McGill University—The call for money for the sufferers in the trenches of Europe is heard every day on the McGill university campus, and it must be said that not a time when the call has gone out has it been ignored by those who have anything in the world to give. Not only the call for money, but for men, has been answered by those hearty supporters of the "Mother Country."

KNIT WEAR  
"Cum Laude" Sweaters  
Funny how ubiquitous a sweater is. From matriculation to graduation its uses are multitudinous, its paths devious. And how nomadic, too. The athlete's luxurious shaker, proudly alphabetized, migrates from "stude" to co-ed, from frat house to girl's dorm. If it's a Bradley, it abides there.  
Ask for them at the best shops. Write for the Bradley Style Booklet.
