed crotch, closed back. See illustration.
For golf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Extra sizes for very tall or stout men. All shirt fabrics, in smart designs, including silks—\$1.50 to \$10.00.
OLUS one-piece PAJAMAS for lounging, resting and comfortable sleep. Made on the same principle as OLUS Shirts—coat cut, closed back, closed crotch. No strings to tighten or come loose. \$1.50 to \$8.50.

Ask your dealer for OLUS. Booklet on request.
